Dear Ms. Murphy:

The Africville Heritage Trust (AHT) would like to request the opportunity to make a presentation to Regional Council on, or about January 26, 2021 at a regular Council Meeting. The intent of the presentation is to report on the progress made by the AHT in the last ten years, as well as to reflect on how the partnership formed with HRM can be re-energized in the coming years. We believe that this is information worth sharing with the entire HRM Community. (This is in no way related to the group that is undertaking the current movement for compensation.)

Africville Heritage Trust is a non-profit organization created as a result of the negotiations between Halifax Regional Municipality and The Africville Genealogy Society (AGS) in 2010. We are dedicated to sharing the memory and spirit of the community of Africville. Through interpretation, education and dialogue, the history of the community and its people, and the lessons learned from their experiences, are passed on to current and future generations. Contact can be made via the coordinates on our letterhead.

Kind regards,
