

Proceeds of Crime Nova Scotia

MARCH 2021

Proceeds of Crime

- ▶ **At this time, there is no Province of Nova Scotia public-facing mechanism to access monies associated with a completed forfeiture process.**
 - i.e. Website or online application**
- ▶ **Funding may be accessed through the Department of Justice.**
- ▶ **Project proposals (business case) provided to the Department of Justice through Director of Public Safety and Investigations in the Public Safety and Security Division.**
- ▶ **Currently, the Director of Public Safety and Investigations is Hayley Crichton.**
- ▶ **Any proposal must be directly related to either victims service/support or crime prevention.**
- ▶ **Funding may not be provided to individual victims or as compensation for victims.**

Proceeds of Crime

- ▶ **In the future, Public Safety and Security Division will look to ascertain the feasibility of supporting a sustainable public-facing program inclusive of a publicly accessible application process.**
- ▶ **For further information respecting the process for submitting an application to the Department of Justice, Public Safety and Security Division, please contact Hayley Crichton.**
