Hi Simon,

We would like to submit a request to the Agenda Review Committee to be placed on the earliest available 2025 meeting of the Community Planning and Economic Development Standing Committee.

The Turret Arts Space is a charitable non-profit dedicated to transforming 1588 Barrington Street into an art, culture, and social purpose hub. The new Turret Arts Space will house a critically engaged community where youth, artists, and the public can connect and thrive in a space that is physically, economically, and culturally accessible.

We would like to provide an update on the project to members of Council, covering the work completed to date, our impact strategy, and highlight the urgent need for spaces like this in a growing Halifax. We will also make a formal request to the Committee to meet funding needs to move the project forward and explore potential collaboration opportunities with the municipality to bring this project to life.

Alexis Cormier, our Project Manager at Strategy 6 Consulting, will be presenting, alongside a member of our Board of Directors.

Please let us know if you need any additional information or details about our ask.

Best regards,  
Kortney Dunsby  
Secretary  
Turret Arts Space
