

### Important notes:

- availability to offer inclusion support is based upon the ability to find qualified staff
- we do not provide support for personal care during our fall/winter/spring programs (i.e., support with feeding, toileting, transferring/lifting, etc.)
  - with the exception of full day PD and March break camps
  - if your child requires personal care, you will need be available to assist them during the program

If you require additional information, please email all questions to [inclusion@halifax.ca](mailto:inclusion@halifax.ca)

# Inclusion Process

Fall 2023 to Spring 2024

## What types of supports do you offer?

The municipality is committed to providing safe and accessible programs for everyone to enjoy. We recognize that some of our residents require assistance to participate via adapted equipment, program modification and/or through the provision of one-to-one Inclusion support.

## How do I know if my child needs one-to-one support?

- is extra support required at school and/or in the community?
- is extra help required at home for basic care?
- is there an existing physical, medical, behavioural and/or developmental disability that could affect the safety of the participant and/or other participants?

## Aquatic Programs:

- register your child for one-to-one Inclusion Swimming Lessons at any of the following locations:
  - Captain William Spry
  - Needham
  - Sackville Sports Stadium
- if the lessons are full on registration day, please put yourself on the waitlist as lessons may become available

## When registering for your program, remember to:

- select 'yes' to the question "does my child need one-to-one support to participate?"
- register at least two weeks before the beginning of the program to ensure that staff can be secured

## Can I arrange to bring my own support person?

Yes, however we recommend you contact your local community recreation centre to discuss this option further.
