

Municipal Update: Emergency Accommodations

For the period of May 2 – June 7, 2022

Date of issue: June 10, 2022

Municipal updates will be issued on a regular basis to provide progress reports on efforts to establish emergency accommodations sites in Dartmouth and Halifax. These updates will be provided until modular units have been installed at both sites by the municipality and the Province of Nova Scotia has begun to place individuals at the sites and provide wrap around services. Depending upon the status of progress, frequency of updates may vary.

Topline update

- Construction is completed and occupancy permits have been issued for both modulares.
- The province's service provider, Out of the Cold, has begun the process of gradually moving individuals into the Halifax modulares. Decisions and timing related to the placement of individuals is determined by the service provider.
- Now that the two modular sites are up and running, this will be the final update on these emergency accommodations.
- The Parks and Recreation report to Regional Council on the recommendations for the use of municipal lands for camping (for the purpose of sheltering) can be found [here](#).

Halifax site

- Six modular units, an accessible modular unit, and several support units – for a total of nine units – have been installed on the western portion of the Centennial Pool parking lot accessed from Cogswell Street.
- This site will accommodate 38 individuals, based on single occupancy.
- An occupancy permit was issued on April 14 for 36 of the residential rooms. An occupancy permit for the barrier-free bedrooms and commercial kitchen was issued on May 3.
- Since the last update, the kitchen cabinets were received May 25 and installation of the cabinets was completed May 26.

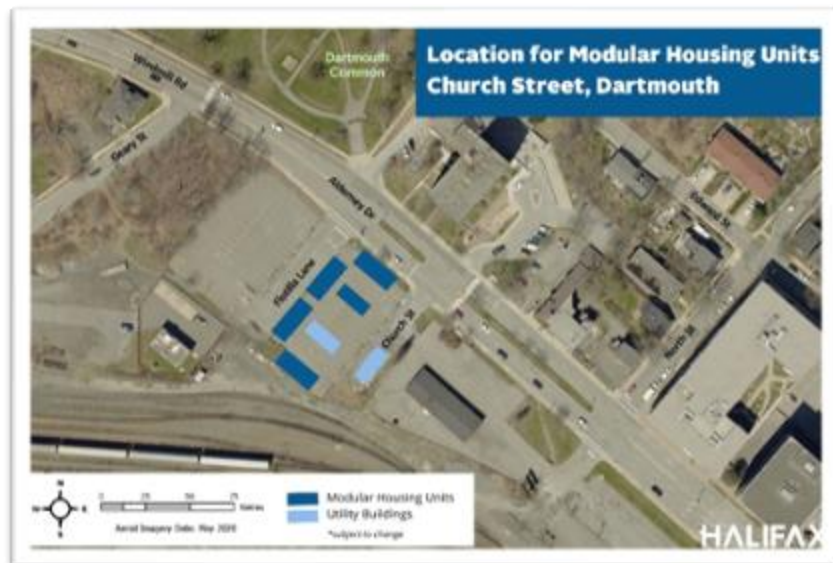

Municipal Update: Emergency Accommodations

For the period of May 2 – June 7, 2022

Dartmouth site

- All five modular bedroom units, including the unit with two barrier-free bedrooms, have received occupancy (total capacity of 26 persons) and are being managed by Out of the Cold.
- The commercial kitchen was completed on March 18.

Crisis accommodations funding

- The municipality has provided a small portion of the crisis accommodation funding, approved by Regional Council, to a coalition of 11 community service providers (COPSO) for hotel stays to support those experiencing homelessness. In conjunction with service providers, the municipality has also directly covered the cost of hotel rooms for some individuals.
- Since September 2021, approximately 140 people have accessed hotel rooms via this funding, for a total of approximately 5,200 nights.
- As of March 31, all individuals in hotels were transitioned to provincial programming and costs will be assumed by the province.
