

2023 First Day HRM Sells Artisan Licenses

First day HRM sells Artisan Licenses: Wednesday, March 1, 2023

Time: Opens at 8:30am

Before the Artisan Vendor Licenses becomes available at **8:30am on Wednesday, March 1, 2023**, we recommend following these steps:

1. For the Artisans who already created their **Customer Portal Account** and **Business Account** during last year's Artisan season you will not need to complete step 2 below. However, it is recommended that you go online and verify your **Customer Portal Account** and **Business Account** is up to date.
2. If this is your first year applying for a HRM Artisan license, go online and create your own **Customer Portal Account**. Email HRM Licensing staff at licensing@halifax.ca once the customer account is created who will contact you to help you set-up your **Business Account** and link your **Customer Portal Account** to your **Business Account**.

If you have your **Customer Portal Account** set up in advance, it will make the process much more efficient.

Whether you choose to apply for your license online or at a Customer Service Centre, having your **Business Account** set-up and linked to your Customer Portal Account, in advance, will speed up your application process on **Wednesday, March 1, 2023**.

Two ways to apply for an Artisan License:

2. Apply in person at Bayers Road Customer Service Centre (7071 Bayers Road, Halifax 1st floor) or at Alderney Customer Service Centre (40 Alderney Drive, Dartmouth, 1st floor) between 8:30am – 4:30pm
