Subject: [External Email] requesting to present to the Community Planning and Economic Development subcommittee

[This email has been received from an external person or system]

Dear clerks,

We are a non-profit arts space and all ages venue located at 2177 Gottingen St. We are in the midst of a campaign to buy our building, with funds from a mix of selling community bonds, individual donations, and government support. We would love the opportunity to present to the Community Planning and Economic Development subcommittee and have this meeting be put on the agenda. Our preference would be to present at the Sept 19th meeting.

All Ages venues were identified as an "urgent gap" in the draft study for performing and visual arts that the city commissioned, and we hope that the city can assist us in our campaign to secure our building. Several people, including city staff, have recommended that we pursue this pathway to seek municipal support.

We can provide our powerpoint, our business plan, or any other materials prior to this meeting, so please do let us know you would like us to send these

Thanks so much for your assistance,
Sakura Saunders
