Subject: [External Email] Request to present to CPED

[This email has been received from an external person or system]

I would like to request an opportunity to present to CPED, as soon as is possible. The topic of my presentation will be Downtown Vision 2030, which was created and launched by Downtown Halifax Business Commission. Many of the recommendations in the Vision will require HRM Council approval and/or support, and we feel that the members of CPED would appreciate a further description of how the vision was created, what it contains and how it can be implemented, over the next few years.

I would be the sole speaker, and the presentation would be under 10 minutes. It would include a power point presentation.

Sincerely,

Paul MacKinnon, MBA, LPM
Chief Executive Officer
