

Customer Portal Series

Vehicle for Hire – Conditional Driver License Application

A Conditional Driver License begins the process of becoming a Vehicle for Hire Driver.

1. From the Home page of the Customer Portal, select Apply for or Renew Licenses.

Home

Welcome to the Online Permitting, Planning, Licensing & Compliance Customer Portal

Manage your Permits and Licenses using the tabs below.

My Activities is the heart of the customer Portal - Track your permits and Licenses in the My Activities tab. Check often for updates.
My Inspections is where you can request and manage Permit-related inspections
My Businesses is where you add and create Business Profiles for your License Applications
My Projects is where you can organize your permits to suit your needs

If your permit or license does not appear in the My Activities tab below, use the Search in the menu above to retrieve. (You must be the applicant for this search to work)

System Requirements
For the best experience using our system:

Browser must be current - The following browsers in the most current version are supported: Chrome (Windows and macOS), Firefox (Windows and macOS), Edge (Windows), Safari (macOS).
Cookies must be enabled - Cookies enable many features in the system. If not enabled, the system will not function correctly. Cookies are controlled in your browser settings. The Customer Portal only retains these cookies for the duration of the session; they are deleted when the browser is closed or the session times out.
JavaScript must be enabled - JavaScript allows certain features in the system. If not enabled, the system will not function correctly. JavaScript is controlled in your browser security settings. All supported browsers have at least JavaScript 1.1 installed as a plugin by default, but customers may need to enable it if it has been turned off.
Browser Autofill should not be used - Browser autofill may cause unnecessary errors when using the system.
