every 30 minutes							
99B	627a	641a	651a	701a	706a	716a	->

- Route number**
- Route name**
- Destination**
- Branch and Directionality**
Branch (A, B and C) identifies branches in cases where there may be several options for how the route travels.
- Timing points along route** (selected stop locations).
- Bus stop number and phone system**
This four-digit number is the bus stop number (also located on the bus stop sign). Call 902-480-8000 to know when the next two buses for each route will be departing the stop. When asked to enter your stop number, use this four-digit number. The phone system will announce either the scheduled time or the estimated time for departure.
"Scheduled to depart" uses the scheduled times listed in this guide.
"Estimated to depart" uses real-time bus departure information.
- Arrive**
This column indicates the time that the bus is *Due to arrive* at its final location on the route.
- Days of Operation**
- Frequency**
Times when the service leaves the stop. Reading from left to right will provide the approximate travel time between stops (dashes indicate the trip does not service the location).
Morning service times are indicated with an 'a'.
Afternoon service times are indicated with a 'p'.
Service after midnight is indicated with an 'x'.
- Additional information** about the service follows the schedule.
