Hi Andrea

This is to confirm my request to present at the TSC meeting on 22 April with Jen LaPlante via video link. I will be attending remotely from the UK where I am currently residing.

The subject will be urgent safety adaptations required for pedestrian and wheelchair user safety at signalized intersections. Councillors will be asked to consider a proposed motion, wording to be confirmed.

I will circulate materials in advance - please could you let me know the deadline for submitting those for circulation prior to the meeting?

Best wishes

Martyn
