| Date of Council Meeting: Tuesday February 7, 2023 | | |
| Subject: Information Item 8: Green Network Plan Coordination and Resourcing to be moved to Feb 7 Council Agenda for discussion, motion and vote. | | |
| Motion for Council to Consider: That Halifax Regional Council direct the Budget Committee to consider the inclusion of a full-time Green Network Coordinator staff position to lead implementation of the Green Network Plan through the Regional Plan and in alignment with Council's other strategic priority plans including IMP and HalifACT as an option over budget as part of the Budget Adjustment Process (BAL) in the 2023/2024 Planning and Development budget and business plan. | | |
| Reason: This item is time sensitive. It has budget implications and should be discussed in advance of the Planning Department's budget presentation to council. It's important to have funding this year for a GNP coordinator to coincide the pending approval and implementation of the Regional Plan. | | |
| Outcome Sought: The Green Network Plan Information Item 8 is moved to the Feb 7/23 Regional Council agenda for discussion and debate. | | |
