Date of Meeting: February 4, 2021		
Subject: Regional Watersheds Advisory Board Review of Water Quality Monitoring Policy and Program Development Report prepared by AECOM		
Motion for Environment and Sustainability Standing Committee to Consider:		
It is recommended that the Environment and Sustainability Standing Committee refer the AECOM report to the Regional Watersheds Advisory Board to review and provide input to staff as they develop recommendations for the Environment and Sustainability Standing Committee based on this report.		
Reason:		
<i>The Water Quality Monitoring Policy and Program Development report was prepared by AECOM Canada Ltd on September 2020 for Halifax Regional Municipality in accordance with the agreement between AECOM and the Halifax Regional Municipality. By passing the motion outlined above, Regional Watersheds Advisory Board may provide expert advice to assist staff and Council in arriving at the best water quality monitoring program options to consider for the Municipality.</i>		
Outcome Sought:		
Following a review by the Regional Watersheds Advisory Board, the staff recommendation on Water Quality Monitoring Policy and Program Development Report will be brought forward to the Environment and Sustainability Standing Committee.
