**DATE:** November 13, 2024

**SUBJECT:** **Tax Relief for Non-Profit Organizations Program: Fiscal Year 2024/2025:  
Proposed Amendments to Program Schedules Administrative Order 2024-001-ADM**

---

**ORIGIN**

The Tax Relief for Non-Profit Organizations Program provides annual operating assistance to registered non-profit and charitable organizations located within the municipality. The application deadline for the addition of a property for the 2024 program was due on or before November 30, 2023.

April 23, 2024 – Regional Council (Item 15.2.3)  
MOVED by Deputy Mayor Deagle Gammon, seconded by Councillor Mason

THAT Halifax Regional Council:

1. Adopt Administrative Order 2024-001-ADM, the Tax Relief Administrative Order, including repealing the Tax Relief for Nonprofit Organizations Administrative Order, as set out in Attachment 3 of the staff report dated March 27, 2024;

...

**MOTION PUT AND PASSED UNANIMOUSLY**

**EXECUTIVE SUMMARY**

HRM's tax relief program provides annual assistance to eligible registered nonprofit and charitable property owners. The value of these grants fluctuates annually due to assessment values, municipal tax rates, and an owner's capital investment. In 2024 the program was amended to provide greater predictability to recipients with the application of a maximum tax payable threshold and criteria to determine the level of tax relief (referred to as Schedules). The cost this form of operating grant is offset proportionally by other taxpayers in the region.

This report makes recommendations regarding applications requesting the addition of property in the municipal tax relief program in accordance with Administrative Order 2024-001-ADM, the removal of

**RECOMMENDATIONS ON PAGE 2**

property, and records management updates. This report also includes recommendations regarding Request for Review submissions received by the July 2, 2024, deadline. This was a one-time provision for those organizations who feel their property was incorrectly assigned in the draft schedules under the proposed program redesign and distributed to program participants by registered mail in May 2024. Minor amendments to policy are recommended for clarification.

As proposed, thirty-one (31) properties would be added to the program, pending Council's approval, at a combined cost of \$212,223 in fiscal 2024/2025. The distribution of these properties by level of tax relief is shown below in Table 1.

**RECOMMENDATION**

It is recommended that the Grants Committee recommend that Halifax Regional Council:

1. Approve the addition of thirty-one (31) properties to Administrative Order 2024-001-ADM as detailed in the Discussion section of this report at an estimated combined cost of \$212,223 from Operating Account M311- 8006.
2. Approve a one-time grant by resolution of Council to AAN 00769851 Halifax Regional Municipality (City of Lakes Amateur Boxing Club) to rectify an error of omission in fiscal year 2023 in the amount of \$6,726 from Operating Account M311-8006.
3. Approve an Operating Grant for up to three (3) consecutive years to transition six (6) organizations leasing commercial/private property to be removed from the program, commencing April 1, 2024, at a combined cost of \$125,658 from Operating Account M311-8006, subject to yearly budget availability.
4. Adopt the amendments to Administrative Order 2024-001-ADM, the *Tax Relief Administrative Order*, as set out in Attachment 2 to this report.

## **BACKGROUND**

Under the prior Administrative Order 2014-001-ADM applications for the addition of a property to Tax Relief for Non-Profit Organizations Program were to be made by November 30<sup>th</sup> of the year preceding the fiscal year in which amendments to the program schedules are to be considered. Therefore, the application deadline for the 2024 program was November 30, 2023<sup>1</sup>. A total of twenty-two (22) applications were received by the deadline. This report also addresses applications from Akoma Holdings Incorporated and Halifax Regional Municipality (City of Lakes Amateur Boxing Club) deferred from last year's program, sixteen (16) Request for Review submissions, and staff recommendations regarding amending the level of tax relief or removal of a property from the program.

In accordance with Administrative Order 54 Procedures for the Respecting Procedures for the Development of Administrative Orders a Notice of Motion must be issued at least seven (7) days in advance of Council's receipt of a recommendation report with respect to adoption, amendment, or repeal of an Administrative Order.

## **DISCUSSION**

The dollar values provided in this report are estimates to allow for any correction/change to a property's assessed value or pro-rated deductions. All dollar values are rounded for ease of reference.

This is primarily due to a large injection of funding into the non-profit housing sector, as the residential assessments increased by 23%.

**Chart 1**

Appendix 1. Eligible Organizations that are Tenants Recognized Under an Eligible Property Owner's Tax Relief has been updated to add or remove tenancy, as applicable. Expiry dates have also been added to aid administrative efficiencies and to encourage property owners to manage their continued eligibility.

**Proposed One-Time Grant by Resolution of Council - Recommendation #2**

In 2023 the City of Lakes Amateur Boxing Club made application to the tax relief program. The application was deferred because at the time of application that portion of the property had not been assessed as Commercial taxable. A review of the Club's eligibility in the 2024 program has identified a process error resulting from the timing of application, review, and receipt of the municipal tax assessment roll from Property Valuation Services Corporation ("PVSC"). This process issue has been addressed in the new Administrative Order by extending the application deadline to January 31. Further clarification is provided

<sup>2</sup> The number of renewals excludes properties to be removed from the program in fiscal 2024/25, pending Council approval.

under Section 7 of policy “To be eligible for Tax Relief, a Property shall be assessed as taxable on the Assessment Roll applicable to the Fiscal Year for which the application for Tax Relief is sought”.

To resolve the issue of taxes billed to the Club for fiscal 2023/24, it is recommended that a one-time grant by resolution of the Council be approved in the amount that the Club would otherwise receive had they been accepted into the program under the former Administrative Order 2014-001-ADM. With respect to the on-going inclusion of the Club, staff are recommending the addition of Halifax Regional Municipality (City of Lakes Amateur Boxing Club) to Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations in accordance with the new Administrative Order 2024-001-ADM, effective April 1, 2024.

**Proposed Transition Grants by Resolution of Council – Recommendation #3**

The provision of tax relief for registered nonprofit and charitable organizations leasing property is contrary to provincial tax legislation which aligns tax billing with property ownership, not occupancy. Specifically, Section 71(2) of the HRM Charter states “The Municipality may not grant a tax concession or other form of direct financial assistance to a business or industry”. Likewise, HRM’s existing systems and capabilities are designed to gather information relating to property ownership consistent with the property assessment system administered by PVSC.

To comply with legislation and policy five (5) properties owned by a commercial/private interest are to be removed from the program. To assist tenants in the transition, it is proposed that those organizations impacted by this corrective action be awarded a grant by resolution of Council equivalent to what would otherwise be received under the applicable schedule for up to three (3) consecutive years. The transition term commences on April 1, 2024, and ends March 31, 2027.

In some cases, a lease is a means for an individual, a group of individuals, or a business to assist a particular program, service, cause, or organization. In these circumstances, title to the property, or a portion through subdivision, might be conveyed to the nonprofit or charity as was the case with the MacPhee Centre for Creative Learning in Dartmouth. Hence, the qualifier “up to” is intended to accommodate any change in ownership and subsequent application for reinstatement while also giving tenants time to budget and/or consider alternatives such as relocation or shared occupancy.

#### Proposed Amendments to Policy - Recommendation #4

1. Amend Subsection 3 (c) to Remove Rounding from Calculation of the Benchmark Rate

Under the program redesign a “Benchmark Rate” replaces the former two-step process which manually converted Commercial tax rates to Residential rates. The new formula can be applied uniformly irrespective of property location and moderates significant variance in land values across the region. Subsection 3 (c) of Administrative Order 2024-001-ADM states that the Benchmark Rate be “*rounded up to the nearest tenth*”. Subsequent modelling and testing using 2023 data has determined that rounding up would result in a higher cost to tax relief recipients and creates additional complexities in tax billing. Staff propose removing “rounding” from the formula to simplify the process and create predictability and stability as originally intended. The amended subsection 3 (c) now reads: “*Benchmark Rate*” means the rate calculated by adding together the urban residential property rates for the current Fiscal Year that were set by Council per \$100 of taxable assessment, except for the following rates:”

2. Amend Section 7 to clarify the Exclusion Nonprofit Acreage from the Calculation of Tax Relief

For clarification, Section 7 of the Administrative Order has been amended to exclude tax exempt nonprofit acreage under section 29 of the *Assessment Act* from the calculation of tax relief:

(2) *For greater certainty, the portion of a Property that is exempt from taxation under section 29 of the Assessment Act shall be ineligible for Tax Relief.*

3. Amend the Name of Schedule B: to Family Services, Child Care, and Child or Youth Welfare Services Organizations

Eligibility for inclusion in Schedule B, subsection 23 (b) includes an organization that is a child or youth welfare organization. Reference to “dedicated youth services organizations” was to distinguish programs and services intended for a particular sub-population that may be “vulnerable” in terms of susceptibility to harm and in need of care, support, or protection due to age or the risk of abuse or neglect. In common practice child or youth welfare organizations provide community-based (non-institutional) specialized counselling services for children and/or families, child protection services, temporary custody or wardship, individual mentorship or programs to address truancy, homelessness, or social isolation. To distinguish these targeted programs and services from those serving the broader population of children and youth such as sports clubs, hobby clubs, arts, recreational<sup>3</sup>, or community-based educational programs it is proposed that:

Part 4. Classification Criteria Schedule B: Family Services, Child Care, and Dedicated Youth Services Organizations is amended to read “*Schedule B: Family Services, Child Care, and Child or Youth Welfare Services organizations*”

and

Repeal subsection “23 (e) *exclusively serves youth at the ages for programs and services for Youth Services identified in the Youth Services Plan of the Municipality;*”.

4. Add Appendix 2. Tax Relief Exclusions: Percentage Used for Calculation of Tax Relief by Assessment Classification

---

<sup>3</sup> For example, cultural, recreational, sport, and environmental programs for children and/or youth are included in Schedule C and organizations that provide community-based programs and services that supplement public education/educational attainment are included in Schedule E.

The purpose of Appendix 2 is to increase transparency in decision-making, consolidate technical information management within the Administrative Order, and help program participants self-manage in terms of reporting any change in occupancy that impacts their eligibility or level of tax relief.

### **Proposed Additions to the Program: Fiscal Year 2024**

Applications to add a property to the program in 2024 have been screened for tax arrears. Organizations with arrears may still be accepted into the program conditional upon the execution of, and compliance with, a payment plan.

The property is assessed Commercial (total tax \$3,268).

*It is recommended that the Province of Nova Scotia (St. Margaret Sailing Club) PID 415005876 Parcel P-052/20 Croucher's Point Road, Glen Haven, be added to Schedule C, effective April 1, 2024, at an estimated cost of \$2,972.*

**7. Halifax Regional Municipality (Back to the Sea Society) Portion of PID 40763476 140 Alderney Drive, Dartmouth (AAN 06033652) Expires: April 30, 2028**

The subject property is owned by HRM and known as known as Martin's Park. A small interpretive centre was constructed in the 1980's and operated by the Shubenacadie Canal Commission then subsequently leased to commercial tenants. In 2023, HRM entered into a less than market value lease agreement with the Back to the Sea Society<sup>5</sup> who incorporated as a nonprofit organization in 2017 for the purpose of promoting marine education and conservation. In 2018, the organization obtained status as a registered Canadian charity (Community Benefit/Amenities). Operations are sustained by donations, government grants, and fundraising. In addition to the building, the lease includes an outdoor area of ~258 sq ft for outdoor equipment and two designated parking spaces. The rent is \$1/year for a term of five (5) years. The property is assessed Commercial taxable and Commercial Exempt. Because there is only one lease at this location the taxable portion can be attributed solely to the Society (total tax \$3,023).

*It is recommended that Halifax Regional Municipality (Back to the Sea Society) a Portion of PID 40763476140 Alderney Drive, Dartmouth, be added to Schedule C, effective April 1, 2024, at an estimated cost of \$2,466.*

**8. Halifax Regional Municipality (City of Lakes Amateur Boxing Club), Portion of PID 00240424 230 Pleasant Street, Dartmouth (AAN 00769851) Expires: March 31, 2032**

The subject property is owned by HRM and operates as the North Woodside Community Centre under agreement with the North Woodside Community Association. In 2022, HRM entered into a less than market value lease agreement with the City of Lake Amateur Boxing Club (the "Club") for an area of ~3,300 sq ft. The rent is \$1/year for a term of ten (10) years with the option to renew for an additional 10 years<sup>6</sup>. That portion of the property occupied by tenants is assessed Commercial taxable.

*It is recommended that Halifax Regional Municipality (City of Lakes Amateur Boxing Club), a Portion of PID 00240424 230 Pleasant Street, Dartmouth, be added to Schedule C, effective April 1, 2024, at an estimated cost of \$6,789.*

**Note:** The Growing Place Early Education Centre Limited, a business entity, also leases space within the building and both tenants will be assessed Commercial taxable. Therefore, taxes plus HST will have to be apportioned annually between the two tenants by the owner (HRM); tax relief is to be applied to only 55.74% of the Commercial Taxable portion based on proportional occupancy.

**9. Halifax Regional Municipality (Unicorn Theatre Society), Portion of PID 00612788 11 Station Road, Head of St. Margaret's Bay (AAN 03376397) Expires: July 31, 2028**

<sup>5</sup> Recommendation report to the February 21, 2023, meeting of Regional Council, less than Market Value Lease: Back to the Sea Society, dated February 13, 2023 [Item 15.2.1].

<sup>6</sup> Recommendation report to the January 25, 2022, meeting of Regional Council, Facility Operating Agreement – North Woodside Community Centre, dated November 18, 2021 [Item 15.1.1].

The subject property is owned by HRM and operates under agreement with the Head of St. Margaret's Bay/Boutillier's Point Recreation Association as the Bay Community Centre. The 2-acre parcel of land has two buildings. Although each building has its own civic number (11 Station Road and 15 Station Road) the property has only one assessment account number ("AAN"). The property is assessed Commercial Taxable and Commercial Exempt. The taxable portion is attributed to two leases executed by the Municipality in 2023 with the Unicorn Theatre Society (the "Society") and the Safety Minded ATV Association<sup>7</sup>. An application for tax relief has only been received from the Unicorn Theatre Society. Consequently, only that portion of the Commercial taxable assessment attributed to the theatre's tenancy will be subject to tax relief in 2024. The Society's lease is for 800 sq ft used for equipment storage, props and supplies. The base rent is \$1/year for an initial term of five (5) years with the option to renew for an additional five (5) years. Incorporated in 2014 the Society provides instructional theatre programs for children and youth. Operations are volunteer-run and sustained by summer drama camp fees, the Bay Treasure Lottery, non-recurring grants, and ticket sales. The property is assessed Commercial (total tax \$3,065) and Commercial Exempt. Because there is only one AAN, HRM will have to apportion the annual taxes plus HST between the two tenants. In 2024, Unicorn Theatre's proportional share of tax is 26.75%.

*It is recommended that Halifax Regional Municipality (Unicorn Theatre Society) a Portion of PID 00612788 11 Station Road, Head of St. Margaret's Bay, be added to Schedule C, effective April 1, 2024, at an estimated cost of \$670.*

**Note:** An application to the 2024 tax relief program was not received from the Safety Minded ATV Club whose proportional share of taxes equals 73.25%. The Association could request a payment plan pending any future application to the program.

**10. Seaside Broadcasting Organization, 1540 Shore Road, Eastern Passage** (AAN 03897184)

Incorporated in 2000, the society operates a community radio station sustained by paid advertising, fundraising and rental revenue. In 2020, the society acquired a former residential property which contains a small broadcast studio and offices. In 2024, the property is assessed as Residential (total tax \$4,981) and HRM will request clarification from PVSC based on the property's non-residential use. If the assessment is amended to Commercial on the 2025 assessment roll the cost to the tax relief program and the owner will increase.

*It is recommended that the Seaside Broadcasting Organization, 1540 Shore Road, Eastern Passage, be added to Schedule C, effective April 1, 2024, at an estimated cost of \$3,688.*

**11. Silversides Residents Association, 48 Overbrook Drive, Waverley and 1971 Waverley Road, Waverley** (AAN 04266951 and AAN 08881960)

Incorporated in 1975, the society's purpose is to develop, administer and promote programs and activities for its membership which is restricted to residential property owners/households located within the Silversides subdivision. In 1976, the Association acquired 1971 Waverley Road, Waverley, a narrow strip of land (18,350 sq ft) abutting Lake William used primarily as a beach and for unstructured leisure activities. The subject property is assessed Residential (total tax \$1,107). In 1982, the Association acquired 7.5 acres identified as civic 48 Overbrook Drive, Waverley, that has been improved with a playground, sports field, parking, and picnic area. In 2024, this property is assessed Resource (total tax \$1,397).

*It is recommended that the Silverside Residents Association, 48 Overbrook Drive and 1971 Waverley Road, Waverley, be added to Schedule C, effective April 1, 2024, at an estimated combined cost of \$1,701, conditional upon the execution of a payment plan for tax arrears and compliance with the terms of the agreement.*

**Schedule E: Community Benefit Organizations**

**15. Halifax Regional Municipality (Dartmouth Dragon Boat Association/Kiwanis Club of Dartmouth Charitable Foundation), Portion of PID 00209692 45 Graham’s Grove, Dartmouth (AAN 00767298) Expires: September 30, 2027**

In 2016, the Kiwanis Club of Dartmouth Charitable Foundation (“the Kiwanis Club”) made a presentation to the Harbour East-Marine Drive Community Council advocating for the construction of a replacement building in the municipally owned Kiwanis Grahams Grove Park. The subject property is 5.43 acres and includes public parking, public washrooms, walking trails, and beach access to Lake Banook. In 2023, a new 2,500 square feet multi-use building was completed at a cost of ~\$2,300,000 and less than market value leases were approved for occupancy by the Dartmouth Dragon Boat Association and the Kiwanis Club<sup>9</sup>. The new building has an area of 3,545 square feet of which 13% comprises public washrooms. The washrooms are owned and operated by HRM and assessed Commercial Exempt.

The leased portion of the property is assessed Commercial Taxable (total tax \$49,166). Assignment of the subject property to Schedule E: Community Benefit is based on the ratio of use: the Kiwanis Club have exclusive occupancy of 71.26% of the taxable Commercial assessment portion of the building.

- Dartmouth Dragon Boat Association: Incorporated as a nonprofit society in 2009 the club’s operations rely on program fees and non-recurring grants. The Association lease 890 sq ft of the building with non- exclusive access to designated boat storage for a term of 5 years, with the option to renew for two additional terms of five years each. The rent is \$1 for the first year with a 3% increase per annum thereafter. The lease allows for short-term rentals, including boat storage rentals, in their designated portion of the outdoor storage cage, at rates determined by the society. In lieu of a less than market value base rent the Association must provide free programming to HRM residents up to a maximum value of \$3,600 per year.
- Kiwanis Club: In 1964 the Kiwanis Club of Dartmouth was incorporated under an Act of the Nova Scotia Legislature and registered as a nonprofit society in 1989 and received registered Canadian charity status in 1991 (Community Benefit/Foundations). The Club raises funds for assorted activities in Dartmouth. The Club’s main sources of revenue are seasonal ice cream and Christmas tree sales, and gaming (lottery and bingo). The Club lease 2,185 sq ft of the building plus a 960 sq ft deck for a term of twenty (20) years with the option to renew for an additional five (5) years. In

lieu of the Club's \$300,000 contribution towards the facility the annual base rent is \$1 in the first year with an increase of 3% per annum thereafter towards operating costs.

*It is recommended that Halifax Regional Municipality (Dartmouth Dragon Boat Association/Kiwanis Club of Dartmouth Charitable Foundation), a Portion of PID 00209692 45 Graham's Grove, Dartmouth, be added to Schedule E, effective April 1, 2024, at an estimated combined cost of \$36,067.*

**Note:** That portion of the property under a lease agreement has been assessed Commercial Taxable and the proportional share per tenant is Kiwanis Club of Dartmouth Foundation 71.26% and Dragon Boat Association 28.74% plus HST which will be invoiced by HRM Real Estate.

Although subsection 28 (2) (a) of policy excludes organizations whose sole purpose is fundraising or funding foundations, the inclusion of this property in Schedule E is based on (i) a correction to the Foundation's long-term occupancy at this location that was not assessed for tax and (ii) the Foundation's support of events in collaboration with other nonprofit organizations that are open to residents across the region<sup>10</sup>.

### **Schedule G: Organizations Funded Under Federal Government Rapid Housing Initiatives Program**

#### **16.Society of Saint Vincent de Paul of Halifax, 2445 Brunswick Street, Halifax (AAN 05289157) Agreement Expires: November 15, 2044**

The Society of Saint Vincent de Paul of Halifax (the "Society") was incorporated under an Act of the Nova Scotia Legislature in 1868 and obtained status as a registered Canadian charity in 1967 (Relief of Poverty/Organizations Relieving Poverty). The Society coordinates the work of eighteen conferences in Nova Scotia, including Catholic parishes in HRM<sup>11</sup> and operates Hope Cottage, a separate charitable organization, that provides free meals, home visits, shelter, and emergency services for the homeless. In 2022, HRM issued an invitation for expressions of interest from local nonprofit housing providers in relation to Phase 3 of the federal Rapid Housing Initiatives Program: Cities Stream under which HRM has accepted \$11,028,394 towards construction of 36 units of supportive housing<sup>12</sup>. Funding towards the Society's proposal for a 38-unit residence with on-site support services provided by the North End Community Health Association was approved by Regional Council. Under the terms of RHI funding the project must designate units for women, Indigenous, and Black Canadians. The term of the agreement is for twenty (20) years and occupancy of the premises is expected in 2025. The property is assessed Residential (total tax \$21,090). Upon expiry of the initial agreement the property will automatically be reassigned to another Schedule.

*It is recommended that the Society of Saint Vincent de Paul of Halifax, 2445 Brunswick Street, Halifax, be added to schedule G, effective April 1, 2024, at an estimated cost of \$20,674.*

**Note:** The 2024 assessed value of \$1,900,000 is based on land and initial improvements but the cost to the tax relief program will increase significantly in 2025 based on the scale of new construction.

### **Recommend Change in Level of Tax Relief in Fiscal 2024**

<sup>10</sup> For example, the Nova Scotia Kiwanis Music Festival Association, the Society for the Nova Scotia Book Awards (a partnership between the Dartmouth Book Awards Society and the Writers Federation of Nova Scotia), and the Kiwanis Mother Goose Festival hosted in association with the Alderney Landing Facility Association.

<sup>12</sup> Recommendation report to March 7, 2023, meeting of Regional Council, Rapid Housing Initiative Round 3 Agreement – Investment Plan, dated March 3, 2023 [Item 15.1.9].

The following recommendations are either staff initiated or result from the Request for Review process which was a one-time opportunity extended to organizations with property in the program as of fiscal 2023. Any increase in the cost of tax relief due to a Schedule reassignment has been included in the cost of renewals shown in the Financial Implications of this report.

**Schedule A: Charitable Organizations Providing Housing and Dedicated Services for Persons with Special Needs**

**17. Club 22, 3 Dundas Street, Dartmouth (AAN 01150774) – Request for Review**

Incorporated in 1951 the society received registered charity status in 1990 (Alleviation of Poverty/Relief of Poverty). The Club provides peer support and social programs in a drug and narcotic-free environment for persons in recovery. Members must be a member of Alcoholics Anonymous, AI-Teen, or Narcotics Anonymous, and alcohol or drug-free. Associate/social members cannot comprise more than 25% of the membership. Operations are sustained by rentals and fundraising. The property was assigned to Schedule E: Community Benefit (25%) in the draft schedules distributed in May 2024. The Club's Request for Review asked for assignment to Schedule A: Charitable Organizations Providing Housing and Dedicated Services for Persons with Special Needs (100%). The criteria for Schedule A include addictions recovery. Specifically, subsection 21 (1) (v) references specialized support services for persons with a mental illness. An independent meta-analysis of the AA abstinence model concluded the program was effective in reducing consumption and recidivism and forms part of a continuum of care in treating substance use disorders through mentorship, peer and family support<sup>13</sup>. The society meets the criteria for inclusion in Schedule A, except for submission of an audited financial statement. However, under subsections 21 (2) and (3) this requirement applies only to an initial application for acceptance into the program.

*It is recommended that Club 24, 3 Dundas Street, Dartmouth, be assigned to Schedule A, effective April 1, 2024.*

**18. Mi'Kmaq Native Friendship Society, 278 Wyse Road, Dartmouth (AAN 00073504)**

The property was acquired in 2019 and was listed on Schedule F: Vacant Property Under Development (75%) in the draft schedules distributed in May 2024. The former commercial building has been renovated to provide transitional housing with support services for youth formerly in care. If approved, assignment to Schedule A: Charitable Organizations Providing Housing and Dedicated Services for Persons with Special Needs meets the criteria set out in policy.

*It is recommended that the Mi'Kmaq Native Friendship Society, 278 Wyse Road, Dartmouth, be assigned to Schedule A, effective April 1, 2024.*

**19. North End Community Health Association, 2218 Maitland Street, Halifax (AAN 00950823) – Request for Review**

Incorporated in 1971, the Association provides medical and related health services and obtained registered charity status in 1976 (Community Benefit/Core Health Care). Operations have expanded to encompass addictions harm reduction, mental health outreach, and health care for persons experiencing homelessness. Housing-related health services are delivered in collaboration with other nonprofit organizations including Adsum for Women and Children Association, the Society of Saint Vincent de Paul of Halifax, and the Affordable Housing Association of Nova Scotia. In 2021, the Association acquired a 4-unit apartment building with financing under the federal Rapid Housing Initiatives Program to provide supportive housing for African Nova Scotia males. The tenants of this property are identified through the Coordinated Access Program ("By Name List"). The funding agreement is for a term of 20 years and expires April 1, 2041. The property was assigned to Schedule G. Organizations Under the Federal Rapid Housing

Initiatives Program (100%) in the draft schedules distributed in May 2024. The Association has requested assignment to Schedule A. Charitable Organizations Providing Housing and Dedicated Services for Persons with Special Needs (100%). Although a change in schedule has no impact on the level of tax relief, assignment to Schedule A removes encumbrances that would not otherwise apply to comparable service providers. Namely, subsection 34 (e) annual reporting under the RHI Program agreement and Section 35 whereby at the earlier of either the expiry of the RHI Program or the RHI agreement the property would be automatically removed from Schedule G and reassigned to Schedule A or Schedule D in accordance with the respective criteria. The Association is a registered charity (Community Benefit/Core Health Care) and both the applicant and program provided on-site meet the requirements of Schedule A.

*It is recommended that North End Community Health Association, 2218 Maitland Street, Halifax, be assigned to Schedule A, effective April 1, 2024.*

### **Schedule C. Cultural, Recreational, Environmental, and Community Transit Organizations**

#### **20. Akoma Holdings Incorporated, PID 40150567 18 Paris Lane, Westphal (AAN 03453073)**

Akoma Holdings Incorporated is a registered Canadian charity (Community Benefit/Foundation) that provides stewardship of the former Home for Colored Children assets. In 2024, the organization's portfolio comprises three (3) properties. The largest of these properties has a land area of 302.30 acres and has been partly developed through renovation of existing buildings and the construction of additional amenities.

- "Kinney Place" - Former Home for Colored Children – commercial tenancy/business incubator, non-profit tenancy, and owner-occupied office space. Registered heritage.
- "Bauld Centre" - Former school with non-profit tenancy and a community room that can be rented by the public.
- "Bauld Annex" - Non-profit tenancy.
- "Cottage" - Former Superintendent's residence. Vacant. Registered heritage building.
- Small outbuildings including a hydroponic greenhouse, community garden with washroom/storage building and greenhouse, and a playground.

In accordance with subsection 19 (5) of policy a property can only be listed on one schedule. Without subdividing, the mixed use of this property presents a challenge in determining the level of tax relief in relation to the type of program or service. Taken together, the level of tax relief could range from 25% to 75% (Schedule E: Community Benefit or Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations). The scope of mixed use is reflected in an assessment that includes Residential, Commercial, Commercial Exempt, and Resource. In 2022, the situation was further compounded with the construction of eight (8) townhouses under the federal government's Rapid Housing Initiatives Program: Phase 2. Because this development was not through subdivision it was not feasible to address the owner's request for full exemption under Schedule G: Organizations Under the Federal Rapid Housing Initiatives Program. The request was deferred pending an inquiry to PVSC with respect to the possibility of a separate assessment account number ("AAN") attached to the same property identification number ("PID"). This has proven not to be an option.

The society's long-term plan is to develop the site to accommodate various uses including housing, recreation, commercial operators and small business development. To facilitate financing for future construction Akoma have indicated they will be sub-dividing portions of the property in a phased approach but in the immediate staff recommend that the property not be listed in Schedule F: Organizations with Vacant Property Under Development (75%) and instead be listed in Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations (75%) to reflect the historical and cultural significance of the property, including a heritage designation, community garden, and access to the public through hall rentals and events.

*It is recommended that Akoma Holdings Incorporated, PID 4015067 18 Paris Lane, Westphal, be assigned to Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations, effective April*

1, 2024, at an estimated cost of \$38,247. The level of tax relief shall be reviewed annually to reflect the type of programs and services provided from the subject property in relation to the program's classification criteria and may be subject to change.

**21. Herring Cove Community Association, 30 Latter Pond Lane, Herring Cove (AAN 03402258) – Request for Review**

The subject property was listed in draft Schedule F: Organizations with Vacant Property Under Development (75%) while the former fire station building was redeveloped and on-site parking established. The Association's application sought confirmation that the property would be reassigned to Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations once development was complete. In September 2024, HRM received notification that construction is expected to be completed and the facility operational by January of 2025. Assigned to Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations (75%) is in accordance with policy and will not impact the cost of tax relief but removes the conditional award which was for a term of up to three (3) consecutive years.

*It is recommended that the Herring Cove Community Association, 30 Latter Pond Lane, Herring Cove, be assigned to Schedule C, effective April 1, 2024.*

**22. Kiwanis Club of Cole Harbour Westphal, 759 Caldwell Road, Eastern Passage (AAN 07727321)**

Incorporated in 1979, the Club is part of an international network of service clubs with a focus on child development. In 1989 the Club purchased 6-acres of provincial land abutting Morris Lake and have developed the site as a public park featuring a lakefront beach with floating docks for swimming, fishing, and canoeing. The grounds include walking trails and a picnic area. Operations are sustained by volunteers, fundraising, and project grants. The property was listed in draft Schedule E: Community Benefit (25%). This property meets the criteria of Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations (75%) based on the property's exclusive use as a public park. The property is assessed Residential and Resource.

*It is recommended that the Kiwanis Club of Cole Harbour Westphal, 759 Caldwell Road, Eastern Passage, be assigned to Schedule C, effective April 1, 2024.*

**23. Sackville Masonic Building Society, 55-57 Gloria Avenue, Lower Sackville (AAN 02065924) – Request for Review**

Incorporated as a nonprofit society in 1999 the organization is a fraternity whose membership is restricted to members of the Sackville Masonic Lodge #137, a legally separate entity that is a chapter of the Masonic Foundation of Nova Scotia which is a registered charity (Community Benefit/Foundation). Through the provincial foundation, Lodge members raise funds to provide bursaries for local high school students and donations to the Cobequid Health Centre. The property is assessed Commercial (total tax \$8,839) and was assigned to Schedule E: Community Benefit Organizations (25%) in the draft schedules distributed in May 2024.

The Association's Request for Review is based on: (i) renting the lower floor of the building for a social club run by Building Futures Employment Society – a registered charity (Community Benefit/Community Resources) serving persons with an intellectual disability, and (ii) a land agreement for \$1/year whereby the Municipality operates a children's playground and has access to an adjacent parking lot maintained by the Society. Assignment of this property to Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations is recommended based on Ratio of Use which compared the recreational programming elements (social club rental, municipal playground with public parking access) with that portion of the property's use restricted to Masonic Lodge members. If approved, this represents an increase

in the level of tax relief from 25% to 75%. Any change in use must be reported on the Tax Relief Program's annual Confirmation Form. However, in accordance with subsection 3 (x) of policy, tax relief does not apply to a license for use or occupancy of a property not owned by the Municipality. This clarification has been communicated to the Sackville Masonic Building Society, HRM Parks & Recreation, and HRM Real Estate. HRM's land license represents 8.50% of the Commercial assessment. The Society is responsible to bill the licensee (HRM) for their proportional share and remit.

*It is recommended that Sackville Masonic Building Society, 55-57 Gloria Avenue, Lower Sackville, be assigned to Schedule C, effective April 1, 2024, conditional upon continued public access to a portion of the Masonic Lodge building and a municipal public playground. Tax relief shall exclude that portion of land occupied by the Municipality under a license or lease agreement for a public playground and parking.*

**Note:** The Society's share of the land and the building are included in the calculation of tax relief; HRM's share of the land is excluded as shown in Appendix 2.

### **Schedule F: Organizations with Vacant Property Under Development**

#### **24. City of Halifax Non-Profit Housing Society, 2458-2487 Brunswick Street, Halifax** (AAN 03539792)

In 2023, the property located at civic 2458-2487 Brunswick Street, Halifax, was listed on Schedule 30 (50%). The 3-unit apartment building was demolished in May 2022 and the Society was notified in March 2024 of staff's intent to recommend removal of the subject property from the program in fiscal 2024. Additional information provided by the owner indicates that development of the vacant lot through consolidation and re-development with an abutting property has been delayed due to zoning regulations. On May 23, 2024, Regional Council requested staff explore rezoning of several properties on Brunswick Street from ER-2 to H-1 which would permit consolidation and higher density<sup>14</sup>. A decision is expected in early 2025. In the interim, staff recommend the property be assigned to Schedule F: Organizations with Vacant Property Under Development. If approved, the level of tax relief will be increased for up to three (3) consecutive years.

*It is recommended that City of Halifax Non-Profit Housing Society, 2458-2487 Brunswick Street, Halifax, be assigned to Schedule F, for a term of up to three (3) consecutive years, effective April 1, 2024, pending Council's decision with respect to re-zoning to enable increased densification.*

#### **25. Prospect Peninsula Residents Association, PID 40680902 Parcel 94-1 Prospect Bay Road, Prospect** (AAN 03383547)

Acquired in 2001 from the federal Department of Fisheries and Oceans, this small parcel of land comprises ~1,375 sq ft and is used for parking in relation to the wharf which was also acquired by the Association. The property is assessed Commercial but total tax does not meet the \$150/year minimum payment threshold. The Association has expressed an interest in consolidating this land with their abutting property and have been assigned to Schedule F on an interim basis.

*It is recommended that Prospect Peninsula Residents Association, PID 40680902 Parcel 94-1 Prospect Bay Road, Prospect be assigned to Schedule F, effective April 1, 2024, for a term of up to three (3) consecutive years pending consolidation with the Association's abutting park property.*

#### **26. Tawaak Housing Association, 15 Charles Street, Dartmouth** (AAN 03652246)

<sup>14</sup> Minutes, Halifax Regional Council May 21, 22 and 23, 2024, Housing Accelerator Fund – Urgent Changes to Planning Documents for Housing & Suburban Housing Accelerator SMPS & LUB, p.16 [Item 12.1].

This property is assessed Residential and was assigned to draft Schedule D: Affordable Housing Rental Accommodations (50%) in the draft schedules distributed in May 2024. The subject property was destroyed by fire and the premises are now vacant. The property has been reassigned to Schedule F: Organizations with Vacant Property under Development (75%) which represents and increase in level of tax relief for up to three consecutive years.

*It is recommended that Tawaak Housing Association, 15 Charles Court, Dartmouth, be assigned to Schedule F, effective April 1, 2024, for a term of up to three (3) consecutive years pending redevelopment.*

### **Recommend Deferral of Application to Fiscal Year 2025**

#### **27. Dartmouth Non-Profit Housing Society, 1 Circassion Drive, Dartmouth (AAN 03551687)**

The property located at 1 Circassion Drive, Dartmouth, was owned by the Nova Scotia Government and assessed Commercial Exempt. Although the Nova Scotia Department of Municipal Affairs and Housing provided written confirmation that negotiations were in progress with respect to the intent to convey the property in support of the construction of 18 units of affordable housing, the property transfer was to be simultaneous with a funding agreement. Further, Section 7 of policy states that to be eligible for tax relief the property must be assessed as taxable on the assessment roll for the year for which application is made. The subject property was not listed on the assessment roll received by HRM in January 2024. Therefore, a deferral to 2025 is recommended. In the interim the Society could make application for a payment plan to assist with cash flow.

*It is recommended that the application from Dartmouth Non-Profit Housing Society, 1 Circassion Drive, Dartmouth, be deferred to the 2025 tax relief program.*

### **Recommended Decline Addition to the Program**

#### **28. Halifax Regional Municipality (Canadian Sport Institute Atlantic Society), a Portion of PID 40796005 26 Thomas Raddall Drive, Halifax (AAN 10328209)**

The subject property comprises 38.7 acres with a large-scale municipal multi-district facility known as the Canada Games Centre which is operated under a Facility Management Agreement by the Canada Games Centre Society. As a condition of federal funding towards construction the facility includes a sport high performance centre operated by the Canadian Sport Institute Atlantic (the "Institute")<sup>15</sup>. In 2010 HRM entered into a less than market value lease agreement with the Institute for a term of three years which was renewed in 2014, but during this period the Institute was not billed in error. In 2019, a new lease was executed for an area of 5,300 sq ft for a term of five (5) years with the option to renew for an additional five years. In 2024, the property is assessed Commercial Exempt and Commercial taxable. The taxable portion reflects the occupancy of three tenants and an assessed value of \$2,074,700 (combined total Commercial tax \$66,351) and is assigned to the tenants on a proportional basis, plus HST, and billed by the operator. The Institute's proportional share in 2024 is 52% of that portion of the property assessed as taxable. The Institute focuses on the development of high-performance athletes and coaching at the national and international level. Operations are sustained by Sport Canada and funding from the provincial governments of Nova Scotia, New Brunswick, Newfoundland and Labrador, and Prince Edward Island. Hence, the Board of Directors includes appointees from Sport Canada, the Canadian Olympic Committee, Coaching Association of Canada, and provincial government sport representatives. The recommendation to decline is based on limited public benefit in terms of access to residents and a focus on elite sport.

---

<sup>15</sup> The Society incorporated in 1999 as the National Sport Centre – Atlantic Canada Society and subsequently changed its name to the Canadian Sport Centre Atlantic Society (2002) and again in 2023.

*It is recommended that Halifax Regional Municipality (Canadian Sport Institute Atlantic Society), a Portion of PID 40796005 26 Thomas Raddall Drive, Halifax, be declined tax relief.*

**29. Parish of St. John the Evangelist, PID 41027079 Parcel RL-1 Old Sackville Road, Middle Sackville (AAN 11007384)**

In 2022, the Parish of St. John the Evangelist (the “Parish”) subdivided the property identified as civic 934-954 Old Sackville Road, Middle Sackville, to create a separate 7.6-acre parcel of vacant land for the purpose of sale. Because the original property was a municipally registered heritage property any development of the ‘new’ property (Parcel RL-1) would be subject to heritage standards and requirements. Hence, application to deregister the vacant land was requested and subsequently approved by Regional Council<sup>16</sup>. Further, because the land was no longer integral to a place of worship the Commercial Exempt status was revoked and the land is assessed Resource taxable (total tax \$2,026). The Parish is requesting the property be considered part of the abutting church property “for the purpose of tax exemption”. A recommendation to decline is based on the following: (i) the land is held for future sale and in the absence of a development timeline could be considered a speculative holding, (ii) the subject property does not provide a public benefit and its heritage status has been revoked, (iii) the subject property no longer qualifies for exemption under subsection 5 (1) (b) of the Assessment Act<sup>17</sup>, and the owner has the ability to recover holding costs in any future sale.

*It is recommended that the application from the Parish of St. John the Evangelist, PID 41027079 Parcel RL-1 Old Sackville Road, Middle Sackville, be declined tax relief.*

### **Ineligible Applications**

Under the prior Administrative Order 2014-001-ADM applications for the addition of a property to Tax Relief for Non-Profit Organizations Program were to be made by November 30<sup>th</sup> of the year preceding the fiscal year in which amendments to the program schedules are to be considered. With Council’s approval of Administrative Order 2024-001-ADM in April 2024 commercial/private property leases are ineligible for consideration. Legislation does not permit tax relief for a business or industrial interest and HRM does not have the authority to bill tenants directly. The inclusion of leased property in the tax relief program will be addressed in a future report to Regional Council.

## Recommend Decline Change in Level of Tax Relief - Request for Review

### Schedule B. Family Services, Child Care and Child or Youth Welfare Services

#### **38. Government of Nova Scotia (Ronald McDonald House Charities Atlantic Association), Lot R 5940 South Street, Halifax (AAN 10969026) Expires: May 31, 2097 - Request for Review.**

The Association is a registered Canadian charity (Community Benefit/Core Health Care) and one of fourteen chapters supported by Ronald McDonald House Charities Canada (Community Benefit/Foundation), a corporate fundraising foundation. The Nova Scotia chapter operates Ronald McDonald House to provide temporary accommodations for patients travelling to the IWK Health Centre for medical treatment. The original Ronald McDonald House located on Tower Road, Halifax, was listed on Schedule 28 of Administrative Order 2014-001-ADM (50%). In 2021, the Association launched a major fundraising campaign to construct a new facility and expand capacity. In 2023, the Tower Road property was sold to a private interest and the Association entered into a lease agreement with the new owner pending their relocation. In 2022, the Association's application for tax relief for the property located on South Street, Halifax, was deferred pending the execution of a lease agreement, subdivision, and amendments to the tax assessment roll by Property Valuation Services Corporation ("PVSC"). In 2023, the property was added to Schedule 28 (50%)<sup>18</sup>. This level of tax relief was consistent with that of other out-patient accommodations included in the program, namely the Canadian Cancer Society and Halifax Haven Guest Home Society.

Under the proposed program redesign<sup>19</sup> criteria and levels of exemption "*health organizations including out-patient accommodations*" were included in the draft Schedule E. Community Benefit Organizations (25%). Namely, the Canadian Cancer Society, Halifax Haven Guest Home, and Ronald McDonald Charities Atlantic Association as did a subsequent supplementary report<sup>20</sup>. The criteria for Schedule E were subsequently amended in the new Administrative Order 2024-001-ADM approved by Council in April 2024: reference to "*out-patient accommodations*" was removed from subsection 29 (b) which now reads "*an organization providing health or medical services*". This change acknowledges that irrespective of age, patients may need transportation or support from a family member/guardian, friends, or a contract caregiver. Out-patient accommodations such as Ronald MacDonal House, Canadian Cancer Society's Lodge, and Halifax Haven Guest Home are included in Schedule B: Family Services, Child Care, and Dedicated Youth Services. If approved, the level of tax relief granted increases from 25% to 85%.

The Association has requested assignment to Schedule A based on: (i) charity status, (ii) housing and services to families with children undergoing "*medical treatment/specialized medical care*", (iii) the

<sup>19</sup> Report to February 7, 2023, meeting of Regional Council, Proposed Tax Relief for Non-Profit Organizations Program Redesign, dated January 31, 2023. Attachment 1. Draft Criteria by Proposed Schedule, and Attachment 3. Draft New Schedules [Item 15.1.7].

<sup>20</sup> Supplementary recommendation report to the April 25, 2023, meeting of Regional Council, Tax Relief for Non-Profit Organizations Program Redesign, Attachment 5. accommodations are “a *specialized service*”, (iv) services are free or at nominal cost, (v) other Ronald McDonald Houses are exempt property tax, and (vi) the Association is paying tax under a lease agreement.

- (i) Except for Schedule A, registration as a charity does not equate to a higher level of tax relief. Hence, charities are listed across all schedules based on the type of program or service of “...direct benefit to *residents of the Municipality*” [Policy, subsection 5 (b). Emphasis added].
- (ii) Medical services are provided by the IWK Hospital located adjacent to the new facility.
- (iii) Request for clarification with respect to “specialized services” indicates most activities are social and recreational activities, personal care options (massage, manicure/pedicure), and therapy dog visits.

Typically, out-patient lodgings provide social support and reduce the cost of accommodation, food, and transportation but are not income-tested. Ronald McDonald House visitors are charged \$11/night, but families unable to pay may be accommodated at no cost. Contributions over \$20 are eligible for an income tax receipt.

- (iv) In 2024, the Ronald McDonald House Charities Canada website listed residential facilities in eight provinces<sup>21</sup>. Property tax rebates, full or partial exemption, eligibility, duration, and level of tax relief differ significantly across provincial jurisdictions; legislation may be prescriptive or permissive in terms of a municipality’s authority.

HRM’s tax relief program is discretionary and funded through the general tax rate levied on all property owners with taxable real estate located within the geographic boundaries of the Municipality. The Ronald McDonald House in Halifax serves families who travel over 40 km<sup>22</sup> to the facility including residents of HRM, Nova Scotia, New Brunswick, and Prince Edward Island<sup>23</sup>. The annual tax relief is funded by property owners located in the Municipality. Hence, partial tax relief reflects the provision of a benefit to non-residents (those travelling from outside the region or province).

- (v) Tax relief is non-transferable. The property located at 1133 Tower Road, Halifax, was sold to a for-profit entity in July 2023. Notification of this change in ownership was received from PVSC after the submission of the 2023 tax report to the Grants Committee and Regional Council’s approval<sup>24</sup>. Consequently, although the property was listed on Schedule 28 (50%) tax relief was pro-rated. The property is to be removed in 2024. The financial statement included in the Request for Review confirms that the lease is for two (2) years and is to be terminated upon re-location to the new premises on South Street, Halifax, which is anticipated to be in late 2024 (Item 7. Financial Statements 2023).

In 2024, the property is assessed Residential with a market value of \$3,399,700 and if Council approves the inclusion of Ronald McDonald House in Schedule B the estimated cost of tax relief in 2024 is \$31,672. However, at a projected capital cost of ~\$24,000,000 the assessed value of the property will increase substantially. Likewise, if the Foundation’s administrative office relocates from their commercial lease to the new facility the assessment category could change to Residential and Commercial.

**39. Harbour Lites New Horizons Seniors Club, 167 Highway 357, Musquodoboit Harbour (AAN 01882635) – Request for Review**

The Club's Request for Review is based on a reliance on volunteers and fundraising. Although the Club's programming is primarily assorted leisure and social activities comparable to a community halls on Schedule C (75%), facilities and programming for seniors have an important role to play in assisting older adults who wish to remain in their home and need connection to age-appropriate activities and support services to counter social isolation. Typically, seniors' centres provide communal meals or home delivery services, leisure activities, referrals or access to specialized services, transportation, equipment loan programs (adaptive aids) or programming. In recognizing this niche role, facilities serving exclusively senior citizens are listed under Schedule B (85%). Assignment to Schedule B: Family Services, Child Care, and Child or Youth Welfare Organizations is in accordance with subsections 22 (1) and 23 (f) of policy which emphasises direct public benefit primarily/exclusively to "seniors".

**Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations**

**40. Association of Bayside Camp and Retreat Centre, 1503 Ketch Harbour Road, Sambro Head (AAN 09906754) – Request for Review**

The property is assessed Residential and Commercial and was listed on draft Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations. The Association requests reassignment to Schedule B: Family Services, Child Care, and Dedicated Youth Services based on the provision of "childcare/recreation programs for families".

A review of the Association's articles of incorporation confirm that the mandate of the organization is to benefit member churches of the Halifax Region United Baptist Atlantic Canada, and groups within the Convention of Atlantic Baptist Churches, and other Evangelist churches and individuals. Persons admitted to membership must profess faith in Jesus for salvation, witness of obediently following Jesus, is a member in good standing of a church in the Halifax Region United Baptist Association and approved by two-thirds of the Board of Directors. Two-thirds of the Board of Directors positions must be filled by church members of the Halifax Region United Baptist Association and the remaining positions from members of the Association, including "members of other Evangelical Churches". Operations are sustained by funding from the Atlantic Baptist Foundation, registration fees, merchandise sales, and facility rentals.

Section 23 (a) (b) and (c) of policy clarify eligible in terms of childcare as (a) a licensed daycare, preschool, nursery, or early education facility, (b) child or youth welfare organizations, or (c) a family resource centre. In common usage child/youth welfare organizations provide specialized counselling services for children or families including child protection, temporary custody or wardship, to address truancy or homelessness, or serve economically marginalized or racialized communities. Likewise, family resources centres provide programs and services to foster parenting skills and form part of a continuum of early learning and childcare<sup>25</sup>. Although faith-based programming and practices may represent a perceived barrier to inclusion, faith-based organizations have been accepted in the tax relief program. For example, service clubs, fraternal organizations, housing, food banks etcetera). Assignment to Schedule C is based on the operation of a recreational camp facility and is in accordance with policy.

**Note:** In 2024 the level of tax relief will be reduced in accordance with subsection 47 (a) of policy to exclude the Residential assessment which is an employment-related benefit.

**41. Fultz Corner Restoration Society, 13 Sackville Drive, 17 Sackville Drive, 21 Sackville Drive, 25 Sackville Drive and 33 Sackville Drive, Lower Sackville** (AAN 01189433, AAN 04188322, AAN 04926293, AAN 10176697, AAN 01162659) – **Request for Review**

The Society own five (5) properties of which the principal property is the former residence known as Fultz House, a registered heritage property operated as a seasonal museum. The remaining lands are vacant except for a small residence used for storage. These properties are listed in Schedule C: Cultural, Recreation, Environmental, and Community Transit Organizations. The Society's request is for (i) a higher level of tax relief for "community museums and heritage centres", (ii) the Society's reliance on volunteers and fundraising, and (iii) a 3-month operation.

The staff review indicates that the Society has successfully appealed the assessment values for the properties they acquired from the provincial government resulting in a significant reduction in value and a change in classification from Residential to Resource. Consequently, the total tax for three (3) properties falls *below* the minimum annual tax payable threshold of \$150. The Society was given the option to remove these properties and pay the lesser amount but have opted to keep them in the program. Evidently, the lands are on a flood plain with limited development potential. The classification of the small residence used for storage assessed as Residential (a non-residential use) remains unchanged due to limited utility (no water, driveway access, and located on a flood plain). In addition to annual tax relief the Society is also in receipt of provincial and municipal operating grants. Assignment to Schedule C is in accordance with policy.

**42. Government of Nova Scotia (Atlantic Canadian Aviation Museum), 20 Sky Boulevard, Goffs** (AAN 01188372) **Expires: April 20, 2029 – Request for Review**

The property is listed in Schedule C: Cultural, Recreation, Environmental, and Community Transit Organizations. The society's Request for Review is based on a higher level of tax relief received under the former Administrative Order 2014-001-ADM. The applicant has requested assignment to Schedule A, or a new schedule be created for community museums with 100% exemption.

- (i) The applicant does not meet the criteria for Schedule A.
- (ii) The addition of a new schedule exclusively for "museums" is not defensible in relation to other organizations included in Schedule C most of whom do not receive federal, provincial, and municipal funding over-and-above partial tax relief.

**Note:** When the initial lease 30-year lease agreement expired it was replaced with a 5-year license agreement that expired in 2023 after which the term reverted to year-to-year. This change was in anticipation of development of the site by the Nova Scotia Department of Transportation & Infrastructure. The tax relief program only recognizes municipal licences and as such the license does not meet the program's eligibility criteria under Section 28 of policy. The property owner has consented to the museum's continued occupancy and is agreeable to replacing the license with a 5-year lease agreement to enable continued eligibility for municipal tax relief and an Operating Grant under the Community Museums Grants Program. A new lease agreement signed by both parties has been submitted and by virtue of the Provincial Government's cooperation, removal from the program is not recommended. In addition to annual tax relief the society is also in receipt of provincial and municipal operating grants. Assignment to Schedule C is in accordance with policy.

**43. Halifax Regional Municipality (Sheet Harbour Chamber of Commerce) Portion of PID 40328528 22404 Highway 7, Sheet Harbour** (AAN 05873509) **Expires: December 31, 2029 – Request for Review**

A portion of the HRM-owned property is leased to the Sheet Harbour Chamber of Commerce under a less than market lease agreement for \$1/year. The Chamber is a registered nonprofit society whose purpose is the promotion of local economic development. Operations are sustained by instructional courses, donations, and government grants including seasonal tourism grants. HRM has permitted a sub-lease of 50% of the building to the Sheet Harbour & Area Heritage Society for the operation of a small seasonal museum. In 2023, the property was listed on Schedule 26 with partial tax relief provided only for that portion

of the premises (50%) sub-leased to the Sheet Harbour and Area Heritage Society. The society's Request for Review is based on: (i) a reliance on volunteers, (ii) operation of a seasonal Visitor Information Centre and occupancy of a community museum by a separate nonprofit entity. Assignment to Schedule C is based on the operation of a community museum and is in accordance with policy.

**44. Indo-Canadian Community Centre Society, 3464-3466 Dutch Village Road, Halifax  
(AAN 01423495) – Request for Review (Late)**

Incorporated in 1996 the society and received registered charity status in 1998 (Community Benefit/Public Amenities). The society acquired a commercial property in 2017 to develop as a community hall. The property was added subsequently added to the tax relief program under Schedule 29. The property is mixed use with residential tenancy, commercial tenancy, and the basement level if vacant. The property is assessed Residential and Commercial. A review of current occupancy indicates that no portion of the premises has been used for a community hall – the basement is vacant and unfinished<sup>26</sup>. A reduction in level of tax relief to exclude 50% of the Commercial assessment occupied by businesses, is recommended to reflect the property's current use which is exclusively rental income generation to meet the Society's mortgage commitments. Continued tax relief for that portion of the premises that is vacant is conditional upon an evidence-based evaluation of progress in the provision of public access to on-site programs and/or services.

*It is recommended that the Indo-Canadian Community Centre Society, 3464-3466 Dutch Village Road, Halifax, be assigned to Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations, effective April 1, 2024, and tax relief be applied to only 50% of the Commercial assessed value to exclude commercial occupancy. Eligibility for continued tax relief shall be based on progress in the provision of programs and service to the public and substantiated on or before the January 31, 2025, deadline for the submission of the program's annual Confirmation Form.*

**Note:** In the alternative, the property could be removed from the program in 2024 based on limited public benefit and the owner could apply for reinstatement at some undetermined future date once a community hall has been established.

**45. North Ship Harbour Community Auxiliary, 214 West Ship Harbour Road, Ship Harbour  
(AAN 04562518) – Request for Review**

The Association's request for Review is based on (i) a reliance on volunteers and fundraising, and (ii) the facility's availability as an EMO Comfort Centre. Programming comprises assorted leisure and social activities, primarily card games and rentals for social events. The subject property was listed in draft Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations based on the type of program or service delivered on-site which is comparable to other community halls. Operations are sustained by bingo, fundraising, and HRM weekly exercise classes. Assignment to Schedule C is in accordance with policy.

**46. Tantallon Centennial Athletic Club, 200 Ballfield Road, Tantallon (AAN 04530268) – Request for Review**

The subject property comprises 126-acres with a small outbuilding and was listed in Schedule C: Cultural, Recreational, Environmental, and Community Transit Organizations based on sports programming and amenities comprising two baseball fields. Operations are sustained by registration fees and fundraising. The Club's request is based on a reliance on volunteers and limited earned revenues. Assignment to Schedule C is in accordance with policy.

**47. Terence Bay Community Hall Association, 80 Sandy Cove Road, Terrence Bay (AAN 04554027)

Assignment to Schedule D is in accordance with policy.

**Schedule E: Community Benefit Organizations**

**49. Philae Building Society 3530 Connolly Street, Halifax (AAN 03234185) – Request for Review**

Incorporated in 1972 as a nonprofit society, the Society is a fraternal organization providing fellowship, networking, and social activities for its male members. This Masonic Lodge appear to be affiliated with the Philae Temple Crippled Children Travel Fund in Trust – a registered Canadian charity (Community Benefit/Foundation) based in Halifax that raises funds to provide travel assistance for children from Nova scotia attending the IWK Health Centre or a Shriner Hospital in Canada, the USA, or Mexico. The property is listed in Schedule E. Community Benefit; the premises do not provide direct service to the public. Although subsection 28 (2) (a) excludes organizations that provide aid primarily outside Canada and/or organizations whose sole purpose is fundraising or funding foundations, the inclusion of this property in Schedule E: Community Benefit is based on prior acceptance in the absence of detailed eligibility criteria which has since been rectified under the program redesign. In the alternative, the property could be removed from the program in 2025 with advance notification.

**50. Philae Building Society Lot 5 Larry Uteck Boulevard, Bedford (AAN 09607153) – Request for Review**

The subject property is a 7.7-acre parcel of vacant land acquired in 2004 from a private developer. The property is assessed Resource and is not in the Tax Relief Program. The Society could make application to add the property, but the land appears to be a speculative land holding in the absence of any evidence of an on-site program or service to benefit residents.

**Recommend Removal of Property from the Program: Fiscal 2024**

The following are staff initiated, case-specific recommendations due to the expiry of a lease, property sale or conveyance, non-compliance with the program's reporting requirements, or a change in assessment from taxable to exempt are listed under the Records Management section of this report.

<sup>27</sup> The Nova Scotia Land Registry notes that the civic address is under review by the Municipality.

*It is recommended that BCM International (Canada), PID 00553560 Highway 224, Chaswood be removed from the program effective April 1, 2024.*

**51. Government of Nova Scotia (MacDonald House Association) 4144 Lawrencetown Road, Lawrencetown (AAN 01175297)**

The premises are primarily used for the operation of small businesses which are ineligible for tax relief. The Association was notified in March 2024 of the intent to recommend removal from the program in fiscal 2024.

*It is recommended that the Government of Nova Scotia (MacDonald House Association), 4144 Lawrencetown Road, Lawrencetown be removed from the program effective April 1, 2024.*

The clubhouse located at 8397 Highway 224 (AAN 04721152) is listed on Schedule B: Family Services, Child Care, and Dedicated Youth Services (85%). The two abutting parcels of land owned by the Club have not been consolidated and due to their modest size and market value the total annual tax in 2024 falls below the minimum tax payable threshold of \$150. The Club was given the option to either remove the vacant land from the program and pay the lower amount or remain in the program and pay the minimum tax of \$150 for each of the two properties.

- (a) **PID 00563197 Highway 224, Upper Musquodoboit (AAN 07671695)**  
Acquired in 1989 this 2,000 sq ft parcel of land is assessed Residential. In 2024, the total tax is \$106.

### **FINANCIAL IMPLICATIONS**

The funding for this program is available from the 2024/25 Operating Budget under M311-8006, with the budget summary outlined below:

#### **Budget Summary: M311-8006**

Opening 2024/25 Program Balance	\$7,504,000
Less: Recommended Renewals (811 properties)	(\$7,330,379)
Less: Recommended Additions (31 properties)	(\$212,223)
Less: One-time Grant by Council Resolution (1 property)	(\$6,726)
Less: Recommended Grants by Council Resolution (5 properties)	(\$125,658)
<b>Projected Ending Balance (Deficit)</b>	<b>(\$170,986)</b>

Notes to Financial Implications:

1. The cost of Renewals has been amended to reflect the removal of any properties from the program in 2024, exclusions, and any recommended change in level of tax relief.

The recommendation would result in a deficit of \$170,986.

### **RISK CONSIDERATION**

The primary risks associated with tax grants are representational (accuracy and completeness of information), an error in assessment classification, and any substantive change in use during the fiscal year. Tax arrears might also pose reputational risk should collection proceedings be required.

### **COMMUNITY ENGAGEMENT**

Under the program redesign those organization included in the program up to and including 2024 were issued a Communications Package by registered mail in May 2024. The information provided included draft schedules and the opportunity to submit a Request for Review for those program participants that felt they had been incorrectly assigned to a schedule based on the eligibility criteria stated in Administrative Order 2024-001-ADM. The notification also advised that leased property was under review.

October 2024 – Memorandum mailed to all organizations accepted into the program as of 2023 with notification of delay in mailing the 2024 tax bill and extended payment due date. The mailout included the annual Confirmation Form for fiscal 2025 and a reminder that late submission will result in a reduction in tax relief.

November 2024 – Notification of removal of commercial/private property communicated to current tenants via telephone calls and written notification with a copy to the property owner.

### **ENVIRONMENTAL IMPLICATIONS**

No environmental implications were identified.

## **ALTERNATIVES**

The Grants Committee could recommend that Halifax Regional Council:

1. Refuse to adopt the amendments to Administrative Order 2024-001-ADM, the *Tax Relief Administrative Order*. This is not recommended;
2. Adopt the amendments to Administrative Order 2024-001-ADM, the *Tax Relief Administrative Order* subject to modifications. This could include moving eligible organizations from different schedules or removing or adding eligible organizations from the program. If changes are substantive, a supplementary report may be required to include any policy or financial implications.
