Your Worship,

On 21 July 2023, the Closing Ceremony for the North American Indigenous Games (NAIG) will be conducted.

At 2030 hrs, a Canadian Armed Forces (CAF) aircraft will pass over the NAIG Closing Ceremony location at the Halifax Commons Emera Oval, flying from East to West (Annex A). As such, it is requested the Halifax Regional Municipality (HRM) grant permission for the CAF to fly an aircraft over the Halifax Commons Emera Oval at a height of 500 feet above the highest obstacle.

Subject to the city's authorization, the CAF will execute in a timely manner the release of Notice to Airmen messages and public advisories of the over-flight activity.

The support of the HRM to this event is very much appreciated. Should you have any questions, please do not hesitate to contact Chief Petty Officer Second Class Lynn Cassidy at [REDACTED] or Corporal Stacy Matthews at [REDACTED].

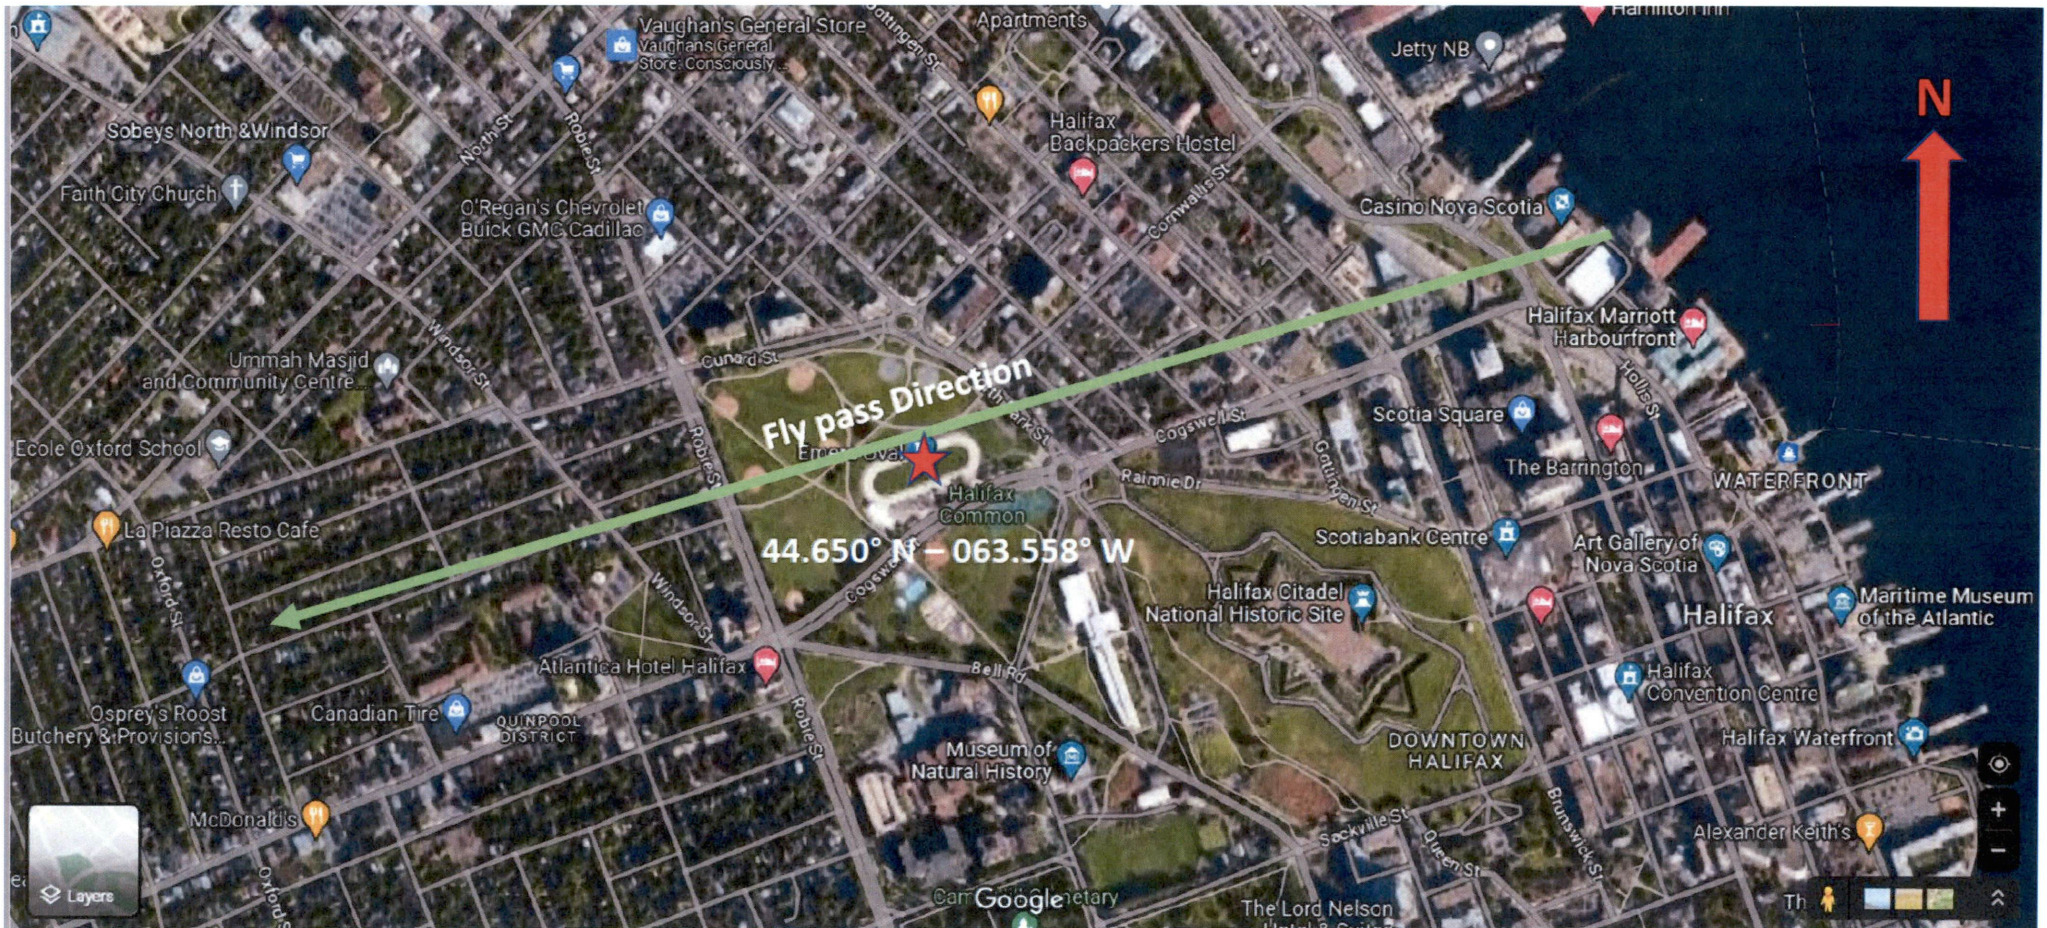

Yours truly,

[REDACTED]  
A. W. MacKenzie  
Captain (Navy)  
Base Commander
