Subject: [External Email] Halifax Regional Police Budget

[This email has been received from an external person or system]

Hello, to whom it may concern,

My name is Collins Ellison, and I would like to participate in the the police board meeting regarding the proposed budget increase for the Halifax Regional Police (HRP).

I am a long time resident of the Halifax Regional Municipality, and I would like to inquire as to what services may be provided through increasing the HRP budget.

As I am aware, there are no specialized units that investigate alleged criminal offences involving persons with diagnosed mental health conditions, and I would like to give my perspective on what I feel should be done with any proposed budget increase.

Thanks,

Collins Ellison
Resident of the Halifax Regional Municipality
