# *Together, HRM and HRCE have achieved great things!*

- History of working together to enhance experiences for students in our city
- Value of enhancements for our youngest citizens...
  - from inspiring careers,
  - to seeing enhanced experiences as investment in our community,
  - to maintaining our heritage and prominence as a magnet city.
- Agreement in place that confirms importance and benefits of supplementary education funding.

[@shawncleary](#) [@MikeSavageHFX](#) We are so fortunate to have the biggest (and best) school music program east of Toronto! My son gets over 5 hrs/ week of professional music training in school! [#thankstoyouhalifax](#)

Halifax **parents**... You have no idea how lucky our city is... This is the best arts funding for school aged kids east of Montreal! Thank you
