Your Worship,

I am sending this letter to seek City Council approval for multiple flybys by Canadian Armed Forces (CAF) aircraft during Halifax International Fleet Week (Sept 8-10).

It is requested that the Halifax Regional Municipality grant permission for CAF assets to fly over the Halifax harbour at an altitude of 500 feet above the highest obstacles with spectator viewing along the waterfront. The flybys are currently scheduled for 1400hrs on the 8<sup>th</sup> and 9<sup>th</sup> of September, finishing with a flyby during the early afternoon on Sunday 10<sup>th</sup> September which will accompany the Parade of Ships as they leave the harbour for Ex. Cutlass Fury.

Subject to the city's authorization, CAF will execute in a timely manner, the release of Notice to Airmen messages and public advisories of the over-flight activity.

If you or Council require further information, please do not hesitate to contact me.

Kindest Regards,

Donald Michaluk  
Acting Sub-Lieutenant  
Planning Officer, Halifax International Fleet Week
