Committee - Presentation Request

[This email has been received from an external person or system]

Hi Andrea,

My apologies on the late reply.

My name is Nicole, I am the treasurer on the board of directors for the 7th Step Society of Nova Scotia and I am the head of the outreach committee.

Is it too late to sign up to present at the committee meeting?

Our goal for this presentation is to inform the committee on what our non-profit organization is/does and our need for miscellaneous funds for t-shirts and jackets for our employees to wear when they are out in our community representing our society.

Kind Regards,
Nicole
