**Item No. 7.1.1**  
**Appeals Standing Committee**  
**June 10, 2021**

**TO:** Chair and Members of Appeals Standing Committee

- ORIGINAL SIGNED -

**SUBMITTED BY:**

\_\_\_\_\_  
Conor O’Dea, Director, Building and Compliance

**DATE:** May 31, 2021

**SUBJECT:** Order to Demolish – Case #354982, 20 Humbolt Lane, Portuguese Cove

**ORIGIN**

Staff, pursuant to the *Halifax Regional Municipality Charter* (the “Charter”).

**LEGISLATIVE AUTHORITY**

Sections 355, 356 and 3(q) of the *Halifax Regional Municipality Charter*, S.N.S., 2008 C.39.

**RECOMMENDATION**

It is recommended that the Appeals Standing Committee:

Find the property to be dangerous or unsightly as per section 3(q) of the Charter and as per section 356 of the Charter, **orders demolition** of the main structure including but not limited to, the removal of all demolition debris, backfilling of any foundation or crawl space, and disconnecting any and all utility connections to the standard set by each respective utility service provider, so as to leave the property in a neat, tidy, environmentally compliant and safe condition within thirty (30) days after the Order is posted in a conspicuous place upon the property or personally served upon the owner. Otherwise, the Municipality will exercise its rights as set forth under Part XV (15) of the Charter.

## **BACKGROUND**

There have been no previous dangerous or unsightly cases at the property.

The property is zoned F-1 (Fishing Village Zone) and a review of the Hansen database system shows there are no permits issued to the property owner for this property.

This case is a result of a service request received on March 18, 2021. The complainant noted an abandoned building in collapse and an accumulation of garbage on the property. The Compliance Officer conducted a site inspection and noted an abandoned building in collapse and an accumulation of assorted debris. The Compliance Officer is managing the debris violation under a separate case.

The Compliance Officer spoke with the next of kin and were advised that the property owners are deceased. Unfortunately, a deed could not be obtained by the surviving family members and no one is maintaining the property. A review of the Hansen database records show that mail has been returned unclaimed to HRM and there is an outstanding tax bill.

The Compliance Officer is bringing this case forward to the committee to request a Demolition Order for the main structure (Case # 354982 located at 20 Humbolt Lane, Portuguese Cove).

## **CHRONOLOGY OF CASE ACTIVITIES:**

- 25-Mar-2021 The Compliance Officer conducted a site inspection at 20 Humbolt Lane, Portuguese Cove, hereinafter referred to as “the Property” (attached as Appendix B).  
The Compliance Officer noted a partially collapsed structure and posted a 14-day Notice of Violation (attached as Appendix C) to obtain a permit and demolish the structure at the property.
- 26-Mar-2021 The Compliance Officer called and spoke with a party related to the deceased property owners through marriage and advised of the Notice of Violation. The party advised that their lawyer was not able to obtain a deed on behalf of the surviving family members and they are no longer involved with the property.
- 09-Apr-2021 The Compliance Officer conducted a site inspection at the property and noted the violation still exists.
- 10-May-2021 The Compliance Officer received a copy of the Building Official’s structural integrity report (attached as Appendix D).  
The overall comments are: “Structure is beyond the state of repair.”
- 20-May-2021 The Compliance Officer posted a Notice to Appear (attached as Appendix E) at the property.

## **FINANCIAL IMPLICATIONS**

There are no financial implications if the owner complies with the Order. If the Municipality is required to complete the work, the costs will form a debt against the property which may be collected in the same manner as taxes pursuant to the Halifax Regional Municipality Charter, S.N.S., 2008, C.39.

## **RISK CONSIDERATION**

The building is a safety hazard and is to be fenced off due to its current unstable condition

**ENVIRONMENTAL IMPLICATIONS**

No environmental impact identified.

**ALTERNATIVES**

The state of the property suggests no viable alternative to the recommendation by Staff.
