MUNICIPAL CLERK

[This email has been received from an external person or system]

Good afternoon

I am a director with the Short Term Rental Association of NS (STRANS) and recently met with Councillors Patty Cuttell and Becky Kent who suggested we provide information to the committee regarding recent land use bylaw changes HRM has enacted and their impact on our members and the community as a whole.

Is there an opportunity to do a 10 presentation at an upcoming meeting?

I am copying our president, Mike Petrosniak.

Your assistance is greatly appreciated

Kind regards

Catherine Sanderson, CPA
