

Here are a few:

- Rebecca Bishop bishopre@halifax.ca who leads some of the Youth Engagement work at HRM Bishop
- Veronica [REDACTED] is a good contact at [Hope Blooms](#)
- [ONE North End](#) has a weekly grapevine where they send announcements - those can be sent to Aaliyah Arab-Smith [REDACTED]
- [Adventure Earth Centre's H.E.A.T. or Helping the Earth by Acting Together](#) could also potentially be good - aec@halifax.ca

I am cc'ing Rebecca who will likely have other networks to suggest. We are partnering with YCI on a Youth Climate Challenge [REDACTED] attached).

Rebecca – I am wondering if it would be possible to present this opportunity to the Youth Council or if you have other ideas of how to get the word out.

I'm sure the team is happy to have a chat if you want to explore.

Warmly,
Sera

Subject: [External Email] Re: YCI Climate Futures Lab | Co-working

[This email has been received from an external person or system]

Hello Kim, Zaina and Sera,

It's lovely to digitally connect with you all! I'm sincerely looking forward to this partnership and all of the great successes ahead with YCI's Climate Futures Lab in Halifax!

If there are any partners that you had in mind whom would be great community networks to engage in Climate Futures Lab with, I am so happy to reach out to them or be digitally connected through yourselves if that is easier, just let me know. Also, I'm more than happy to connect in person any time as well!

Looking forward to working together and chatting with you all more soon. Have a wonderful sunny (finally!) weekend ahead.

Cheers,
Mel
