## RECOMMENDATION

It is recommended that the Audit and Finance Standing Committee recommend that Halifax Regional Council:

1. Adopt the amendments to Administrative Order 10, the *Partial Tax Exemption Administrative Order*, as set out in Attachment 2 to this report; and
2. Adopt By-law T-706, amending By-law T-700, the *Tax Deferral By-law*, as set out in Attachment 4 to this report.

## BACKGROUND

In 2006, HRM's low-income property tax rebate program and the property tax deferral program were reviewed and updated. These two programs are set out in policy in AO 10, the Partial Tax Exemption Administrative Order, and in By-law T-700, the Tax Deferral By-law. In 2008, Halifax Regional Council approved the addition of a set of formulas to Administrative Order 10 to automatically "index" the eligible income threshold and the maximum tax exemption level annually. The Tax Deferral By-Law incorporates the same income threshold as AO 10, so both increase by the same amount at the same time.

For the 2022/23 fiscal year, Budget Committee is considering a 4.6% increase in the average tax bill – equal to \$94 on the average single-family home – the largest yearly tax increase in more than a decade. Given the current inequalities in economic conditions, HRM staff have recommended that low-income homeowners be shielded from this increase by an offsetting increase in property tax exemptions provided by HRM's Affordable Access Program. In addition, raising the income eligibility threshold to a Living Wage supports HRM's Social Policy goal of enhancing equity and inclusion.

## DISCUSSION

### **Proposed Low-Income Tax Exemption Program Changes**

#### Increasing the Income Eligibility Threshold to a Living Wage

Subsection 4.2(b) of Administrative Order 10 and Section 3.1A of By-law T-700 sets the income eligibility threshold equal to the (most recently published) Statistics Canada Low-Income Cut-Off for a three-person household. Based on the current indexing policy, the threshold would be \$36,000<sup>1</sup> in 2022/23, an increase of \$1,000 from the current year. Staff is recommending that the formula in Administrative Order 10 and By-law T-700 be amended to reflect the Low-Income Cut-Off for a four-person household, **increasing the income eligibility threshold to \$43,000<sup>2</sup>** in 2022/23. This would exceed the 2021 living wage for Halifax.

According to the *Living Wages in Nova Scotia 2021* report from the Canadian Centre for Policy Alternatives (November 2021), the living wage for Halifax in 2021 is \$40,100.

**TABLE 1** 2021 Living Wages, Nova Scotia Regions

Individual 2021	Annapolis Valley	Cape Breton	Halifax	Northern	Southern
Hourly Living Wage	\$21.30	\$18.45	\$22.05	\$19.20	\$21.03
Annual Employment Income (gross)	\$38,766.00	\$33,579.00	\$40,131.00	\$34,944.00	\$38,274.60

<https://www.policyalternatives.ca/sites/default/files/uploads/publications/Nova%20Scotia%20Office/2021/11/NS%20Living%20Wage%202021%20v3.pdf>

By increasing the income threshold from \$36,000 to \$43,000, the program is expected to expand to serve nearly 40% more low-income households.

*[Notes: 1. LICO for 3-person household, community with population 100,000 to 499,999 (2020, latest available) = \$35,087 rounded up to nearest \$1,000 = \$36,000.  
2. LICO for 4-person household, community with population 100,000 to 499,999 (2020, latest available) = \$42,600 rounded up to nearest \$1,000 = \$43,000.]*

**Increasing the Maximum Tax Exemption**

Although increasing the income threshold will expand the number of residents eligible to participate in the tax exemption program, it will not provide additional relief to those with household incomes under \$36,000. To accomplish this, the proposed amendments will **increase the maximum tax exemption from \$1,050 to \$1,200.**

The program has a sliding scale of tax exemptions based on two factors – the homeowner’s household income and total tax bill. With the current indexing the 2022/23 tax exemption table would be:

<b>Household Income Range</b>		from	\$0	\$23,001	\$26,251	\$29,501	\$32,751
		to	<b>\$23,000</b>	\$26,250	\$29,500	\$32,750	<b>\$36,000</b>
<b>Property Tax Bill</b>		<b>Property Tax Exemption Amount</b>					
from	to		<i>100%</i>	<i>80%</i>	<i>60%</i>	<i>40%</i>	<i>20%</i>
n/a	\$1,900		\$850	\$680	\$510	\$340	\$170
\$1,901	<b>\$2,900</b>		<b>\$950</b>	\$760	\$570	\$380	\$190
\$2,901	n/a		\$1,050	\$840	\$630	\$420	\$210
<i>1% Min. Tax</i>			\$120	\$250	\$280	\$310	\$340

The maximum tax exemption threshold is set based on the average HRM tax bill in the prior year. In 2021/22, the average single-family home tax bill was \$2,900. Based on the formula in AO 10, one third of the average tax bill becomes the maximum tax exemption for those with tax bills between \$1,901 and \$2,900. The program’s maximum tax exemption of \$1,050 would be available to those with property tax bills above \$2,900 and household incomes at or below \$23,000.

Instead, the maximum tax exemption will be increased, by changing the formula in subsection 4.4(a) of the Administrative Order from one third to 37.5 percent of the average tax bill. That change, combined with the increase in income eligibility, would create a revised tax exemption table for the program:

<b>Household Income Range</b>		from	\$0	\$29,001	\$32,501	\$36,001	\$39,501
		to	<b>\$29,000</b>	\$32,500	\$36,000	\$39,500	<b>\$43,000</b>
<b>Property Tax Bill</b>		<b>Property Tax Exemption Amount</b>					
from	to		<i>100%</i>	<i>80%</i>	<i>60%</i>	<i>40%</i>	<i>20%</i>
n/a	\$1,900		\$1,000	\$800	\$600	\$400	\$200
\$1,901	<b>\$2,900</b>		<b>\$1,100</b>	\$880	\$660	\$440	\$220
\$2,901	n/a		\$1,200	\$960	\$720	\$480	\$240
<i>1% Min. Tax</i>			\$150	\$310	\$340	\$380	\$410

In the table above, the lowest income range is also expanded from “\$0 to \$23,000” to “\$0 to \$29,000.” This requires a revision to the formula in subsection 4.2(a) of Administrative Order 10. The three proposed changes to Administrative Order 10 are shown in Attachment 1.

The impact of these changes is that the average rebate for the roughly 1,600 homeowners currently in the program is estimated to increase from \$641 to \$886, an increase of \$245 or 38%. In addition, 600 new households are expected to be added to the program, with an estimated average rebate of \$323.

Income Range		Current AO	Proposed AO	Change (\$ and %)	
Up to	\$5,000	\$937	\$1,067	\$131	14%
\$5,001	\$10,000	\$824	\$926	\$103	12%
\$10,001	\$15,000	\$808	\$906	\$99	12%
\$15,001	\$20,000	\$849	\$949	\$101	12%
\$20,001	\$25,000	\$772	\$934	\$162	21%
\$25,001	\$30,000	\$569	\$959	\$390	69%
\$30,001	\$36,000	\$259	\$685	\$426	164%
\$36,001	\$43,000	\$0	\$323	\$323	n/a
<b>Avg Program Rebate</b>		<b>\$641</b>	<b>\$733</b>	<b>\$92</b>	<b>14%</b>

The Partial Tax Exemption Administrative Order, as amended, will continue to “index” in future years with the revised reference points. So, the income eligibility threshold and the maximum tax exemption will gradually increase in future years without further amendment to the Administrative Order.

During the upcoming 2022/23 fiscal year, HRM staff will undertake further research on the program on possible additional changes linking the program to the Federal GST Credit and/or Child Benefit. The objective would be to streamline its administration while providing some measure of relief for families according to the number of children, and single-parents or disabled status.

**FINANCIAL IMPLICATIONS**

As a result of the proposed changes, the Property Tax Exemption Program is expected to see a 40% increase in applications and a 16% increase in the average tax rebate provided. The revised program is estimated to require annual funding of approximately \$1,700,000. This is included in the proposed 2022/23 Fiscal Business Unit operating budget.

This may lead to increases in income eligibility thresholds for other HRM Affordable Access programs, such as the low-income Transit Pass Program, which has proposed 2022/23 operating budget funding of \$470,000. Given the relatively low program participation at this time, the current funding should be adequate for the Affordable Access Transit Pass Program in 2022/23, even if the income eligibility threshold were increased.

**RISK CONSIDERATION**

There will need to be clear coordination with other Affordable Access programs and the Seniors Snow Removal program to make clear the impact of the change to the Property Tax Exemption Program, to avoid confusion to participants in other HRM programs.

**COMMUNITY ENGAGEMENT**

No community consultation has taken place. Current participants in the Affordable Access Property Tax program will be advised of the changes with the information package that is sent out to prior year applicants in June. HRM standard and social media releases and website updates will distribute information to the broader community.

**ENVIRONMENTAL IMPLICATIONS**

No environmental implications.

**ALTERNATIVES**

The Audit and Finance Standing Committee may refuse to recommend the amendments to Administrative Order 10 as set out in Attachment 2 to this report, or the amendments to By-law T-700, as set out in Attachment 4 to this report.

### **3.0 ELIGIBILITY FOR PARTIAL TAX EXEMPTIONS**

**3.1** An application for a partial exemption from the payment of real property taxes rated upon residential property within the Municipality may be made in writing in the prescribed form to the Treasurer of the Municipality.

**3.2** The applicant must be an assessed owner of the residential property and occupy a structure on the property as the applicant’s principal residence.

**3.3** If application is made on behalf of an applicant by a trustee, guardian or executor, or other legal representative, proof of such legal agent status shall be filed with the application.

**3.4** Applications for a low-income exemption shall include proof of income from the prior year from Canada Customs and Revenue Agency, and in respect of self-employment income both the Canada Customs and Revenue Agency business statement and personal income tax statement, for all persons eighteen years of age or older occupying the property as their principal residence.

**3.6** An applicant for a low-income exemption may be deemed to occupy a residential property as a principal residence, for up to twelve (12) months, while temporarily displaced due to fire damage. An applicant who wishes to remain eligible beyond this period, on the basis of a delay in re-construction due to financial hardship or insurance settlement delays, may make a request in writing with supporting materials to the Treasurer of the Municipality.

**3.7** A property tax exemption will not be granted in respect of a second home, cottage or a rental unit of the applicant or a residential unit used solely to run a business.

### **4.0 DETERMINATION OF EXEMPTION FOR LOW-INCOME HOUSEHOLDS**

**4.1** Partial real property tax exemptions in respect of a residential property shall be allowed if the total income of all persons eighteen years of age or older occupying the property as their principal residence falls within the thresholds established pursuant this section.

#### **Income Ranges**

**4.2** The maximum exemption shall vary according to the household income of the applicant in the prior year based upon the following formula:

(a) The lowest income range shall extend from \$0 to the annual Statistics Canada low income cut-off for a ~~single-person~~ **two-person** household. This figure will be rounded up to the nearest \$1,000 and shall be based on the population of the entire HRM region.

(b) The program income eligibility threshold shall be established using the annual Statistics Canada low income cut-off for a ~~three-person~~ **four-person** household, rounded up to the

nearest \$1,000, based upon the population of the entire HRM region.

(c) Between the lowest income range and the eligibility threshold, the income ranges shall increase in equal increments.

### **Tax Brackets**

**4.3** The maximum exemption shall vary according to the amount of tax payable by the applicant in the current year. Three property tax brackets shall be determined, based upon:

(a) The upper value of the middle property tax bracket shall be equal to the average residential tax payable across HRM in the prior year on a property with a single dwelling, rounded up to the nearest \$100.

(b) The upper value of the lower property tax bracket shall be set \$1,000 lower than the upper value of the middle property tax bracket.

### **Maximum Exemption Levels**

**4.4** (a) The reference rebate, used to calculate maximum exemption values by income range and amount of property tax payable, shall be equal to ~~one-third~~ 37.5 percent of the average residential tax payable across HRM in the prior year on a property with a single dwelling, rounded to the nearest \$50.

(b) The maximum exemption for those in the middle property tax bracket and the lowest income range shall be equal to the reference rebate.

(c) The maximum exemption at the lower property tax bracket and the lowest income range shall be \$100 lower than the reference rebate.

(d) The maximum exemption at the higher property tax bracket and the lowest income range shall be \$100 higher than the reference rebate.

(e) Within each property tax bracket, the maximum exemption values shall decrease, as income increases, in decrements equal to the maximum exemption at the highest income range.

## **5.0 DETERMINATION OF EXEMPTION FOR HOMES DESTROYED BY FIRE**

**5.1** Upon receipt of an acceptable fire damage tax exemption application, the municipal Clerk shall request the Director of Assessment to have the property reassessed to reflect the condition of the property following the fire. If reconstruction work has been done prior to the time of reassessment, the estimated assessment value for this program shall be based on the property condition prior to the reconstruction work.

**5.2** (a) The revised assessment shall be used for taxation, pro-rated for the period commencing from the date of the fire to the end of the fiscal year.

(b) Notwithstanding subsection 5.2 (a), if the fire occurs between the assessment State Date (December 1<sup>st</sup>) and the end of the fiscal year, the revised assessment shall be used for taxation, prorated for the period: from the date of the fire to the end of the fiscal year, plus the entire subsequent fiscal year.

**5.3** An applicant may apply for both the low-income and fire damage tax exemptions in respect of a residential property, if eligible for both. The low-income tax exemption shall be applied to the tax bill for the subject fiscal year after adjusting for the fire damage tax exemption.

**5.4** If the property taxes for the subject fiscal year, after adjusting for the fire damage tax exemption,

are below the minimum tax payable identified in subsection 6.1, then the taxes would not be further reduced and the minimum tax payable would not apply.

### **5A Determination of Tax Relief For Successful Land Titles Application**

5A.1 This section shall apply to all properties within designated land titles clarification areas pursuant to the Land Titles Clarification Act.

5A.2 (1) Where a Certificate of Claim is issued and filed in the Registry of Deeds pursuant to the *Land Titles Clarification Act* and there are rates and taxes owing to the Municipality in respect of the lot of land described in such Certificate, the owner may apply to the Municipality for relief from taxes and interest owed.

(2) To be eligible for tax relief pursuant to this section,

(a) a Certificate of Claim pursuant to the *Land Titles Clarification Act* must have been issued by the Minister responsible for the Department of Natural Resources pursuant to that Act; and

5A.3 If an eligible owner meets the income test pursuant to subsection 4.2 of this Administrative Order, tax relief may be provided by the Municipality in the following amounts:

(a) one hundred percent (100%) of any interest arrears and any tax sale fees incurred on the tax account; and

(b) the greater amount of five hundred dollars (\$500.00) or twenty-five percent (25%) of the taxes owed to the Municipality and lienable arrears.

5A.4 If an eligible owner does not meet the income test pursuant to subsection 4.2 of this Administrative Order, tax relief may be provided by the Municipality in the following amounts:

(a) one hundred percent (100%) of any interest arrears and any tax sale fees incurred on the tax account; and

(b) an interest free two (2) year payment arrangement on the remaining taxes owed to the Municipality and lienable arrears.

5A.5 Tax relief is only eligible for the taxes paid for the most recent taxation year and only for the property to which the Certificate of Claim applies.

5A.6 Nothing in this section prevents an owner from applying:

(a) to the HRM Tax Exemption and Deferral Program; or

(b) to Council for tax relief in addition to the relief provided for pursuant to subsections 5A.3 or 5A.4 of this section.

### **6.0 MINIMUM TAX PAYABLE**

6.1 The low-income tax exemption granted shall not reduce the tax payable on a property to less than the greater of:

(a) \$100, or

(b) 1% of the median point of the relevant income range described in Section 4.2, rounded to the nearest \$10.

## **7.0 APPLICATION DEADLINES**

### **7A.0 Treasurer**

**7A.1** The Treasurer or delegate is granted the authority to provide partial tax exemptions and tax relief in accordance with this Administrative Order.

## **8.0 EXEMPTION AND DEFERRAL ALLOWED:**

**8.1** Nothing in this Administrative Order prohibits an applicant from being granted an partial real property exemption pursuant to this Administrative Order as well as a deferral in respect of those taxes pursuant to By-Law T-700, subject to the terms and conditions therein, in respect of the same fiscal period.
