**TO:** Chair and Members of Regional Centre Community Council

**SUBMITTED BY:**  **Original Signed**  
Kelly Denty, Executive Director of Planning and Development

**DATE:** June 21, 2022

**SUBJECT:** **Case 24259: Regional Centre Land Use By-law Housekeeping Amendments**

---

**ORIGIN**

February 8, 2022 Regional Council motion (Item 15.1.4):

MOVED by Councillor Smith, seconded by Councillor Austin:

“THAT Halifax Regional Council direct the Chief Administrative Officer to:

1. Initiate a process to consider amendments to the Regional Centre Secondary Municipal Planning Strategy and Land Use By-law, and Downtown Halifax Secondary Municipal Planning Strategy (SMPS) and Land Use By-law (LUB) to address the housekeeping matters identified in the Discussion section of the staff report dated January 14, 2022; and
2. Follow the public participation program for the SMPS and related LUB amendment (planning documents) as set out in the Community Engagement section of the staff report dated January 14, 2022.”

MOTION PUT AND PASSED

**RECOMMENDATION ON PAGE 2**

## **LEGISLATIVE AUTHORITY**

*Halifax Regional Municipality Charter (HRM Charter)*, Part VIII, Planning & Development

*An Act to Amend Chapter 39 of the Acts of 2008, the Halifax Regional Municipality Charter, Respecting Housing*, S.N.S. 2022, c. 13, s. 14, as follows:

14 (1) Notwithstanding the *Halifax Regional Municipality Charter*, an applicable municipal planning strategy or any by-law, policy or practice of the Halifax Regional Municipality, where the Halifax Regional Municipality Council is considering any planning decision under Part VIII of the Act or a community council is considering any planning decision it is empowered to make under the policy establishing the community council, the Council or community council may not refer the matter to a planning advisory committee or any other advisory committee of the Council for a recommendation prior to the Council's or the community council's decision on the matter.

(2) Subsection (1) ceases to have effect three years from the date it comes into force.

## **RECOMMENDATION**

It is recommended that the Regional Centre Community Council:

1. Give First Reading and schedule a Public Hearing to consider the proposed amendments to the Regional Centre Land Use By-law, as contained in Attachment A of this report; and
2. Approve the proposed amendments to the Regional Centre Land Use By-law, as contained in Attachment A of this report.

## **BACKGROUND**

On October 26, 2021, Regional Council approved the Regional Centre Secondary Municipal Planning Strategy (SMPS/Centre Plan) and Regional Centre Land Use By-law (LUB) to guide development and growth within the Regional Centre.

At the October 26, 2021 meeting, Council also requested a supplementary report on five items identified by members of the public during the public hearing. These items along with a small number of other housekeeping amendments were discussed in the [January 14, 2022 Council report](#) considered by Regional Council at its February 8, 2022 meeting. SMPS and associated LUB amendments are being presented in a separate staff report<sup>1</sup> to Regional Council. This report focuses on housekeeping amendments that are limited to the LUB only for the Regional Centre Community Council's consideration.

The [January 14, 2022 Council report](#) identified the following LUB only housekeeping amendments:

- wording changes to Subsection 132(2) to separate requirements for the Spring Garden Road and South Park Street Special Areas;
- adjustments to the LUB text as needed to clarify floor area definition requirements as they pertain to secondary suites and backyard suites;
- revisions to Schedule 6, Robie Street Transportation Reserve (TR), to adjust the location of the transportation reserve near the intersection of Robie and May Street (2705 – 2729 Robie Street) based on updated technical information;
- clarification of front and flanking setbacks requirements for any new public streets that may be developed in the future, which are not shown on LUB Schedule 18;

---

<sup>1</sup> See report online at [Regional Centre SMPS and LUB, and Downtown Halifax SMPS and LUB Housekeeping Amendments - Jul 12/22 Regional Council | Halifax.ca](#)

- clarification of the built form and design requirements that will not apply to yards facing provincial 100 series highways, including grade-oriented premises, streetwall requirements, and ground floor requirements;
- revisions to the parking structure screening requirements to clarify which public views are required to be screened;
- revisions to the LUB land use tables to move “daycare use” from the commercial category of uses to the institutional category of uses to clarify that commercial floor area limitations applicable to the HR-1 and HR-2 zones do not apply to a daycare use;
- revisions to a certain LUB diagram to further clarify the intended interpretation of regulations for differing lot configurations;
- minor wording adjustments needed to address inconsistent cross-referencing and use of terms; and
- other potential adjustments to clarify items that may be discovered prior to bringing forward the housekeeping items for Council’s consideration.

## **DISCUSSION**

The proposed amendments to the Regional Centre Land Use By-law are contained in Attachment A. All the items identified in the [January 14, 2022 Council report](#) are addressed in the proposed amendments as well as some additional LUB housekeeping amendments identified by staff. For the properties at 2706-2729 Robie Street, the adjoining Transportation Reserve line is tapered to 4.9 metres from both sides of the property, as shown on Attachment A-2.

### **Additional LUB amendments**

In addition to the items identified in the January 14 Council report, staff are proposing the following minor wording changes to clarify the intent of LUB regulations or correct cross-referencing arising from the administration of the by-law:

- clarifying design requirement for corner treatments by adding materials & colour and requiring two treatments instead of one;
- clarifying that one garage door and an associated ramp to access internal motor vehicle parking or internal off-street loading spaces shall be permitted along a pedestrian-oriented commercial street, subject to certain conditions;
- adding a “temporary use” to all the land use tables;
- adding an elevator enclosure that does not exceed 6.0 square metres in area to the list of height-exempt features for low-density dwelling uses;
- clarifying that only low-density dwelling height exempt features in Section 103 (7) and 103(8) apply to the Young Avenue – A (YA-A) Special Area, including multi-unit dwellings up to 5 dwelling units, while adding a provision to allow a non-habitable pitched roof to exceed the height of the residential penthouse by 1.5 metres, to support pitched roof design roof requirement approved under Package B;
- assigning minimum required front or flanking setbacks in specific zones where the setbacks have not been specified on Schedule 18, as may be the case for new streets;
- as part of grade-related premises requirements, allowing a residential lobby on a floor containing a grade-related dwelling unit use;
- adding separation distance to the list of exemptions for allowing legally existing accessory structures located in a rear yard to be permitted to change its use into a backyard suite use;
- clarifying that variable signs can be approved in certain zones if deemed to not pose any risk to public safety by the Municipal Engineer;
- adding a lobby use to the definition of ground-oriented premises;
- adding a residential lobby on a floor containing a grade-related dwelling unit use to the list of uses exempt from minimum required ground floor height;
- clarifying definition of a Streetwall;

- adding a definition of a “Permeable Vegetated Grid System”;
- given the maximum building dimension variation, adding the following conditions to the 20% streetwall exemption along a streetline or transportation reserve for main buildings:
  - that each section not having a streetwall setback does not exceed 14.0 metres in length along the streetline or transportation reserve, and
  - that there is a minimum required separation distance of 14.0 metres along the streetline or transportation reserve between sections not having a streetwall setback.;
- amending “Schedule 18: Minimum Front and Flanking Setbacks” to change the minimum setback on PID 00004010 (Halifax Forum Site) from 3 metres to 1.5 metres along the Young Street and Windsor Street frontages to facilitate development of the site.

The above amendments are housekeeping in nature and are intended to implement previous Council direction. The proposed amendments are aligned with existing policies and will help facilitate the clearer administration of the Land Use By-law.

### **FINANCIAL IMPLICATIONS**

The HRM costs associated with carrying out the recommendations contained in this report can be accommodated within the approved 2022-23 operating budget.

### **RISK CONSIDERATION**

There are no significant risks associated with the recommendations contained within this report. The proposed amendments may be considered under existing SMPS policies. Community Council has the discretion to make decisions that are consistent with the SMPS, and such decisions may be appealed to the N.S. Utility and Review Board as per Section 262 of the HRM Charter. Information concerning risks and other implications of adopting the proposed LUB amendments are contained within the Discussion section of this report.

### **COMMUNITY ENGAGEMENT**

The community engagement process is consistent with the intent of the HRM Community Engagement Strategy. The level of community engagement was consultation, achieved through providing information and seeking comments through the HRM website. Extensive public feedback was received as part of the Centre Plan process, and no additional public feedback was received as part of this process.

A public hearing must be held by Regional Centre Community Council before they can consider approval of the proposed amendments. Should Regional Centre Community Council decide to proceed with a public hearing on this application, a notice of the public hearing will be published on the municipal website. The proposed amendments will potentially impact local residents and property owners.

### **ENVIRONMENTAL IMPLICATIONS**

No environmental implications were identified.

### **ALTERNATIVES**

1. Regional Centre Community Council may choose to approve the proposed amendments to the Regional Centre Land Use By-law with modifications, which may require a supplementary report.

A decision of Council to approve amendments to a land use by-law is appealable to the N.S. Utility & Review Board as per Section 262 of the *HRM Charter*.

2. Regional Centre Community Council may choose to refuse the proposed amendments to the Regional Centre Land Use By-law, and in doing so, must provide reasons why they do not reasonably carry out the intent of the MPS. A decision of Council to refuse land use by-law amendments is appealable to the N.S. Utility & Review Board as per Section 262 of the *HRM Charter*.

## ATTACHMENT A - REVISED

### PROPOSED AMENDMENTS TO THE REGIONAL CENTRE LAND USE BY-LAW

**BE IT ENACTED** by the Council of the Halifax Regional Municipality that the *Regional Centre Land Use By-law* is hereby amended as follows:

1. Amend the “Table of Contents”, as shown below in **bold**, by adding the word “Non-Residential” immediately after the words “Expansion of a” and immediately before the words “Non-Conforming Use” in the third item listed under “Part XVI, Chapter 1: Development Agreements”.

#### PART XVI: DEVELOPMENT AGREEMENTS

##### Part XVI, Chapter 1: Development Agreements

Development on a Registered Heritage Property

Change to a Less Intensive Non-Residential Non-Conforming Use

Expansion of a **Non-Residential** Non-Conforming Use

2. Amend Subsection 24(4), as shown below in **bold**, by adding the words and comma “up to one hundred percent of the market value of the building including its foundation,” immediately after the words and comma “destroyed or damaged by fire or otherwise,” and immediately before the word “providing”.

24 (4) Where a non-conforming use in a structure exists, the structure may be rebuilt, replaced, or repaired if destroyed or damaged by fire or otherwise, **up to one hundred percent of the market value of the building including its foundation**, providing:

- (a) the structure is located in an ER-3, ER-2, or ER-1 zone;
- (b) the non-conforming use is a low-density dwelling use and that use will occupy the rebuilt, replaced, or repaired structure; and
- (c) all other applicable requirements of this By-law are met.

3. Amend Subsection 29(1), as shown below in **bold** and ~~strikeout~~, by:

- (a) deleting the word “and” in Clause 29(1)(be);
- (b) deleting the period at the end of Clause 29(1)(bf) and replacing it with a semi-colon and the word “and”; and
- (c) adding a new Clause 29(1)(bg) immediately below Clause 29(1)(bf) and immediately before Subsection 29(2).

29 (1) (bd) Schedule 49: Accessory Parking Prohibition – Downtown Halifax Zone;  
(be) Schedule 50: Incentive or Bonus Zoning Rate Districts; ~~and~~  
(bf) Schedule 51: Shadow Impact Assessment Protocol – Identified Areas;  
**and**  
(bg) **Schedule 52: 100-Series Highways.**

4. Amend Clause 31(c), as shown below in **bold**, by:

- (a) adding the word and comma “sub-area,” in Subclause 31(c)(i), immediately after the second reference to the words and comma “special area,” and immediately before the second reference to the words “height precinct”; and
- (b) adding the word and comma “sub-area,” in Subclause 31(c)(ii), immediately after the second reference to the words and comma “special area,” and immediately before the second reference to the words “height precinct”.

31 (c) Where any portion of a street is closed to public use, the former street lands shall be assigned a zone, special area, sub-area, height precinct, or FAR precinct as follows:

- (i) subject to Subclause 31(c)(iii), where the abutting lands are part of a single zone, special area, sub-area, height precinct, or FAR precinct, the former street lands are assigned the same zone, special area, **sub-area**, height precinct, or FAR precinct as the abutting lands,
- (ii) subject to Subclause 31(c)(iii), where the abutting lands are part of more than one zone, special area, sub-area, height precinct, or FAR precinct, the centreline of the former street becomes a boundary, and the lands on each side of the boundary are assigned the same zone, special area, **sub-area**, height precinct, or FAR precinct as the abutting lands, or
- (iii) within the Cogswell Lands (CL) Special Area, as shown on Schedule 3F, the lands shall be assigned the DH zone and a maximum building height precinct equal to the extent of the Halifax Citadel Rampart sight lines;

5. Amend Section 38, as shown below in **bold**, by adding a new Subsection 38(3) immediately below Subsection 38(2) and before Section 39.

38 (1) In a DD or DH zone, along any pedestrian-oriented commercial street, as shown on Schedule 7, only the following uses may be located within the ground floor of a building abutting the streetline:

- (a) retail use;
- (b) restaurant use;
- (c) drinking establishment use;
- (d) financial institution use;
- (e) medical clinic use;
- (f) personal service use;
- (g) minor spectator venue use;
- (h) fitness centre use;
- (i) grocery store use;
- (j) local commercial use;
- (k) hotel use;
- (l) micro-brewery use;
- (m) micro-distillery use;
- (n) cultural use;
- (o) university or college use; and

- (p) pedestrian entrances and lobbies for any other use permitted in the zone.
- (2) In any CEN-2, CEN-1, or COR zone, along any pedestrian-oriented commercial street, as shown on Schedule 7, only the following uses may be located within the ground floor of a building abutting the streetline:
  - (a) all uses permitted in Subsection 38(1); and
  - (b) office uses.
- (3) One garage door and an associated ramp to access internal motor vehicle parking spaces or internal off-street loading spaces shall be permitted along a pedestrian-oriented commercial street, if:
  - (a) the motor vehicle parking spaces or off-street loading spaces are located on a floor level above or below the ground floor; and
  - (b) there is no other streetline that permits both the garage door and associated ramp.

6. Amend Table 1A, as shown below, by:

- (a) deleting the entire row identified by the words “Daycare use” under the **“COMMERCIAL”** heading of the Table;
- (b) adding a new row under the **“INSTITUTIONAL”** heading of the Table in between the row that contains the words “Cultural use” in the first column and the row that contains the words “Emergency services use” in the first column; and
- (c) adding the following entries to the newly added row:
  - (i) the words “Daycare use” in the cell under the first column, and
  - (ii) a black dot (●) in each of the cells that match up with the columns under the headers for DD, DH, CEN-2, CEN-1, COR, HR-2, and HR-1.

- (j) vents-; **and**
- (k) **an elevator enclosure that does not exceed 6.0 square metres in area.**

17. Amend Subsection 103(8), as shown below in **bold** and ~~strikeout~~, by:

- (a) adding the words, number, and comma “Subject to Section 104,” immediately before the words “Within the Young Avenue Sub-Area A”; and
- (b) deleting the uppercase “W” in the word “Within” and replacing it with a lowercase “w”.

103 (8) **Subject to Section 104,** ~~W~~within the Young Avenue Sub-Area A (YA-A), as shown on Schedule 3C, a residential penthouse may exceed the maximum required height, as shown on Schedule 15, by no more than 3.0 metres, provided the residential penthouse:

- (a) has a minimum required setback of 5.0 metres from an exterior wall that faces a streetline; and
- (b) has a minimum required setback of 2.0 metres from an exterior wall that faces a side lot line.

18. Amend Section 104, as shown below in **bold**, by adding a new Subsection 104(1.5) immediately below Subsection 104(1) and immediately above Subsection 104(2).

104 (1) Within any DD, DH, CEN-2, CEN-1, COR, HR-2, HR-1, INS, UC-2, or UC-1 zone, the uninhabitable portion of any main building within a sloped roof may exceed the maximum required height, as shown on Schedule 15, by no more than 4.5 metres.

**(1.5) Within the Young Avenue Sub-Area A (YA-A), the uninhabitable portion of any main building containing a multi-unit dwelling use of up to 5 dwelling units within a sloped roof may exceed the maximum required height above the residential penthouse allowed under Subsection 103(8), by no more than 1.5 metres.**

(2) A sloped roof under Subsection 104(1) shall not count towards:

- (a) the overall building height, as shown on Schedule 15; or
- (b) the building typology classification listed in Section 90.

19. Amend Section 111, as shown below in **bold**, by:

- (a) adding the brackets and number “(1)” before the words “Subject to”;
- (b) adding the words, brackets, and number “and Subsection 111(2)” after the word and number “Section 112” and before the comma and words “, any portion”; and
- (c) adding a new Subsection 111(2) immediately below Subsection 111(1) and before Section 112.

111 **(1)** Subject to Section 112 **and Subsection 111(2)**, any portion of a main building, either above or below grade, shall have a minimum required front or flanking setback as specified on Schedule 18.

**(2) If a minimum required front or flanking setback has not been specified on Schedule 18, the minimum required front or flanking setback shall be 1.5 metres.**

20. Amend Subsection 119(3), as shown below in **bold** and ~~strikeout~~, by:
