**NATIONAL PUBLIC WORKS WEEK**  
**May 15 - 21, 2022**

WHEREAS Public Works services provided in our community are an integral part of our citizens' everyday lives; and

The support of understanding and informed citizens is vital to the efficient operation of public works systems and programs such as water, sewers, solid waste, streets and highways, public buildings, parks, playgrounds, and sports fields; and

The health, safety, and comfort of this community greatly depends on these facilities and services; and

The quality and effectiveness of these facilities, as well as their planning, design and construction is dependent upon the efforts and skill of public works officials; and

The efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform; and

The ongoing efforts by public works departments, as part of a broader municipal response, is critical to helping safeguard the health of residents by reducing the spread of COVID-19 while also minimizing the impacts on service levels.

THEREFORE, I, Mike Savage, Mayor of the Halifax Regional Municipality, do hereby proclaim the week of May 15 - 21, 2022 as **NATIONAL PUBLIC WORKS WEEK** in the Halifax Regional Municipality.
