Mr. Mayor,

The HFX Wanderers FC is a Canadian professional soccer club located in Halifax. They compete in the Canadian Premier League, a men's soccer league, which consist of eight teams, from five of Canada's ten provinces. To celebrate the Royal Canadian Air Force's 100 anniversary, the HFX Wanderers will be hosting an RCAF appreciation game on June 08, 2024.

It is requested that the Halifax Regional Municipality grant permission to the RCAF to perform a Flyby over the Wanderer Grounds, corner of Summer and Sackville Streets, on June 08th 2024, at 3:00pm. Requesting the Flyby be authorized to fly at a height of 500 feet above the highest obstacle on the Flyby track. Furthermore, the RCAF 100 Anniversary organizing team is looking at having an helicopter landing at the Windsor Park helipad to deliver the soccer game ball, which could be escorted to the Wanderer Grounds by the Military Police.

The support of the Halifax Regional Municipality to this event would be very much appreciated. Should you have any questions, please do not hesitate to contact the LCol Thomey, at [REDACTED]

Sincerely,
