Emergency Management

Program Launch – Voluntary Vulnerable Persons Registry (VVPR)

1. Full time employee onboarded in October 2023.
2. Launch of the VVPR on 8 November 2023. Valued input from D&I on visuals for public ads and website content.
3. Positive media feedback and content, and great feedback to date from residents.
4. As of 14 November 2023, 44 residents registered.
5. Requires further outreach with stakeholder groups that will continue to carry on throughout the winter and through 2024.
6. Looking for engagement opportunities in and with community groups and organizations.

Public Education

Program updates

1. Halifax.ca website is being revamped to allow clearer content for emergency management and content updates.
2. First braille materials ordered and will produce products with TTY.
