**Subject:** United Way - Request to present Sept 15th CPED

Hello Clerk's Office:

The United Way would like to present to Community Planning & Economic Development Standing Committee at their September 15<sup>th</sup> meeting regarding work they are undertaking in partnership with Regional Planning on Community Land Trusts. HRM staff would be present to support this presentation, but it would be led by United Way. I believe the United Way may reach out separately with their formal request (for the agenda).

Please let me know if you need anything else.

Thanks,  
Leah

**Subject:** [External Email] CPED / CLT - September 15th?

*[This email has been received from an external person or system]*

Hello Jill and Kate,

We're contemplating a presentation to CPED regarding the CLT, and would like to do so before our public engagement efforts that begin in October. This leave the September 15<sup>th</sup> CPED meeting as our only option.

That said, we don't want to move forward without your participation.

Does this timeline work for you?

Thanks.
