DATE: July 9, 2021

SUBJECT: Year End Financial Statements & Fourth Quarter Financial Report

ORIGIN

Staff has committed to provide Council with financial reports including:

- Audited Consolidated Financial Statements, Statement of General Rate Surplus, and Trust Financial Statements in accordance with section 48(2) of the Halifax Charter;
- a report of the projected General Rate surplus/deficit by area;
- a report detailing District Capital expenditures in accordance with the District Capital Fund Policy approved by Council on July 31, 2007;
- a report detailing District Activity expenditures in accordance with the District Activity Policy approved by Council October 7, 2003;
- a report detailing Recreation Area Rate expenditures in accordance with the Recreation Area Report Policy approved by Council on May 14, 2002; and,
- a report detailing Hospitality expenses in accordance with Section 79A of the Halifax Regional Municipality Charter

LEGISLATIVE AUTHORITY

HRM Charter, section 48(2) outlines the responsibilities of the Audit Committee which include:

- 48(2)(a) – a detailed review of the financial statements of the Municipality with the Auditor;
48(2)(b) – an evaluation of internal controls systems and any management letter with the Auditor; and,
48(2)(c) – a review of the conduct and adequacy of the audit.

In addition, HRM Charter, section 46 outlines the appointment and requirements of the Municipal Auditor and the need to file the Auditor's report with Council and the Minister by September 30th in each year.

Audit Committee Terms of Reference states that the Committee is responsible for:

reviewing, in detail, the financial statements of the Municipality with the External Auditors, evaluating internal control systems and management letters with the External Auditors, and, review with management and the External Auditor and recommend to Regional Council for approval, the annual audited financial statements.

The Audit Committee, under its Terms of Reference shall “review the qualification, independence, quality of service and performance of the External Auditors annually and recommend to the Council the appointment or discharge of the External Auditors”.

HRM Charter, section 120(6) – The Municipality may maintain other reserve funds for such purposes as the Council may determine; Reserve Administrative Order 2014-015 (5) The Audit & Finance Standing Committee shall review and recommend to the Council for its consideration all impacts to the Reserves.

The attachments included are necessary for the Audit Committee and the Municipal Auditor to satisfy their responsibilities and requirements.

Halifax Regional Municipality Council approved, December 11, 2012, that all budget increases are to be presented to the Audit and Finance Standing Committee, prior to submission to Council.

Halifax Charter, section 93(1) - The Council shall make estimates of the sums that are required by the Municipality for the fiscal year; Halifax Charter, section 79A (1), subject to subsections (2) to (4), the Municipality may only spend money for municipal purposes if (a) the expenditure is included in the Municipality's operating budget or capital budget or is otherwise authorized by the Municipality; Halifax Charter, section 35(2)(d)(i) - The CAO can only authorize budgeted expenditures or within the amount determined by Council by policy; Halifax Charter, section 120(6) - The Municipality may maintain other reserve funds for such purposes as the Council may determine; Halifax Regional Municipality policy on Changes to Cost Sharing for Capital Projects - Changes requiring Council approval; and the Halifax Regional Municipality Administrative Order 2014-015 Respecting Reserve Funding Strategies - No reserve funds will be expended without the CAO's recommendation and Council approval.

RECOMMENDATION

It is recommended that the Audit Committee recommend that Halifax Regional Council approve:

- 1) The Consolidated Financial Statements of the Halifax Regional Municipality for the year ended March 31, 2021;
- 2) The Statement of General Rate Surplus of the Halifax Regional Municipality for the year ended March 31, 2021;
- 3) Transfers of \$32,923,223 as outlined below, to reduce the general rate surplus to zero:

○ Strategic Capital Reserve, Q606	\$ 10,000,000
○ Capital Fund Reserve, Q526	\$ 11,923,223
○ General Contingency Reserve, Q421	\$ 11,000,000
- 4) The financial statements of the Halifax Regional Municipality Miscellaneous Trust Funds for the year ended March 31, 2021; and,
- 5) The appointment of KPMG to be the External Auditors for the fiscal year ended March 31, 2021.
- 6) The Fourth Quarter 2020/21 Financial Report.

BACKGROUND/DISCUSSION

At March 31, 2021, HRM had a General Rate surplus of \$32.9M. Recommended transfers into reserves total \$21.9m, including \$10.0M for the Strategic Capital Reserve and an additional contribution to the Capital Fund Reserve \$11,923,223. The remaining surplus of \$11.0M is recommended to be transferred to General Contingency Reserve to bring the final general rate surplus to zero.

The Capital Fund Reserve, Q526 is governed by the Halifax Charter and is used to fund capital projects. By contributing funds to the reserve from the 2020/21 operating surplus, this will allow funding for projects. The recommended transfer of \$11.9M to the reserve will be used for future capital budgets.

The Strategic Capital Reserve, Q606, is used to provide funding for large capital projects that are strategic in nature. Contributing funds of \$10.0M to the reserve from the 2020/21 operating surplus will allow for funding of these strategic projects in the future.

Per the Provincial Financial Accounting and Reporting Manual, the surplus of a municipality is to be placed into a reserve. The General Contingency Reserve, Q421, receives any year-end surplus, and can then be used to fund operating costs, offset deficits, or fund new operating initiatives and/or capital expenditures. The amount of the surplus recommended to be transferred, after the other recommended reserve transfers, is \$11.0M.

The business units have a surplus of \$1.1M while Fiscal Services has a surplus of \$31.8M. The surplus is primarily due to Deed Transfer Taxes as a result of high-value commercial transactions and increased activity in the real estate market, while the business unit savings were largely a result of lower than budgeted compensation and benefits.

District Capital Funds:

The report of expenditures from Councillors' District Capital Funds is included as Attachment #5 and shows that \$1.6M of the \$2.3M budget has been spent or committed, leaving \$726K available to carry forward.

District Activity Funds:

The report of expenditures from Councillors' District Activity Funds is included as Attachment #6 and shows that \$64K of the \$72K budgeted has been spent.

Recreation Area Rate Accounts:

The details of the Recreation Area Rate Accounts are in Attachment #7. These Accounts began the year with a surplus of \$1.5M, \$841K in area rate revenue has been earned and \$1.1M has been spent, leaving a surplus of \$1.3M.

Hospitality Expenses Summary:

The quarterly Hospitality Expenses Summary is included as Attachment #8. For the three-month period ended March 31, 2021, there were no hospitality expenditures.

Mayor, Councillors and CAO's Expenses:

The report, included as Attachment #9, summarizes the expenses made by the municipality on behalf of or reimbursed to the Mayor, Councillor and CAO for the quarter.

Appointment of External Auditors

Under the terms of reference of the Audit Committee, the Committee is required to "review the qualifications, independence, quality of service and performance of the External Auditors annually and recommend to the Council the appointment or discharge of the External Auditors".

KPMG LLP was the successful proponent to the RFP for External Audit Services in 2018. The proposal

covered the fiscal years from 2017/18 to 2021/22. KPMG has completed the audit of the 2020/21 Consolidated Financial Statements, Miscellaneous Trust Funds, and General Rate Surplus in accordance with the requirements of the RFP.

Management's Responsibility for the Consolidated Financial Statements

The management of the Halifax Regional Municipality (the "Municipality") is responsible for the integrity, objectivity and accuracy of the financial information presented in the accompanying financial statements.

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada ("CPA"). A summary of the significant accounting policies is described in Note 1 to the consolidated financial statements.

The Municipality's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Audit Committee meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Municipality. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Municipality's consolidated financial statements.

(In thousands of dollars)

1. Significant accounting policies:

(a) Basis of presentation:

The consolidated financial statements of the Halifax Regional Municipality (the "Municipality") have been prepared by management in accordance with Canadian public sector accounting standards.

(b) Basis of consolidation:

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the Municipality. The Municipality is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Municipality and which are owned or controlled by the Municipality, except the Halifax Regional Water Commission, which is accounted for on the modified equity basis of accounting and Events East Group (Halifax Convention Centre Corporation), a corporation jointly owned and controlled between the Province of Nova Scotia and the Municipality, which is accounted for at 50% based on the proportionate consolidation basis of accounting. The entities included are as follows:

Recreation facilities:

- Canada Games Centre Society
- Centennial Pool Association
- Community Builders Inc. (Cole Harbour Place)
- Eastern Shore Recreation Commission
- Halifax 4-Pad (formerly BMO)
- Halifax Forum Community Association
- Halifax Regional Municipality Centennial Arena Commission
- RBC Centre
- Sackville Sports Stadium
- Scotiabank Centre
- St. Margaret's Community Centre Association
- Zatzman Sportsplex

Commissions, cultural and other facilities:

- Alderney Landing Facility Association
- Downtown Dartmouth Business Commission
- Downtown Halifax Business Commission
- Events East Group (Halifax Convention Centre Corporation)
- Main Street Dartmouth and Area Business Improvement Association
- MetroPark Parkade Facility
- North End Business Association
- Porters Lake Business Association
- Quinpool Road Mainstreet District Association Limited
- Sackville Business Association
- Spring Garden Area Business Association
- Spryfield & District Business Commission

Halifax Regional Library

Interdepartmental and inter-organizational transactions and balances between these entities and organizations have been eliminated.

(In thousands of dollars)

1. Significant accounting policies (continued):

- (c) Investment in the Halifax Regional Water Commission:
The Halifax Regional Water Commission (the "HRWC") is a corporate body without share capital and is accounted for using the modified equity basis of accounting; consistent with public sector accounting standards, as recommended by Public Sector Accounting Board ("PSAB") for an investment in a government business enterprise. Under the modified equity basis of accounting, the HRWC's accounting principles are not adjusted to conform to those of the Municipality and inter-organizational transactions and balances are not eliminated.
The Municipality recognizes its equity interest in the annual net income or loss of the HRWC in its consolidated statement of operations with a corresponding increase or decrease in its investment account.
- (d) Basis of accounting:
Revenues and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable and expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.
- (e) Use of estimates:
The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities, landfill liability, contaminated sites liability and in performing actuarial valuations of employee future benefits. These estimates and assumptions are based on the Municipality's best judgement and may differ significantly from actual results.
- (f) Taxation and related revenues:
Property tax billings are prepared by the Municipality based on assessment rolls issued by the Property Valuation Services Corporation. Tax rates are established annually by Council, incorporating amounts to be raised for local services and the requisition made by the Province of Nova Scotia in respect of contributions to education, corrections and housing. Taxation revenues are recorded at the time tax billings are due. Assessments and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the results of the appeal process are known. An allowance for unresolved assessment appeals is also provided.
- (g) User fees and charges:
User fees relate to transit fees, fees for various programs and fees imposed on specific activities. Revenue is recognized when the activity is performed or when the service has been rendered.
- (h) Government transfers:
Government transfers are recognized in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent that stipulations associated with the transfer give rise to a liability. If a liability is created, the satisfaction of the transfer stipulations by the recipient government determines the timing of the recognition of the transfer as revenue.
- (i) Short-term deposits and investments:
Short-term deposits and investments are recorded at cost, adjusted for amortization of premiums or discounts in accordance with the investment policies established for the Municipality. A permanent decline in value would result in a write-down to recognize the loss and be included in the statement of operations.

1. Significant accounting policies (continued):

- (j) Land held for resale:
Land held for resale is recorded at the lower of cost or net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.
- (k) Contaminated sites:
The Municipality accrues a liability to estimate the cost to remediate contaminated sites to the level necessary to allow the property to meet the environmental standard appropriate to its current use or status. The liability is based on estimates and assumptions using the best information available to management.
- (l) Deferred revenue:
Deferred revenue represents taxes, user charges and other fees that have been collected, for which the related services have yet to be performed. These amounts will be recognized as revenue in the period the services are performed.
- (m) Pension, post-employment benefits and compensated absences:
The contributions to a multi-employer, defined benefit pension plan are expensed when contributions are due. The costs of post-employment benefits are recognized when the event that obligates the Municipality occurs. Costs include projected future income payments and fees paid to independent administrators of these plans, calculated on a present value basis.
The costs of post-employment benefits and compensated absences are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation and expected absences. Liabilities are actuarially determined using discount rates that are consistent with the municipalities current cost of borrowing. Any gains or losses from changes in assumptions or experience are amortized over the estimated average remaining service life ("EARSL") for the related employee group.
- (n) Solid waste management facilities liabilities:
The Municipality accrues landfill closure and post closure care requirements that include final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions using the best information available to management.
Future events may result in significant changes to the estimated total expenses, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.
- (o) Non-financial assets:
Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.
 - i) Tangible capital assets:
Tangible capital assets are recorded at historical cost or estimated historical cost, based on appraisals or other acceptable methods where historical cost was not available, which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. The cost of normal maintenance and repairs, which do not add value to the asset or materially extend the useful life of the asset, are not capitalized. The cost, less residual value of the tangible capital assets, are amortized on a straight line basis over their estimated useful lives as follows:

1. Significant accounting policies (continued):

- (o) i) Tangible capital assets (continued):

Asset	Useful Life – Years
Land improvements	
Bridges, docks, seawalls, and wharves	50
Sports fields and skateparks	25
Playground and other land improvements	15
Trails	10
Buildings	
Structure and electrical	40
Mechanical, roof, exterior architecture, and site work	20

Dams	40
Roads and infrastructure	
Road beds	40
Road surfaces	5 - 20
Infrastructure	20 - 30
Bridges	75
Ferries	2 - 30

The useful life for landfill cells, which are included in land improvements, is based upon the capacity of each cell.

Leasehold improvements are amortized over the shorter of the term of the lease (including one renewal period, if provided for) or the useful life of the asset.

For assets with a useful life of 5 years or less, amortization will commence in the year the asset is available for use, and be recorded at 50% of the annual charge in the first and last years of the asset's useful life. For assets with a useful life greater than 5 years, amortization will commence in the year following the year the asset is put into use.

The school buildings which are owned by the Municipality but in use by the Halifax Regional Centre for Education are not recorded as tangible capital assets. No amortization is recorded by the Municipality as long as the buildings are in use by and under the control of the Halifax Regional Centre for Education.

- ii) Contributions of tangible capital assets:
Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.
- iii) Natural resources:
Natural resources that have not been purchased are not recognized as assets.
- iv) Works of art and cultural and historic assets:
Works of art and cultural and historic assets are not recorded as assets, unless used in the provision of a municipal service.
- v) Interest capitalization:
The Municipality does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

1. Significant accounting policies (continued):

- vi) Leased tangible capital assets:
Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.
- (p) Inventories of supplies:
Inventories of supplies held for consumption are recorded at the lower of cost or replacement cost.
- (q) Expenses:
Expenses are recognized in the year the events giving rise to the expenses occur and there is a legal or constructive obligation to pay.
- (r) Regional Centres for Education:
The assets, liabilities, taxation and other revenues and expenses with respect to the operations of the Halifax Regional Centre for Education and the Conseil scolaire acadien provincial are not reflected in the consolidated financial statements as they are provincial government entities.
- (s) Miscellaneous Trust Funds:
Miscellaneous Trust Funds and their related operations, administered by the Municipality, are not included in the consolidated financial statements, but are reported separately in the Miscellaneous Trust Funds financial statements.
- (t) Funds and reserves:
Certain amounts, as approved by Council, are set aside in accumulated surplus for future operating and capital purposes. Transfers to/from funds and reserves are an adjustment to the respective fund when approved.

2. Future changes in accounting policies:

The new asset retirement obligation standard is effective for fiscal years beginning on or after April 1, 2022 and earlier adoption is permitted. However, the Municipality has not early adopted the new standard in preparing these consolidated financial statements. The new standard addresses the recognition, measurement, presentation and disclosure of legal obligations associated with retirement of tangible capital assets in productive use. At the date of initial application, the standard will require the Municipality to record a liability related to future costs of any legal obligation to be incurred upon retirement of any controlled tangible capital assets. The amount of the initial liability will be added to the historical cost of the asset and amortized over its useful life.

3. Cash and cash equivalents:

9. Employee future benefits - employees' retirement pension plan:

Employees of the Municipality participate in the Halifax Regional Municipality Pension Plan (the "HRM Plan"). The HRM Plan is a multi-employer plan administered by the Halifax Regional Municipality Pension Committee (the "Committee"). There are ten employers participating in the HRM Plan including the Halifax Regional Centre for Education and Quest. The Committee is comprised of representatives from both management and unions, and is responsible for setting contribution rates for all participating employers. The HRM Plan is funded equally by participating employers and members. Accounting for the HRM Plan under the Municipality's consolidated financial statements follows rules for defined contribution pension plans.

The HRM Plan provides a lifetime benefit representing 2% of the member's highest average earnings over a period of three years times the number of years of credited service in the pension plan. Only regular earnings are recognized under the defined benefit provisions of the HRM Plan. The HRM Plan also provides defined contribution benefits, at the option of the member, on the portion of earnings that is overtime and other non-regular earnings.

The Municipality contributed to the HRM Plan an amount of \$37,669 for the period ending March 31, 2021 (2020- \$36,953). Since January 1, 2016, the Municipality and the members are each contributing 12.21% of regular earnings for members participating in the main division of the pension plan. Other contribution rates are in effect for the other divisions of the plan, and for members in public safety occupations.

The last actuarial valuation filed with regulators was at December 31, 2019. The next actuarial valuation of the HRM Plan will be required as at a date not later than December 31, 2022, with the option of filing the actuarial valuation on an annual basis, in accordance with the minimum requirements of the Nova Scotia Pension Benefits Act. The interest rate used in the last filed valuation was 6.25% per year. The following estimates as at December 31, 2020 are based on the actuarial valuation as at December 31, 2019 extrapolated to December 31, 2020 and are based on a discount rate assumption of 6.25% per annum (2019 - 6.10%).

9. Employee future benefits - employees' retirement pension plan (continued):

The main assumptions used in the actuarial valuation of the HRM Plan are as follows:

Asset rate of return:	6.25% per year
Salary increase:	3.0% per year plus merit and promotional increases
Retirement age:	40% at the earliest age at which an unreduced pension is payable, the remainder at age 65 (or age 60 for members in Public Safety Occupations)

10. Employee future benefits - retiring allowances and other future benefits:

The Municipality provides for the payment of retiring allowances to retiring employees in accordance with the terms of the various collective agreements and the Municipality's policy. The retiring allowance is based on the member's final annual salary and years of service at retirement. On the retirement of a police officer, the Municipality also provides for a lump sum payment to a health trust for the benefit of the retiring member. The amount depends on the level of the officer's sick bank at the time of retirement.

The Municipality continues to pay for its share of the contributions to the HRM Plan for members in receipt of benefits from a long-term disability plan sponsored and recognized by the Municipality.

The Municipality also provides for employee sick leave. Unused sick leave accumulates to a maximum number of hours which varies by employment agreement. Under this program, employees are not entitled to a cash payment in lieu of sick leave when they leave the Municipality's employment except as described above with respect to the retirement of a police officer.

The Municipality also pays lifetime and temporary benefits to former employees who retired from the Municipality under various early retirement programs and arrangements that were in place prior to April 1, 2004.

Actuarial valuations of the above benefits are done for accounting purposes using the projected benefit method prorated on services. The last actuarial valuation of the unused sick leave benefits was conducted as at March 31, 2021. The last actuarial valuation of the police health trust benefits was conducted as at March 31, 2020. The last actuarial valuation of the retirement allowance programs was conducted as at March 31, 2019. For all other benefits, actuarial valuations were conducted as at March 31, 2021. Key actuarial assumptions used in the valuations were based on the Municipality's best estimates.

A reconciliation of the accrued benefit obligation for these plans, along with the main assumptions used for disclosure and expense calculations are as follows:

	2021	2020
Accrued benefit obligation, beginning of year	\$ 71,774	\$ 65,632
Current period benefit cost	9,931	6,740
Benefit payments	(9,568)	(6,216)
Interest cost	1,946	2,293
Actuarial loss	10,527	3,325
Accrued benefit obligation, end of year	\$ 84,610	\$ 71,774

These other employee benefit plans require no contributions from employees. The benefit liability as at March 31, 2021 is estimated to include the following components:

	2021	2020
Accrued benefit obligation		
Retiring allowances	\$ 36,288	\$ 35,079
Sick leave	33,560	22,678

	84,610	71,774
Unamortized actuarial loss	(16,261)	(7,099)
Benefit liability	\$ 68,349	\$ 64,675

The unamortized actuarial losses will be amortized over the EARSL of the related employee groups starting in the next fiscal year. EARSL is determined separately for each benefit program.

The total expense related to other employee benefits described above includes the following components:

	2021	2020
Current period benefit cost	\$ 9,931	\$ 6,740
Amortization of actuarial loss	1,365	1,105
Other employee benefit expense	11,296	7,845

11. Solid waste management facilities liabilities:

The Nova Scotia Environmental Protection Act (the "Act") sets out the regulatory requirements for the closure and maintenance of landfill sites. Under this Act, the Municipality is required to provide for closure and post closure care of solid waste landfill sites.

The estimated liability for the care of the landfill sites is the present value of future cash flows associated with post closure costs discounted using a long-term borrowing rate of 1.66 % (2020- 2.30%) and a forecasted inflation rate of 1.09 % (2020 - 2.16%).

Otter Lake Landfill:

The Otter Lake Landfill site opened during the year ended March 31, 1999 and is expected to accept waste for another 15 years, until the fiscal year ended March 31, 2036.

The site's design consists of nine cell phases with an expected total capacity of 5,158,956 tonnes (2020 - 5,158,956 tonnes).

Post closure care activities for this site, include perpetual care and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance.

The liability was adjusted for capacity used of 100% for the closed cells. The Municipality has signed a long-term contract with a third party to operate the Otter Lake Landfill. Under the terms of the operating agreement, the third party is responsible for the capital cost to close Cell 7. The long-term post closure costs remain a liability of the Municipality.

Sackville Landfill:

The Sackville Landfill site closed during the year ended March 31, 1997. A closure plan and an environmental audit were completed in 1996. Post closure care activities for this site include perpetual care that will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance. The continuous monitoring of the site is anticipated to be ongoing.

Mengoni Landfill:

The Mengoni Landfill site closed during the year ended March 31, 2008. A closure plan and an environmental audit were completed in 2008. Post closure care activities for this site include perpetual care that is expected to occur until 2029 and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance.

A reserve has been established to fund the post closure care activities for the landfill sites described above.

(c) The Municipality has entered into several long-term contracts for waste resources operations with aggregate annual payments of approximately \$40,291 (2020 - \$38,531) for each of the next five years.

(d) Effective March 1, 2018, the Province of Nova Scotia has a 25 year lease agreement with Argyle Developments Inc. and others for a design construction agreement for the new Halifax Convention Centre (HCC). The Municipality is not a party to that lease but, under a separate agreement with the Province of Nova Scotia, has agreed to share 50% of the "Annual Base Rent". The Annual Base Rent covers the long-term financing for the facility and is \$10,760 before taxes per year. The Municipality's share is \$5,380. The Municipality has also agreed to share in 50% of the facility maintenance costs, property tax, operating costs, lifecycle costs and the annual operating deficit.

17. Contingent liabilities:

- (a) As of March 31, 2021, there are a number of legal claims against the Municipality and its consolidated entities in varying amounts and for which provisions have been made in these consolidated financial statements, as appropriate. It is not possible to determine the amounts that may ultimately be assessed against the Municipality with respect to these claims, but management believes that any such amounts would not have a material impact on the financial position of the Municipality with the exception of the following:
 - i) The Municipality has been named as a defendant in a legal action claiming damages in the amount of \$180,000. As this proceeding is at an early stage, it is not possible at this time for management to determine the likelihood of loss, or the timing of resolution of the matter. Accordingly, no provision for losses has been reflected in the accounts of the Municipality for this matter.
- (b) The Municipality is the plaintiff in various proceedings, which have arisen, in the normal course of carrying on its operations. It is not possible at this time to determine the amounts the Municipality may receive with respect to these proceedings.
- (c) In September 2014, Council approved a blanket guarantee for HRWC debt subject to HRWC maintaining a debt service ratio of 35% or less. The debt service ratio is currently 20.29% at March 31, 2021 (2020 - 18.91%). As at March 31, 2021, total outstanding debt is \$225,591 (2020 - \$220,075), with maturity dates ranging from 2021 to 2030. The Municipality is responsible for outstanding debt of \$26,000 (2020 - \$32,500) recoverable from the HRWC.

18. Financial instruments:

- (a) Fair value:

The fair value of the Municipality's financial instruments that are comprised of cash and short-term deposits, taxes receivable, accounts receivable, loans, deposits and advances and accounts payable and accrued liabilities approximate their carrying value due to their short-term nature and are measured at cost or amortized cost in the statement of financial position.

The fair value of investments is considered to be market value. The market value of investments is disclosed in note 6.

Unless otherwise noted, it is management's opinion that the Municipality is not exposed to significant interest or currency risks arising from these financial instruments.
- (b) Credit risk:

The Municipality is exposed to credit-related losses in the event of non-performance by counterparties to the financial instruments. Wherever possible, the Municipality attempts to minimize credit exposure by dealing only with credit worthy counterparties and/or obtaining sufficient security for the applicable financial instrument.

Correctional services	6,751	6,774	6,731
Total	\$ 181,762	\$ 182,641	\$ 175,932

(a) Education services

The Municipality is required to provide a mandatory contribution in the amount of \$149,608 (2020 - \$143,680) and supplementary contributions of \$14,546 (2020 - \$14,996) for the Halifax Regional Centre for Education and the Conseil scolaire acadien provincial. These contributions are recorded as expenses in educational services.

(b) Assessment services:

The Municipality is required to pay a share of the cost of operating the Property Valuation Services Corporation based on the total municipal assessment cost times the average of the Municipality's share of the Uniform Assessment and the Municipality's share of assessment accounts. This expense is included in general government services.

(c) Social housing:

The Municipality is required to pay a share of the costs of the operations of the Metropolitan Regional Housing Authority. This expense is included in general government services.

(d) Correctional services:

The Municipality is required to make a mandatory contribution to fund the cost of correctional services. The contribution is set by provincial formula and is included in protective services.

19. Budget data:

The budget data presented in these consolidated financial statements is based upon the fiscal 2020/21 operating and capital budgets approved by Council on June 9, 2020, plus the budgeted figures of the recreation, cultural and other facilities, and commissions included in the consolidated financial statements, to the extent that they could be reasonably determined. Council approved budgets are prepared on a modified cash basis which differs from budget amounts reported on the consolidated statement of operations and change in net financial assets which are prepared in accordance with Canadian public sector accounting standards.

The accounting standards in Handbook Section PSAS 3150 Tangible Capital Assets have not been adopted for budget preparation purposes. The fiscal 2020/21 Council approved budgets have been modified to reflect these adjustments.

The chart below reconciles the approved budgets to the budget figures reported in these consolidated financial statements.

21. Segmented information:

The Municipality is a diversified municipal government institution that provides a wide range of services to its citizens, including fire, police, public transit, roads, waste and recycling services, water supply and distribution, wastewater treatment, libraries, and recreation and cultural services.

Segmented information has been prepared by major functional classification of activities provided, consistent with the Consolidated Statement of Operations and provincially legislated requirements.

The major segments are as follows:

General government services: Activities that provide for the overall operation of the Municipality and that are common to, or affect all of, the services provided by the Municipality. This includes the activities of the Mayor and Council, the estimated contaminated sites liability and the following administrative activities: human resources, diversity, inclusion, legal, municipal clerk, external services; office of the Auditor General, finance, asset management, information, communications, technology, and the office of the Chief Administrative Officer.

21. Segmented information (continued):

Protective services: Activities that provide for the public safety of the inhabitants of the Municipality. This includes police and fire protection and other protective services such as by-law enforcement and protective inspections.

Transportation services: Activities related to public transportation including road transport. This includes public transportation services offered throughout the Municipality using buses, ferries and specialized Access-A-Bus vehicles. Other transportation activities include the planning, development and maintenance of roads, traffic operations, parking, snow and ice control and street lighting.

Environmental services: Activities that provide environmentally regulated services. This includes the collection of garbage and other waste material, the maintenance and operation of sanitary landfill sites and solid waste landfill closure and post closure costs allocated to the current year. Water supply and distribution and wastewater treatment costs are not included in this line, except for costs funded by agreements between the Municipality and other governments. Water supply and distribution and wastewater treatment costs are accounted for by the HRWC. The investment in the HRWC is consolidated on the modified equity basis of accounting, as discussed in note 1.

Recreation and cultural services: Activities related to the Municipality's recreation facilities, including swimming pools, skating rinks and arenas, beaches, parks, playgrounds and sports fields. Activities that provide for cultural facilities such as the library and related programs.

Planning and development services: Activities that support and control the Municipality's physical and economic development. This includes activities related to land use planning, zoning and development, activities related to the development of industrial parks, promotion of tourism and activities that enhance local economic development.

Educational services: Activities that provide for the funding of both mandatory and supplementary contributions for the Halifax Regional Centre for Education and Conseil scolaire acadien provincial.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1.

For additional information, see the Consolidated Schedules of Segment Disclosure (see pages 32 and 33).

HALIFAX REGIONAL MUNICIPALITY

Notes to Statement of General Rate Surplus

Year ended March 31, 2021
(In thousands of dollars)

1. Basis of accounting:

This financial information has been prepared to conform in all material respects to the accounting principles prescribed pursuant to Section 451 of the Municipal Government Act Nova Scotia (“MGA”) by The Department of Municipal Affairs and Housing and adheres to their Financial Reporting and Accounting Manual (“FRAM”) and is intended for the use of Members of Council of the Halifax Regional Municipality (“the Municipality”).

This statement is the net actual result of revenue and expenses of the Municipality’s Operating Fund, to the extent that those revenues and expenses are included in the calculation of the Municipality’s estimate of required sums as determined under Section 93 of the Halifax Regional Municipality Charter, the basis for the general tax rate. As per FRAM Section 3(1)(a)(iv)D Operating Reserve Fund, if the Municipality’s operating fund statement of operations results in a surplus, the surplus shall be transferred to the operating reserve.

2. Significant accounting policies:

Revenue and expenses included in the determination of the general rate surplus are recorded on an accrual basis except as noted below:

- a) Interest expense is recorded on a cash basis;
- b) Debt principal repayments are deducted as an expense;
- c) Inter-fund transfers are included in the financial results of the Operating Fund;
- d) Transfers from the Operating Fund to purchase or construct tangible capital assets are deducted as an expense; and,
- e) Amortization of tangible capital assets, changes in the value of the liability for employee sick leave and the liability for contaminated sites no longer in active or productive use are not included in the determination of the general rate surplus.

HALIFAX REGIONAL MUNICIPALITY

MISCELLANEOUS TRUST FUNDS

Notes to Financial Statements

Year End March 31, 2021

The Halifax Regional Municipality has a number of trust funds as identified in the Schedule of Funds Equity. The trust funds are in place to fund the operation, maintenance and facilities of the identified beneficiary. The trust funds have a variety of restrictions that specify the purpose for which the funds can be used.

1. Significant accounting policies:

(a) Basics of accounting:

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

(b) Revenue recognition:

Investment income earned in the miscellaneous trust funds is recognized in the fund in which the interest bearing investment is held.

Tax sales revenue is recognized when received, generally being the date the property is sold.

Capital contributions related to various services fees are recognized as revenue in the period received.

(c) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the year. Actual results could differ from those estimates.

2. Investments:

	2021	2020
Shares, cost	\$ 6,410	\$ 6,410
Shares, market value	\$ 451,665	\$ 286,514

The market value shown for investments represents the estimated value of the shares as at March 31, 2021. Shares are valued at the year end quoted market prices.

Executive summary

Purpose of this report¹

The purpose of this Audit Findings Report is to assist you, as a member of the audit committee, in your review of the results of our audit of the consolidated financial statements as at and for the year ended March 31, 2021. This Audit Findings Report builds on the Audit Plan we presented to the audit committee.

Changes from the Audit Plan

There have been no significant changes regarding our audit from the Audit Planning Report previously presented to you.

COVID-19

COVID-19 has impacted the Municipality's operations and the Municipality's financial reporting. There have been no significant changes regarding the financial reporting considerations noted in the Audit Planning Report previously presented.

Finalizing the Audit

As of July 9, 2021, we have completed the audit of the consolidated financial statements, with the exception of certain remaining procedures, which include:

- Completing our quality review procedures
- Obtaining requested support and completing related audit procedures
- Completing our review of the consolidated financial statements
- Completing our discussions with the audit committee
- Obtaining management's signed representation letter
- Obtaining evidence of the Council's approval of the financial statements

We will update the audit committee, and not solely the Chair, on significant matters, if any, arising from the completion of the audit, including the completion of the above

procedures. Our auditors' report will be dated upon the completion of any remaining procedures.

Independence

We have included a copy of our annual independence letter, which notes that we are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada.

Significant accounting policies and practices

There have been no initial selections of, or changes to, significant accounting policies and practices to bring to your attention.

Control deficiencies

We did not identify any control deficiencies that we determined to be significant deficiencies in internal control over financial reporting.

Uncorrected differences

At this time, we have not identified any differences that remain uncorrected. We will provide an update once our procedures are complete if any are identified

¹ This Audit Findings Report should not be used for any other purpose or by anyone other than the audit committee. KPMG shall have no responsibility or liability for loss or damages or claims, if any, to or by any third party as this Audit Findings Report has not been prepared for, and is not intended for, and should not be used by, any third party or for any other purpose.

Audit risks and results

As discussed with you in the Audit Plan, we have not identified any significant financial reporting risks. The presumed risk of fraud from revenue recognition has been rebutted, as key decisions such as tax rates and service fees are based on guidance in the Nova Scotia Municipal Government Act. There are no incentives or bias to report higher or lower revenue.

Professional requirements

Fraud risk from management override of controls.

Why is it significant?

This is a presumed fraud risk. We have not identified any specific additional risks of management override relating to this audit.

Our response and significant findings

- A listing of all journal entries was obtained using KPMG's KAAP tool. This listing was reconciled for completeness and key journal entry attributes used in our identification of high risk journal entries were tested for accuracy and appropriateness. High risk criteria based on journal entry attributes were used to identify the potential existence of an override of controls and these entries were selected for further investigation. Support for the journal entries was obtained to assist in the evaluation of this fraud risk.
- No issues have been identified with respect to the risk of management's override of controls.

Audit risks and results

Significant findings from the audit regarding other areas of focus are as follows:

Other area of focus	Why are we focusing here?
Taxation Revenues	Most significant source of revenue to fund annual operations and capital expenditures.
Capital Assets	Capital assets represent approximately 75% of HRM's total assets and HRM is engaged in significant capital projects annually.
User fees and charges	Significant source of revenue for the HRM, representing approximately 7% of total annual revenue.
Conditional Government Transfers	COVID-19 related conditional funding from the Provincial Government to offset deficits to resulting from COVID. The amount received is material to the financial statements.

Our response and significant findings

Taxations revenues:

- We confirmed property tax valuations with Property Valuation Services Corporation and reconciled to HRM's records. We completed a substantive analytical procedure predicting the property tax revenue based on the confirmed values and approved property tax rates.

Capital Assets:

- For a sample of capital asset transactions, we obtained evidence of the existence and accuracy of the amounts recorded. We reviewed repair and maintenance expenses to identify any capital assets that may have been expensed in error, confirming completeness.

User fees and charges:

- We completed substantive analytical procedures over user fees and charges.

Conditional Government Transfers

- We reviewed the Safe Restart Funding report submitted to the Halifax Regional Council and verified that the funding was appropriately recorded in accordance with the accounting framework.

No audit misstatements were identified in the areas listed above.

Audit risks and results

Other area of focus	Why are we focusing here?
Payroll expenditures	Payroll is a significant expense across all functions, representing approximately 40% of total annual expenses.
Routine expenses	Procurement is a significant function of the HRM supporting all functions.
Treasury	Cash and borrowings are significant to the financial position of the HRM.
Investment in Halifax Regional Water Commission	Significant component measured using the modified equity accounting model

Our response and significant findings

Payroll expenditures:

- We tested the design, implementation and operating effectiveness of controls over payroll processes, including hiring, terminations, periodic wage increase and periodic payroll processing. We obtained information outlining the levels of employment and completed testing to ensure the accuracy of information. We completed substantive analytical procedures to predict payroll and related benefit expenditures.

Routine expenses:

- We considered information obtained from KPMG's KAAP routines over procurement and expenses. We completed substantive analytical procedures related to routine expenditures.

Treasury:

- We confirmed cash and long-term debt balances and agreed the amounts to the records of the HRM.

Investment in Halifax Regional Water Commission:

- We corresponded with the component auditor of the Halifax Regional Water Commission, providing direction in their audit of transactions that give rise to a change in investment in Halifax Regional Water Commission. We have completed a review of the audit procedures performed by the component auditor.

No audit misstatements were identified in the areas listed above to date.

Technology in the audit

As previously communicated in our Audit Planning Report, we have utilized technology to enhance the quality and effectiveness of the audit.

Areas of the audit where Technology and D&A routines were used

Tool	Our results and insights
KPMG Automated Audit Procedures (KAAP)	Used KAAP to extract transactional level data from SAP for use in our understanding of the processing of information related to purchases, SAP access rights related to procurement and journal entry analysis.
Journal Entry Analysis	Used journal entry analysis to identify journal entries with high risk criteria as determined in the assessment of management override.
Data & Analytics (D&A) Routines	Used D&A routine to analyze tangible capital property movements and summarized information used in substantive test of detail procedures.

Financial statement presentation and disclosure

The presentation and disclosure of the financial statements are, in all material respects, in accordance with the Entity's relevant financial reporting framework. Misstatements, including omissions, if any, related to disclosure or presentation items are in the management representation letter.

We also highlight the following:

Form, arrangement, and content of the financial statements	Adequate.
Application of accounting pronouncements issued but not yet effective	No concerns at this time regarding future implementation. Standard related to Asset Retirement Obligations and Financial Instruments are effective for the year beginning April 1, 2022.

Uncorrected differences and Corrected Adjustments

Differences and adjustments include disclosure differences and adjustments.

Professional standards require that we request of management and the audit committee that all identified differences be corrected. We have already made this request of management.

Uncorrected differences

At this time, we have not identified any differences that remain uncorrected.

Corrected adjustments

At this time, we have not identified any adjustments that were communicated to management and subsequently corrected in the financial statements.

We will provide an update once our procedures are complete if any uncorrected differences or corrected adjustments are identified.

Matters pertaining to independence

At the completion of our audit, we will provide our independence letter to the audit committee.

Appendix 2: Audit Quality

Quality essentially means doing the right thing and remains our highest priority. Our **Global Quality Framework** outlines how we deliver quality and how every partner and staff member contributes to its delivery.

'**Perform quality engagements**' sits at the core along with our commitment to continually monitor and remediate to fulfil on our quality drivers.

Our **quality value drivers** are the cornerstones to our approach underpinned by the **supporting drivers** and give clear direction to encourage the right behaviours in delivering audit quality.

We define 'audit quality' as being the outcome when:

- audits are **executed consistently**, in line with the requirements and intent of **applicable professional standards** within a strong **system of quality controls**; and
- all of our related activities are undertaken in an environment of the utmost level of **objectivity, independence, ethics, and integrity**.

Doing the right thing. Always.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Councillors of the Halifax Regional Municipality

Opinion

We have audited the consolidated financial statements of Halifax Regional Municipality (the Entity), which comprise:

- the consolidated statement of financial position as at March 31, 2021
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of change in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at March 31, 2021, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

Appendix 4: Draft Management Representation Letter

KPMG LLP
Purdy's Wharf Tower One
1959 Upper Water Street, Suite 1000
Halifax, NS B3J 3N2 Canada

July X, 2021

We are writing at your request to confirm our understanding that your audit was for the purpose of expressing an opinion on the consolidated financial statements (hereinafter referred to as "financial statements") of Halifax Regional Municipality ("the Entity") as at and for the period ended March 31, 2021.

General:

We confirm that the representations we make in this letter are in accordance with the definitions as set out in [Attachment I](#) to this letter.

We also confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Responsibilities:

- 1) We have fulfilled our responsibilities, as set out in the terms of the engagement letter dated February 6, 2018, including for:
 - a) the preparation and fair presentation of the financial statements and believe that these financial statements have been prepared and present fairly in accordance with the relevant financial reporting framework.
 - b) providing you with all information of which we are aware that is relevant to the preparation of the financial statements ("relevant information"), such as financial records, documentation and other matters, including:
 - the names of all related parties and information regarding all relationships and transactions with related parties;
 - the complete minutes of meetings, or summaries of actions of recent meetings for which minutes have not yet been prepared, of shareholders, board of directors and committees of the board of directors that may affect the financial statements. All significant actions are included in such summaries.
 - c) providing you with unrestricted access to such relevant information.
 - d) providing you with complete responses to all enquiries made by you during the engagement.

- e) providing you with additional information that you may request from us for the purpose of the engagement.
- f) providing you with unrestricted access to persons within the Entity from whom you determined it necessary to obtain audit evidence.
- g) such internal control as we determined is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. We also acknowledge and understand that we are responsible for the design, implementation and maintenance of internal control to prevent and detect fraud.
- h) ensuring that all transactions have been recorded in the accounting records and are reflected in the financial statements.
- i) ensuring that internal auditors providing direct assistance to you, if any, were instructed to follow your instructions and that we, and others within the entity, did not intervene in the work the internal auditors performed for you.

Internal control over financial reporting:

- 2) We have communicated to you all deficiencies in the design and implementation or maintenance of internal control over financial reporting of which we are aware.

Fraud & non-compliance with laws and regulations:

- 3) We have disclosed to you:
 - a) the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 - b) all information in relation to fraud or suspected fraud that we are aware of that involves:
 - management;
 - employees who have significant roles in internal control over financial reporting; or
 - otherswhere such fraud or suspected fraud could have a material effect on the financial statements.
 - c) all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements, communicated by employees, former employees, analysts, regulators, or others.
 - d) all known instances of non-compliance or suspected non-compliance with laws and regulations, including all aspects of contractual agreements, whose effects should be considered when preparing financial statements.
 - e) all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

Subsequent events:

- 4) All events subsequent to the date of the financial statements and for which the relevant financial reporting framework requires adjustment or disclosure in the financial statements have been adjusted or disclosed.

Related parties:

- 5) We have disclosed to you the identity of the Entity's related parties.
- 6) We have disclosed to you all the related party relationships and transactions/balances of which we are aware.
- 7) All related party relationships and transactions/balances have been appropriately accounted for and disclosed in accordance with the relevant financial reporting framework.

Estimates:

- 8) The methods, the data and the significant assumptions used in making accounting estimates, and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of the applicable financial reporting framework.

Going concern:

- 9) We have provided you with all information relevant to the use of the going concern assumption in the financial statements.

Non-SEC registrants or non-reporting issuers:

- 10) We confirm that the Entity is not a Canadian reporting issuer (as defined under any applicable Canadian securities act) and is not a United States Securities and Exchange Commission ("SEC") Issuer (as defined by the Sarbanes-Oxley Act of 2002).

Assets & liabilities – general:

- 11) The Entity has satisfactory title to all assets.
- 12) There are no liens or encumbrances on the Entity's assets.
- 13) We have no plans to intentions that may affect the carrying amount or classification of assets and liabilities.

Contractual agreements:

- 14) The Entity has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of non-compliance including violations or default of the covenants in the Entity's debt agreement.

Environmental matters:

- 15) The Entity has appropriately recognized, measured and disclosed environmental matters in the financial statements, including estimated closure costs related to landfills.

Employee future benefits:

- 16) The employee future benefit costs, assets and obligations, if any, have been determined, accounted for and disclosed in accordance with the financial reporting framework.
- 17) The employee future benefit costs, assets and obligations have been determined, accounted for and disclosed in accordance with PSAS 3250 and 3255. In particular:
 - i) each actuarial assumption used reflects management's best estimate solely with respect to that individual assumption, determined on a basis that the plan will continue to be in effect in the absence of evidence to the contrary;
 - ii) the set of actuarial assumptions for each plan are individually consistent;
 - iii) the discount rate used to determine the accrued benefit obligation for each plan was determined by reference to market interest rates at the measurement date on high-quality debt instruments with cash flows that match the timing and amount of expected benefit payments; or inherent in the amount at which the accrued benefit obligation could be settled.

Experts/Specialists:

- 18) The information provided by us to Eckler and Robertson Eadie & Associates and used in the work and findings of the experts are complete and accurate. We agree with the findings of the experts in evaluating the employee future benefits disclosure and have adequately considered the qualifications of the experts in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give or cause any instructions to be given to the experts with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matter that have had an impact on the independence and objectivity of the experts.

Contingent liabilities:

- 19) The Entity is subject to a number of legal matters including lawsuits and complaints that could result in a future settlement. We have provided you with a complete listing of all identified matters with an estimated or potential settlement of greater than \$100,000 if the Entity is considered at fault or decides to settle the matter. All material matters, individually and in aggregate, have been considered under the accounting framework and where significant have been measured and/or disclosed in the financial statements.

Yours very truly,

Jacques Dubé, Chief Administrative Officer

Jerry Blackwood, Chief Financial Officer

Attachment I – Definitions

Materiality

Certain representations in this letter are described as being limited to matters that are material.

Information is material if omitting, misstating or obscuring it could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Judgments about materiality are made in light of surrounding circumstances, and are affected by perception of the needs of, or the characteristics of, the users of the financial statements and, the size or nature of a misstatement, or a combination of both while also considering the entity's own circumstances.

Fraud & error

Fraudulent financial reporting involves intentional misstatements including omissions of amounts or disclosures in financial statements to deceive financial statement users.

Misappropriation of assets involves the theft of an entity's assets. It is often accompanied by false or misleading records or documents in order to conceal the fact that the assets are missing or have been pledged without proper authorization.

An error is an unintentional misstatement in financial statements, including the omission of an amount or a disclosure.

Related parties

In accordance with Canadian Public Sector Accounting Standards (PSAS) related party is defined as:

- when one party has the ability to exercise, directly or indirectly, control, joint control or significant influence over the other. Two or more parties are related when they are subject to common control, joint control or common significant influence. Related parties also include management and immediate family members.

In accordance with Canadian Public Sector Accounting Standards (PSAS) a related party transaction is defined as:

- a transfer of economic resources or obligations between related parties, or the provision of services by one party to a related party, regardless of whether any consideration is exchanged. The parties to the transaction are related prior to the transaction. When the relationship arises as a result of the transaction, the transaction is not one between related parties.
