ADJUDICATION PROCESS & JURY

Photo credit: River Heim, Maritime River Photography

The image features five rectangular, translucent award blocks arranged in a row, receding into the distance. Each block is decorated with a complex, overlapping geometric pattern of lines in a different color: purple, blue, green, yellow, and red. The blocks are set against a light blue background that transitions into a darker blue gradient on the right side. The word "AWARDS" is printed in white, bold, uppercase letters on the right side of the image, partially overlapping the blocks.

AWARDS

The background features a geometric design with several overlapping triangular shapes. A large white triangle points towards the right, meeting a dark blue triangle at its tip. Below this, a light blue triangle points towards the right, meeting a medium blue triangle at its tip. The word "HALIFAX" is written in white, bold, sans-serif capital letters on the dark blue background.

General Contractor:
Whitewood Carpentry

Completed In
2018

A large, rusted metal sculpture, possibly a propeller or a similar industrial object, stands in a grassy park. The sculpture is dark brown and has several curved blades. In the background, there are trees and a city skyline under a clear blue sky. The text "Thank-you!" is overlaid on the right side of the image.

Thank-you!
