Hello Simon,

Thank you so much. This is great. I was speaking with the consultant that will be presenting with us and they said they would also like to present at the Active Transportation advisory group as well so could we find those dates out as well? We will be able to confirm what dates work best for the consulting firm once we know those ones too.

Thanks again
Melanie

Good Morning Melanie,

Thank you for your email. This is to confirm that your request has been received by the Municipal Clerk's Office and will be taken forward to the Community Planning and Economic Development Standing Committee Agenda Review Committee for their consideration.

Please advise whether your organization has a request to make of the Committee, or if the presentation is to provide information only? Any detail you can provide for the Agenda Review

Committee would be appreciated.

The next Committee meeting is scheduled for October 20th, with the following meeting to be held on November 17th. If either of these dates would pose a scheduling conflict please let me know. Following a decision by the Agenda Review Committee I will reply by email to let you know the outcome of your request to present.

Please note that if your request to present is approved, your below email and any accompanying documentation (i.e. presentation slides, handouts etc.) will form part of the agenda and public record, including being posted on Halifax.ca. Further information regarding presentations is available on our website at <https://www.halifax.ca/city-hall/regional-council/communicating-halifax-regional-council>.

Meetings are audio and/or video recorded for the purpose of creating a record of the proceedings. If you do not wish to be recorded, please withdraw your request to present; you can provide a written submission instead.

Best Regards,
