The fly past will be between 1130 and 1145. Flight plan for this event will be coming from CFB Shearwater via the Harbour, going up the circ to the 118, then turning around and come back the same route and head back to base.

I have included the paperwork that I need from you so that I may send to the Special Events Coordinator out west.

This event has been growing steady since conception, started out with 56 Motorcycles to last year just under 400 with approx 40 cars.

There are many things that are happening at the end point in Truro Millbooke area, Traditional Drum Bands, Traditional Dancers, Food and BBQ.

There are many dignataries that have been invited to the start point here in Dartmouth (value village) and will have confirmation as to who will be coming closer to the date. As well as many have been invited to the Final Location in Millbrook.

This ride of Respect for not only our Military but this is also for our Police, Fire, EMS Services. We have all lost people during our careers and this is one way I know how we can pay respect. This ride is for our Lost but Not Forgotten and those who are Here and Just Lost.
