Subject: [External Email] Presentation request to the Audit and finance standing committee

[This email has been received from an external person or system]

Good morning,

I'd like to make a presentation to the audit and finance standing committee as a bit of a supplemental report to the 2015 and 2024 Risk management audits. Specifically I would like to talk about the outstanding operational factors contributing to an increased vulnerability to risk in the HRM.

I can be reached at this email or [REDACTED]

Cheers,
