Date of Council Meeting: January 11, 2022		
Subject: 1608 Hammonds Plains Road		
Motion for Council to Consider: THAT Halifax Regional Council direct the Chief Administrative Officer to provide a staff report examining the potential for including 1608 Hammonds Plains Road in the registry of heritage properties for Halifax Regional Municipality. The report should be referred to the Heritage Advisory Committee for evaluation.		
Reason: The property located at 1608 Hammonds Plains Road has significant heritage value for the community of Hammonds Plains. It was originally built in 1842, destroyed by fire in 1888, and rebuilt in 1890. The physical structure of the little church on the road's edge has changed very little over its 132 years though its surroundings have greatly changed. Given the architecture and history of the little church, it warrants consideration as a municipal heritage property.		
Outcome Sought: Staff report on the potential for including 1608 Hammonds Plains Road in the registry of heritage properties for Halifax Regional Municipality.
