MUNICIPAL CLERK

[This email has been received from an external person or system]

Mr. Ross-Siegel,
Thank you for responding to my email so quickly.

The Spryfield Lions Club would like to present documentation at your May 16th. meeting in support of us having space for a Lions Den in the planned Spryfield Rink and Recreation Centre.

Our intention is to provide six to ten pages of written information outlining our community support as well as a basic sketch outlining dimensions and a proposed floor plan.

The documentation will answer any questions that may impact recommendations of your committee.

Kind regards,
Dave Buffett
