HRM Clerks Office,

On behalf of the Heritage Trust of Nova Scotia, I request permission to have a 10-minute PowerPoint presentation placed on the agenda of the meeting of the CPED standing committee for December 12, 2024. If there is to be no meeting on this date, please consider our request for the earliest subsequent date.

The purpose of the presentation is to illustrate the business case for built heritage and why it is in the best interest of the municipality – economic, social and environmental – to strengthen protection for HRM's valuable built heritage.

We understand the committee chair is able to invite councillors not on the committee to attend these meetings, and we respectfully request that she do so in this case.

I look forward to your response.

Best regards,

Margo Grant
HRM committee chair,
