Long-Term Disability Insurance					
There are two different tiers of Long-Term Disability Coverage with several options in each tier. Only select one tier for coverage and then one option within that tier.					
LTD Tier One			LTD Tier Two		
This is the default plan. LTD coverage ends at the earlier of age 65 or end of employment.			LTD plan coverage continues until the earlier of eligibility for an unreduced pension under the municipalities plan, with at least 25 years of service in the Pension Plan; age 65; or retirement.
