Hello Councillor Purdy,

Apologies for the delay getting back to you, and thank you for sharing this with the clerks office.

We'd certainly be interested in presenting to the Transit Standing Committee for September to talk more about this initiative and our findings. I've copied the clerks office, to request for next steps on how to proceed with this request.

Sincerely,

Hello again,

I have sent your feedback to the clerks office to be included in our next package of correspondence. All relevant staff will also receive it.

Would you also consider requesting to present your findings to the Transportation Standing Committee? That request can be made via our clerks office at clerks@halifax.ca.

Thank you for this information.

Sincerely,

Trish
