Subject: Community Outdoor Rinks		
Motion for Council to Consider: That Halifax Regional Council request a staff report outlining the feasibility and available options to extend municipal insurance or operating grants to support community groups in setting up community rinks.		
Reason: After months of work, the volunteers organizing The DJ Butler Outdoor Community Rink in District 10 discovered in late in January that insurance for the rink would cost over \$2000.00, twice the amount they expected to pay. I, as Councillor, contributed \$1000.00 for operational costs.		
Outcome Sought: A staff report outlining the feasibility of having HRM extend municipal insurance, or providing grants to group. Further, the report should provide a clearer process to support community groups wanting to build outdoor rinks.
