MUNICIPAL CLERK

[This email has been received from an external person or system]

Dear Councillor Blackburn and Mr. Ross-Siegel,

I am writing to you as Chair and Legislative Assistant of CPED with the request to present to the committee representing Our HRM Alliance.

[Our HRM Alliance](#) is a coalition of over 60-organizations from across HRM, collaborating to build more liveable and sustainable communities in our region. The Alliance has long been involved with the Halifax Green Network Plan as well as with work on complete communities and is deeply invested in the implementation of our current priority plans during the Regional Plan review.

On behalf of Our HRM Alliance and alongside the Alliance's Chair, Kathleen Hall, we request this opportunity to present the Alliance's 7-solutions to the Committee. The Alliance believes that in the year ahead, council alongside citizens, have significant opportunities to continue investing in a healthier and more liveable region, specifically through the Regional Plan review. The 7-Solutions outline these opportunities, connecting them with federal and global context, and offering actionable steps, primarily within the review process.

I am happy to provide any additional information or context. Please do let me know if you have any questions or otherwise, what the next steps are.

Many thanks,
Meredith Baldwin
