What is a Property Inquiry?

This type of request is to be used by entities such as law firms and mortgage companies who wish to enquire about the status of a property. This will initiate a search by municipal staff for “any and all outstanding work orders or violations of HRM regulations, By-Laws, ordinances or minimum standards” for the property or properties enquired upon. The search is conducted in up to 5 municipal departments of your choosing and we have committed to issuing a response within 7 calendar days. In accordance with By-Law U-109, Schedule 6, Property Information Inquiry User Charge, the cost of submitting a Property Inquiry request is **\$150.00** per civic address; or if there is no civic for the property, per PID.

**** Please note: we would not be able to comment on any outstanding issues with Halifax Water or Halifax Regional Police. To inquire on anything outstanding within their purview, please contact them directly.**
