SEPTIC SYSTEM LOAN PROGRAM

HRM Bylaw C-1000 Respecting Charges for the Resolution of Inadequate Water Supply was recently amended to enable the municipality to assist property owners with the financing of replacing or upgrading of on-site sewage disposal equipment. The program is structured so that HRM pays the invoice of the contractor who performs the work. The loan forms a lien on the property. The customer then repays HRM over 10 years. The loan amount is either up to \$20,000 or 75% of the assessed value of the property, whichever is the lesser amount. For more details, go to the report and bylaw: www.halifax.ca/sites/default/files/documents/city-hall/regional-council/210112rc1111.pdf and www.halifax.ca/city-hall/legislation-by-laws/by-law-c-1000

CENSUS JOBS AVAILABLE

The next Census of Population will take place in May 2021. Census information is used to make informed decisions about our communities, province and the country as a whole. The census paints a portrait of Canada's population and the places where we live. Information from the census will ensure that our communities have the data it needs for planning schools, daycare, housing, hospitals, emergency services, roads, public transportation, and employment skills training. Are you interested in a job that 'counts'? Do you want to be part of a great

undertaking? Statistics Canada have started recruiting for both supervisory and non-supervisory positions in your community. You can indicate in your application whether you are interested in a non-supervisory position (enumerator), a supervisory position (crew leader), or both. You can apply NOW on-line at: <https://census.gc.ca/jobs-emplois-eng.htm>

Join the 2021 Census team and make a lasting contribution to Canada and its people! Check out their website www.census.gc.ca for additional information.

DOG LICENSES: NEW OR RENEWAL

HRM requires all pet owners to license their dogs annually by April 1st. The licensing year runs from April 1st to March 31st. Pet owners are required to apply for a license within 10 days of obtaining a dog. Effective May 2nd 2020 amendments were made to By-Law A-700 regarding dog licensing. Dogs aged 6 months or younger, or dogs already licensed in another jurisdiction are no longer required to be licensed in HRM. We also offers a "LIFE-TIME" registration that also requires your pet to have a micro-chip for easy identification purposes. There are discounted license prices for seniors, as well for any dog that has been spayed or neutered. There is no fee for Special Aid Personal Assistance Service Dogs. But there are rates for any dog that is deemed to be registered as "Dangerous".

OPEN-AIR BURNING: MARCH 15TH

Normally Open-Air Burning Season begins on March 15th. There is an on-line fire index map at: <https://novascotia.ca/burnsafe/>. It will ensure everyone knows the risks of wildfire in all areas of the province each day. The map will show green, red, or yellow in each county to let us know if it is safe to burn, unsafe to burn, or safe with restrictions. The map and recorded phone message will be updated daily. Call Burn Safe toll-free 1-855-564-2876. These changes affect brush burning on domestic properties, such as rural residential lots, woodlots, fishing camps and cottage lots. But Commercial/Industrial brush burning still requires a permit from a DNR office. Be sure to follow all instructions, rules of conduct and be respectful of your neighbours when you want to burn. Be cognizant of those with any sensitivity to smoke. Please be careful when burning.
