MEMORANDUM

TO: Chair and Members of Transportation Standing Committee
FROM: Hugh Millward, Chair of Active Transportation Advisory Committee
DATE: March 18, 2022
SUBJECT: **Update of Active Transportation Advisory Committee's Activities**

Dear Chair and Members of Transportation Standing Committee.

Included is a summary of matters discussed at the Active Transportation Advisory Committee's (ATAC) March 17, 2022 meeting for your information.

Updates

The Committee received updates on active transportation projects and plans as follows:

- Requests for Proposals are out for education and promotion for bicycle skills training.
- There is a survey on the Shape Your City site with respect to wayfinding signs on trails.
- Public engagement for various projects is being conducted over the next few months.
- There have been budget talks with respect to expanding the sidewalk program.
- Discussions are happening with respect to emergency response on trails and how to best identify the location of an individual needing help.

Correspondence

The Committee received correspondence from ATAC member Peter Zimmer respecting proposed changes to the ATAC's Terms of Reference but deferred discussion to their April 21, 2022 meeting.

Presentation

The Committee received a staff presentation on HRM Accessible Design Considerations within the Right-of-Way.

Presentation Request

The Committee asked staff to provide a presentation on the Lower Water Street redevelopment project at a future meeting.
