Subject: [External Email] Presentation - Nov 23rd - Transportation Standing Committee

[This email has been received from an external person or system]

Hello,

I am writing to request a time slot to present at the Nov 23rd Transportation Standing Committee meeting on behalf of BayRides.

BayRides is a non-profit rural transportation organization servicing St. Margaret;s Bay and surrounding areas and we would like to speak about the challenges of delivering rural transportation services, and the need to modernize the current HRM grant funding model.

Kindly confirm if we are able to secure some time at this meeting and any other pertinent details that we should be aware of.

Thanks,

Meghan Maher
Chair, BayRides
