Subject: [External Email] Request to present to Environment and Sustainability Standing Committee

[This email has been received from an external person or system]

Hi there,

I'm sending this request on behalf of the Bird Friendly Halifax coalition, which NatureNS is a member of. We've been meeting regularly over the last year to discuss and assess bird threats and stewardship opportunities in HRM, in order to prepare for an application to Nature Canada's Bird Friendly Cities program. We hope to make Halifax an official Bird Friendly City.

We'd like to present on our assessment to date, the Bird Friendly Cities process, and ask the Committee to endorse or adopt our initiative on behalf of the city, which is a requirement of our application. It would be myself and likely Aly Hyder Ali of Nature Canada.

Thank you!

Becky Parker, Coordinator
