**SUBJECT:** **H00562: 2023-2024 Financial Incentives Program for Schmitdville and Old South Suburb Heritage Conservation Districts**

---

**ORIGIN**

On March 23, 2021, Regional Council approved Administrative Order Number 2020-005-ADM Respecting a Financial Incentives Program for Schmitdville and Old South Suburb Heritage Conservation Districts.

**LEGISLATIVE AUTHORITY**

*Heritage Property Act*, R.S.N.S., 1989, c. 199, section 22:

“Financial Assistance

22(1) The Minister, subject to the approval of the Governor in Council, may provide financial assistance in respect of provincial heritage property and the council may provide financial assistance in respect of municipal heritage property or property located in a heritage conservation district to any person to assist in the restoration or renovation of such property upon such terms and conditions as the Minister or the council, as the case may be, deems fit.”

Administrative Order Number 2020-005-ADM, Respecting the Financial Incentives Program for the Schmitdville and Old South Suburb Heritage Conservation Districts.

**RECOMMENDATION**

It is recommended that the Heritage Advisory Committee recommend that Regional Council:

- 1) approve the proposed grant applications 24-001 through 24-005 and 24-007 through 24-009 listed in Attachment A, conditional upon the applicant's compliance with sections 7 and 36-39 of Administrative Order Number 2020-005-ADM and the requirements specified in Attachment A being satisfied.

## **BACKGROUND**

The Financial Incentive Program for Schmidville and Old South Suburb Heritage Conservation Districts (HCD) supports the conservation of contributing heritage resources and the revitalization of all existing buildings located within both HCDs. This program was approved by Regional Council on March 23, 2021 through Administrative Order Number 2020-005-ADM (Attachment B) and is intended to continue for five fiscal years, beginning with fiscal year 2021-2022 and ending in fiscal year 2025-2026. Projects shall be commenced in the fiscal year in which they are approved. The deadline for project completion and submission of receipts and paid invoices, and if applicable, the registration of an agreement, is three years from the last day of the fiscal year (March 31<sup>st</sup>) in which the project was approved. As an example, projects approved for fiscal year 2023-24 must be completed by March 31<sup>st</sup>, 2027.

The Financial Incentive Program consists of two components:

- A Conservation Grant which is applicable for projects that preserve, rehabilitate, and restore character defining elements on the exterior of contributing heritage resources. A Conservation Grant is awarded on a fifty percent (50%) cost-sharing basis for eligible costs exclusive of HST up to a maximum of \$50,000.
- A Functional Improvement Grant is applicable to projects that improve the overall quality of existing building systems including accessibility and energy efficiency upgrades. It is awarded on a fifteen percent (15%) cost-sharing basis for eligible costs exclusive of HST.

## **DISCUSSION**

Applications for the 2023/2024 Financial Incentives Program were accepted from January 1, 2023 to March 1, 2023. Staff received and reviewed 9 applications:

- 8 applications met the program's eligibility criteria; and,
- 1 application was ineligible.

Attachment C provides information regarding the properties and proposed projects for each of the applications. The eligible applications were evaluated and ranked based on eight (8) Prioritization Criteria, worth one point each. The maximum number of points available for any one application is eight (8). The Prioritization Criteria are summarized below:

1. Is the building a contributing heritage resource as defined under the HCD?
2. Is this a first-time application?
3. Is the application supported by a Building Conservation Plan?
4. Does the application propose preservation of structural building components?
5. Is the application for a rehabilitation or restoration project that improves the integrity of a building?
6. Does the application propose conservation of features visible to the public?
7. Is the application one of two or more applications for attached buildings on abutting properties?
8. Is the application for a building that is in poor condition and at greater risk of deterioration or loss?

A complete copy of the Prioritization Criteria can be viewed in Attachment B – Administrative Order 2020-005.

The 2023/2024 operating budget for Cost Centre C340 – Financial Incentive Program is \$500,000. This amount is shared between two separate grants within the program. Eighty percent (80%) of the budget is allocated to the Conservation Grants. The remaining twenty percent (20%) is allocated to the Functional Improvement Grants. For the fiscal year 2023-2024, the total amount of grants being requested under the Program is:

Conservation Grants:	\$126,003.69
Functional Improvement Grants:	<u>\$ 22,030.88</u>
	\$148,034.57

The total amount is less than the total funds allocated for the Program this year, and thus all eligible applications can be accommodated for in this fiscal year's budget.

Staff recommend that all eligible applications be approved for funding as outlined in Attachment A.

### **FINANCIAL IMPLICATIONS**

The recommended approval of \$148,034.57 for the 2023/2024 Financial Incentives Program grants can be accommodated within the approved 2023/2024 operating budget for cost centre C340 – Heritage and Planning Information Services.

As the proposed funding for the Financial Incentives Program must be approved by Regional Council, no grants will be paid until the applications have been approved by Council. All applicants will be notified of Regional Council's decision.

### **RISK CONSIDERATION**

There are no significant risks associated with the recommendations contained within this report. The applications may be considered under the existing legislation and by-laws pertaining to the provision of financial assistance in respect of municipal heritage properties or property located in a heritage conservation district. The Heritage Advisory Committee has the discretion to make recommendations that are consistent with the Financial Incentives Program.

### **COMMUNITY ENGAGEMENT**

The administration of the Financial Incentives Program is an administrative process that is carried out in accordance with Administrative Order 2020-005-ADM. Community engagement occurs by way of this staff report being presented to the Heritage Advisory Committee, where interested members of the public can attend virtually and view the meeting minutes.

### **ENVIRONMENTAL IMPLICATIONS**

No environmental implications were identified.

### **ALTERNATIVES**

1. The Heritage Advisory Committee could choose to recommend that Regional Council decline some or all the applications with respect to the awarding of the grants as outlined in this report.
