Subject: SEAC Presentation from Discover Halifax

Good afternoon,

At the September 13, 2023 Special Events Advisory Committee meeting, the Committee heard a presentation from Chris Gosse with Discover Halifax on the success of the Summer 2023 events. I have attached the presentation as reference.

Committee members expressed interested in having the presentation be brought forward to Regional Council. After discussion, we thought it might be best to have it come forward to either CPED Standing Committee or Executive Standing Committee. We can invite all members of Regional Council to attend at the Standing Committee level and allow for Public Participation as well.

As Chair Councillor Mancini, would you have a preference between CPED or Executive? With direction, Annie and I can action the request.

Thanks,

Catie
