

A photograph of a stone staircase leading up a grassy hill. The steps are made of dark, weathered stone and are partially covered with green grass and fallen brown leaves. The background shows a dense line of trees with green and yellow foliage, suggesting an autumn setting. The lighting is bright and natural.

Welcome & Acknowledgement

We acknowledge that we are meeting in Mi'kma'ki (meeg -ma -gee), the ancestral and unceded territory of the Mi'kmaq (meeg -mah) People.

As we work through the 7 Steps to Freedom, we commit to the work it takes to create a culturally safe, inclusive and anti -racist culture within our 7th Step street group meetings each and every week.

We acknowledge the equality of all communities and we encourage respect and kindness toward these communities in this meeting and in our daily lives.
