ONLINE

These steps describe how to use your online account to register for programs. The examples used will be for Aquatics programs and there are several search options available.

LOGIN TO ONLINE ACCOUNT

Go to Halifax.ca/MyRec and click Login or Create a new Account.

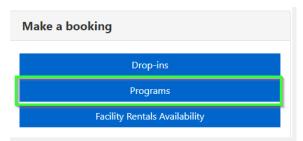

Login or Create a new Account

- Enter the email address and password currently registered in the Halifax.ca/MyRec system OR create a new account.
- 2. If needed, select **Reset Password** and follow the steps provided in the email you receive.

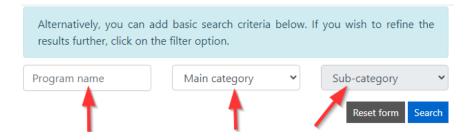

SEARCH FOR PROGRAMS

3. Once logged in to your account, under Make a booking, chose Programs.

SEARCH BY NAME, MAIN CATEGORY AND SUB-CATEGORY

4. Use one or more of these three options to search for a wide range of programs. NOTE: Choose Reset form each time you want to clear your search and start a new search.

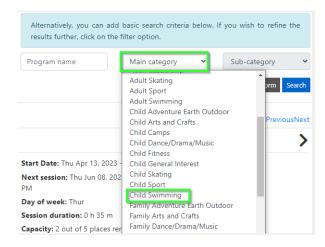

ONLINE

Program Name:

- If you know the Program name, enter it in the first field and choose Search. Using Aquatics (swimming) programs as an example, enter text like Swimming, Swimmer 1, Parent & Tot, Bronze Cross. etc.
- You may get a very long list of results so use the **Main Category** and **Sub-category** options to get a more refined list.

Main Category:

 This option can be used after choosing a program name or it can be used on its own to get a more general list of programs under categories like Child Swimming, Preschool Swimming, etc.

Sub-category:

- This option helps to limit your search results to a specific location (like a pool/beach) or to a
 specific community or geographic area for non-aquatics programs. After choosing the
 Category, you can choose a Sub-category that relates to your search.
- In the example below, I chose Child Swimming as the Main Category and chose Outdoor Pools as the Sub-category.

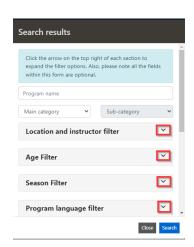

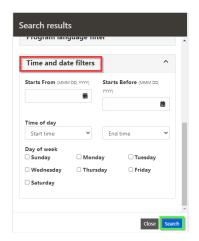

MORE SEARCH OPTIONS

- 5. If you want to refine your search even further, there are options to limit your search results by age, program time of day, day of the week, etc.
- 6. Under **Program search**, choose the **Search options** button.

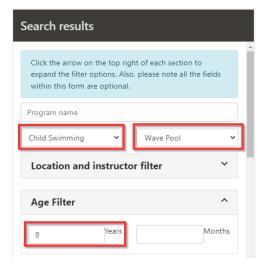

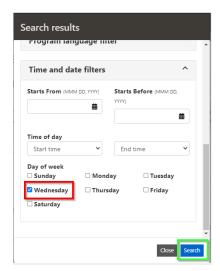

7. Click the arrows to see the available options and make selections. Choose **Search**.

8. **Example**: I am looking for Swimming lessons for an 8-year-old at the Wave Pool on Wednesdays. Using the **Search Options** button, make the selections and choose **Search**:

Register Program ONLINE

9. The results meet the search options you chose. To re-do your search, choose the **Search options** button again and make changes or to do a brand-new search, choose **Reset form**.

REGISTER AND PAY

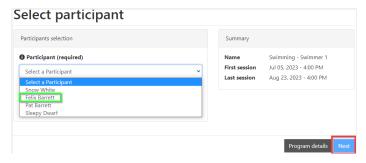

10. From the list of results, scroll through and find the program you want to register for and click the arrow.

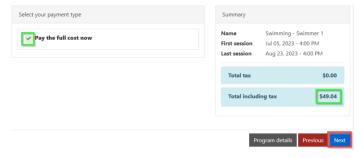

11. Program details will be outlined so review and choose the **Register** button at the bottom.

12. Select the program participant from your list and choose **Next** (I'm choosing Felix Barrett).

13. Click **Pay the full cost now**, review the charge and choose **Next**.

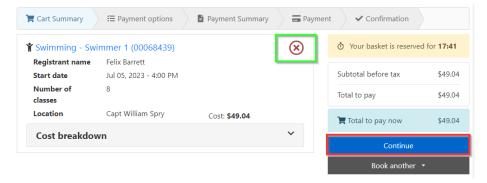

ONLINE

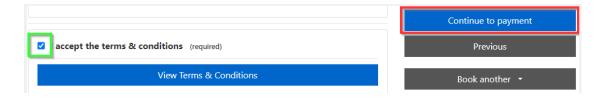

14. You may be prompted to answer questions about inclusion support, toilet training, etc. so answer each question and choose **Add to cart**.

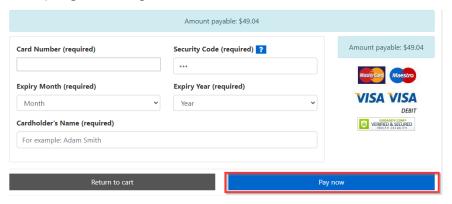

15. Review your selection and if needed, choose the **red X** to remove the item from your cart/basket. If the program looks fine, choose **Continue** to make payment.

16. Accept the terms & conditions, choose Continue to payment.

17. Enter your credit card information, choose **Pay now** and you will receive an email confirmation that the program is registered.

For assistance, call the registration line at 902-490-6666.
