Item 13.1.1
HALIFAX

Indigo Shores Park Plan

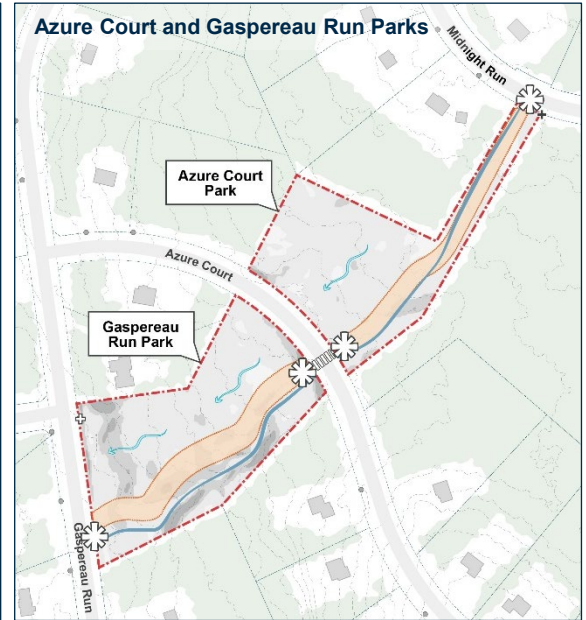

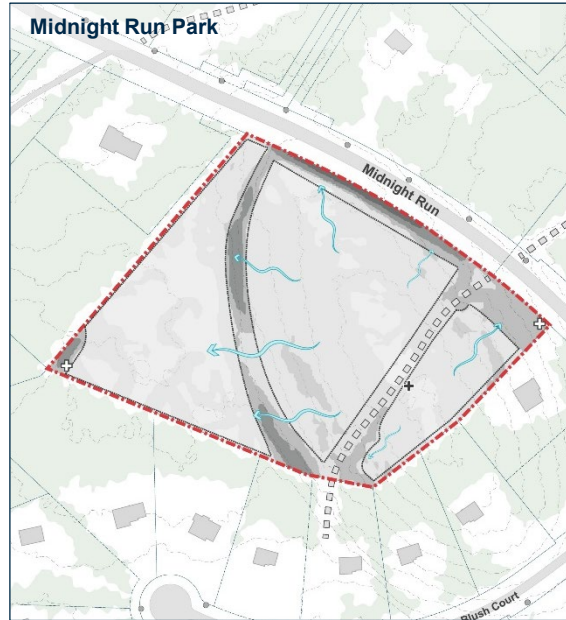

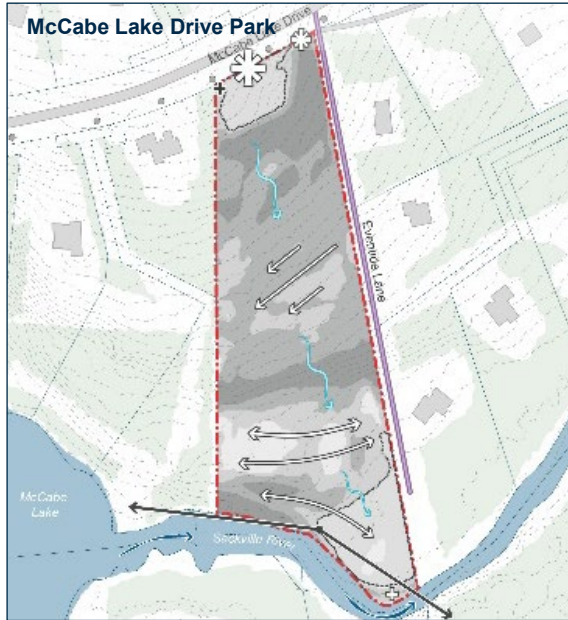

Community Planning & Economic
Development Standing Committee

Origin

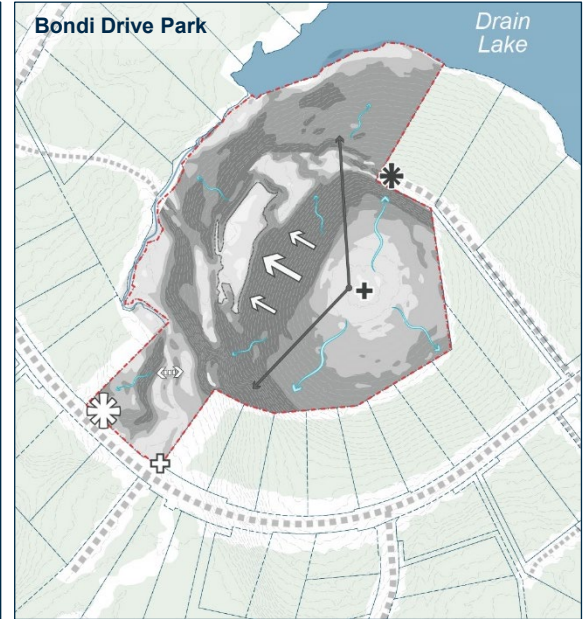

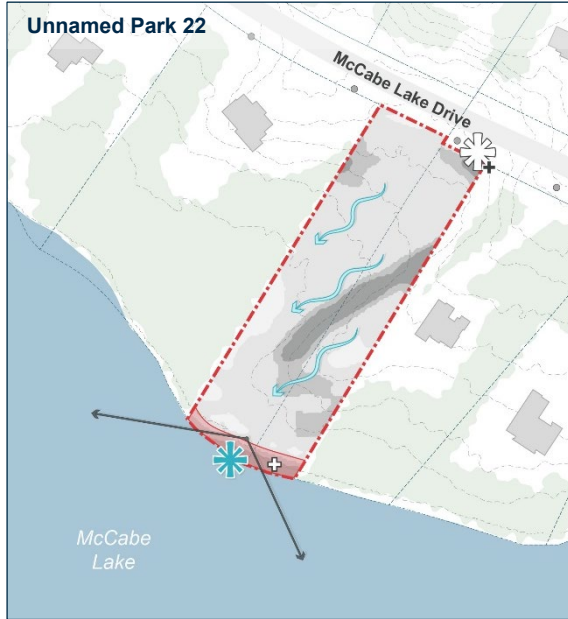

- Indigo Shores is a subdivision in Middle Sackville
- There are seven largely undeveloped parks
- Park Plan project identified in Business Plan

Site Analysis

Site Analysis

Engagement Findings

- Top recreational interests:
 - Physical activity
 - Winter activities
 - Children's play
 - Relaxation and well-being
 - Playing/exercising a dog
- Top water-based recreational interests:
 - Relaxing and viewing the water
 - Kayaking, canoeing, or paddleboarding
 - Swimming or wading

HALIFAX

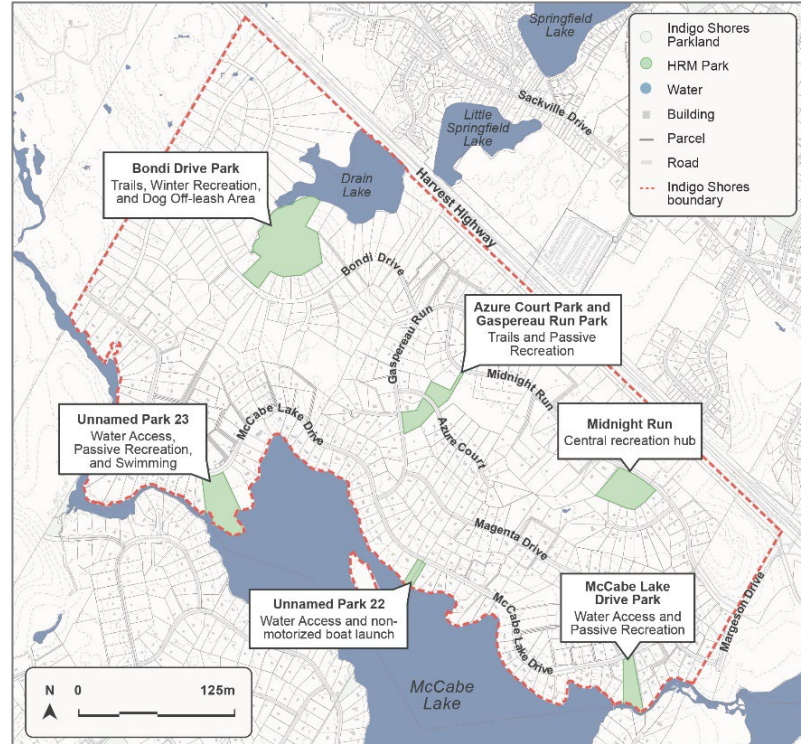

Engagement Findings

- Motorized boat launch is not recommended
- High need for a playground
- Formal recreational facilities into a centrally located park
- Facilities should serve a large range of interests and ages

Park Plan

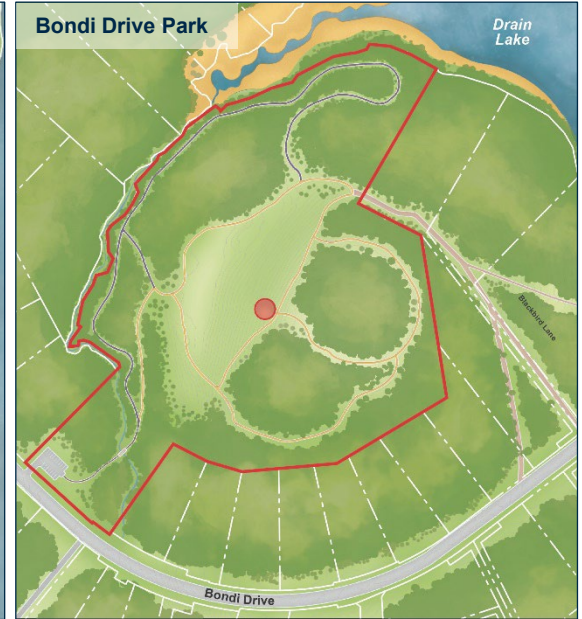

- Different uses have been assigned to each park
- Proposed park facilities create a balanced network of passive and active recreational opportunities

Park Plan

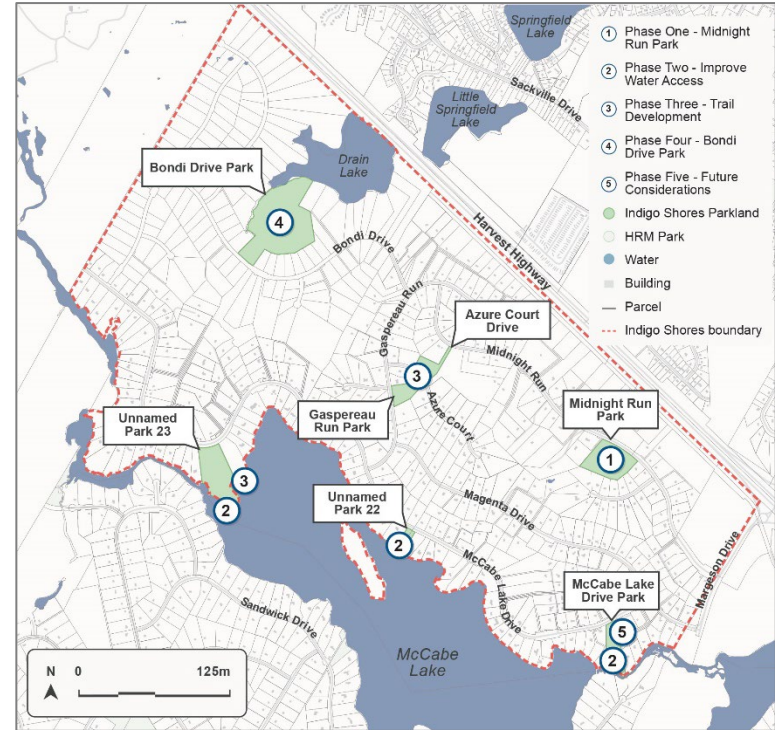

Park Plan

Capital Planning

- Park improvements will be implemented in a phased approach
- Final budget costs based on site assessments and detailed design

Capital Budget

- Midnight Run Park improvements proposed to be implemented first
- Would be phased over a series of budget cycles
- Total costs estimated at \$3 million
- Subsequent parks to be addressed in future budget cycles
